HISTORY OF WINNEBAGO COUNTY

WINNEBAGO COUNTY was established in 1840. With the convenience of water transportation, the area saw increasing numbers of explorers, traders, and settlers arriving to stake out property boundaries and establish a mode of life for the next two centuries. Among them were many from Germany, Holland, and other European countries who set the nationality and social heritage pattern of the area.

Before admission of Wisconsin to the Union, the County of Winnebago was created by separation from Brown County in 1840. The County was named for an Indian nation in the area whose land was purchased by the U.S. Government, which in turn opened the land to settlers. Abundant water, which provided access in the early days, is still a valuable asset. Winnebago County has an actual land area of 286,912 acres. Another 80,000 acres is occupied by streams, rivers and ten surveyed lakes. Lake Winnebago is the largest lake in Wisconsin and one of the largest in the nation contained in one state.

Winnebago and neighboring Fond du Lac, Calumet, and Outagamie counties rank among the fourteen most highly urbanized counties in the state, with the most rapid economic and population growth in the past decade.

The county is bounded on the north by Outagamie and Waupaca counties, with most of the eastern boundary outlined by Lake Winnebago except for a small portion adjoining Calumet County. Fond du Lac County marks the southern limits, and the counties of Green Lake and Waushara define its western border. Oshkosh is the county seat and within the county's borders are the 15 towns of Algoma, Black Wolf, Clayton, Neenah, Nekimi, Nepeuskun, Omro, Oshkosh, Poygan, Rushford, Utica, Vinland, Winchester, Winneconne and Wolf River, the Village of Fox Crossing, the Village of Winneconne, the four cities of Menasha, Neenah, Omro and Oshkosh, and a small portion of the City of Appleton.

Oshkosh, located seven miles beyond the confluence of the Fox and Wolf Rivers, at the point of their entry into the lake, was an early center of the lumber industry. Rivers and lakes brought logs from Northern Wisconsin and for many years lumbering was the leading industry of the city. Enormous fortunes were made, serving as a background for the diversified industries that followed.

Neenah-Menasha, known as the "Twin Cities," is in the northern part of the county on the north end of Lake Winnebago. It's in Neenah-Menasha that the Fox River flows out of Lake Winnebago. It was here that early centers for milling wheat and lumber were situated. Later, as manufacturing grew in importance and railroads replaced rivers and lakes as a means of transportation, Neenah-Menasha became important industrial centers with the paper industry leading the way.

In May 1843, the first county board meeting was held at the home of Webster Stanley, in the Town of Winnebago. The three supervisors of the Town of Winnebago and a clerk represented the total county population of 132. The supervisors voted to raise fifty dollars by taxes for county expenses.

The first county courthouse was erected in 1847 in the Village of Oshkosh and replaced by a larger structure in 1854. In 1938 the present building was erected at Jackson Street and Algoma Boulevard in the City of Oshkosh.

The current Winnebago County Board is made up of 36 county supervisors representing the county's 172,943 residents (2024 census figures).

A. Experience: The Chair should consider the experience of potential members, including their experience on other committees, boards, or commissions. The Chair should consider appointing both experienced and less experienced

members to ensure a mix of perspectives and that less experienced supervisors have an opportunity to serve.

B. Expertise: the Chair should consider the expertise of potential members, such as their knowledge of specific policy areas or their professional backgrounds.

C. Representation: The Chair should consider the need to ensure that the Committee on Committees is representative of the County Board as a whole.

D. Commitment: The Chair should consider the commitment of potential members to serving on the Committee on Committees. This includes considering their availability and their willingness to devote the necessary time and energy to the role.

3.45 The Chair shall appoint a Committee on Committees to advise the Chair in selection of committee members. The Committee on Committees shall consist of five (5) Board members. The Committee on Committees shall, when making recommendations for committee assignments, make every effort to distribute committee assignments between supervisors, keeping in mind varying levels of responsibility and time commitments related to various committee assignments.

3.5 The proposed rules of the new Board shall be made available to the Board membership prior to the Organization Meeting.

3.6 There shall be an explanation of the present and proposed rules of the County Board.

3.7 The proposed rules of the Board shall be presented and rules adopted at the Organization Meeting of even-numbered years by a majority vote.

3.8 The Rules of the Board shall be amended during the two-year period only by a two-thirds vote of those present at a meeting, except at the Annual Organizational Meeting, at which time a majority of those present shall rule. This Rule may be waived by the County Board Chairperson as a result of a local, state, or national declared emergency.

3.9 After the adoption of the Rules of the Board and other activities as noted in 3.0 through 3.8, the County Board Chairman may make interim appointments to County Board Committees, pending the recessed Organization Meeting, if the business of government so requires. The Board shall recess that Organization Meeting to the following Tuesday.

