RESOLUTION NO. 056-082020:

Authorize the Winnebago County Clerk to Publish a Notice of Referendum Regarding the Legalization and Decriminalization of Cannabis in the State of Wisconsin

WHEREAS, criminalizing cannabis use has failed to curb its use, and more than 100 million Americans say they have used cannabis; and

WHEREAS, in a 2016 poll, 59 percent of Wisconsinites said that marijuana should be “fully legalized and regulated like alcohol,” and recent polls show a majority of Americans favor legalization of adult recreational use of marijuana; and

WHEREAS, according to a 2019 report of a non-partisan organization, the Prison Policy Institute, “Drug offenses still account for the incarceration of almost half a million people, and nonviolent drug convictions remain a defining feature of the federal prison system”; and

WHEREAS, in 2016, Federal Bureau of Investigation (FBI) data indicated that annually in Wisconsin 15,000 people are arrested for marijuana offenses; and

WHEREAS, the cost of incarcerations, including probation revocations, in Winnebago County is \$60 per day; and

WHEREAS, in 2016 a University of Wisconsin-Madison study concluded that it costs taxpayers \$439 for each marijuana arrest, meaning that the annual cost to arrest individuals for marijuana offenses is \$6.5 Million per year; and

WHEREAS