3.10 The Board, as the first order of business at the recessed meeting of the Organization Meeting shall officially approve all committee members by a majority vote of those present.

3.12 Any committee may, if the Committee membership so decides, postpone election of committee officers for not more than one month.

3.13 After the Organization meetings, should a committee vacancy occur, or the need arises to adjust a standing committee, then the County Board Chair shall make appointments to fill the vacancy or adjust the committee's membership.

7.1 Every written resolution shall be prepared in block form and shall be as concise as possible and shall have attached to it the name of the Committee, Commission or Board and/or the names of the Supervisor(s) introducing it. A

Supervisor introducing a resolution on their own is the author/sponsor. The wording shall not be changed without the author's/sponsor's written approval. All resolutions or ordinances to be considered by the County Board shall be prepared and presented with a brief background statement, rationale of why the board should consider action, financial and/or resources impact.

7.2 All resolutions that come from Committees, Commissions or Boards shall show the vote of that Committee, Commission or Board.

7.4 Every motion or amendment shall be reduced to writing if requested by a Supervisor.

7.5 Every resolution having monetary implications shall have a fiscal note attached or included, and, if applicable, shall contain a cost/benefit analysis.

7.6 Any Committee of Jurisdiction may submit to the County Board a request which has been rejected by Personnel and Finance Committee. However, this request resolution must have a two-thirds affirmative vote of the County Board membership for adoption except at the County Board Annual Budget Session.

7.7 Any resolution that is presented for the purpose of expressing support, opposition, or the desire for initiation of any state or federal legislation shall require a three-fourths vote of those members present for passage.

7.8 Any member may raise an objection, motion or point of order inquiry. After being recognized by the Chair, the Chair or another member may call for a ruling from the Parliamentarian. All objections are addressed to the Chair. After a ruling by the Parliamentarian and supported by the Chair, the objection, motion or point of order inquiry is considered concluded. If the Chair becomes convinced that one or more members are repeatedly using parliamentary forms for dilatory purposes, the member(s) should not be recognized or rule that the motions are not in order.

8.0 WRITTEN AGENDA OF THE COUNTY BOARD

8.1 Under the direction of the County Board Chair, the County Clerk, with the help of the Corporation Counsel, is hereby authorized and instructed to prepare a written Agenda for each meeting of the County Board. 8.2 For an item to be printed on the agenda, it must be presented to the County Clerk's Office no later than Monday noon of the week prior to the Board meeting. This includes communications and details on if the meeting will utilize a remote option, such as, by way of example, online meetings.

8.3 This Agenda, along with appropriate attachments, shall be sent, mailed or made available, electronically posted and accessible, emailed or otherwise deposited for delivery at least seven (7) days before the Board meeting and must provide the supervisors with all necessary access information to attend remotely if the remote option is invoked for said meeting.

8.4 After the Agenda has been mailed or posted, an item may be added and an Amended Agenda sent out only if there would be a negative monetary impact to the County if it waited until the next meeting of the County Board. If waiting until the next County Board meeting would not negatively impact the County, the item must wait until the next meeting.

8.5 This Agenda and attachments shall be furnished to any person so requesting it from the County Clerk.

8.6 A copy of the agenda shall also be mailed or made available to all Town Clerks, Village Clerks and City Clerks.

8.7 All items not appearing on the written Agenda or not delivered with the Agenda shall be out of order and shall not be considered by the Board at the particular meeting.

8.8 Any item on the Agenda for consideration by the Board may be withdrawn at any time before action is taken on it, but only by its sponsor or if sponsored by a committee, the Committee Chair or a designated alternate in his/her absence.

8.9 In the event of withdrawal of any item as per 8.8, the Chair will announce the withdrawal and the name of the sponsor or Committee Chair withdrawing it. Co-sponsored resolutions may only be withdrawn upon the concurrence of all sponsors or Committee Chair.

8.10 Special orders of business may be scheduled by the County Board Chair for presentation to the County Board on the 1st Tuesday of the months of January, March, May, July and September. WINNEBAGO COUNTY TOTAL	171,730	172,943

Approximately 137,953 of the estimated population for Winnebago County are of voting age. The County's voting age population is the summation of the voting age population for all communities within the county. This approximation is a courtesy estimate which helps you comply with Wisconsin Statute 5.66, which requires municipal clerks to approximate the number of electors prior to elections. The voting age population was calculated by applying the census proportion of persons over 18 to the preliminary January 1 estimate, and then multiplying the result by a state-wide factor to account for the general aging of the population.
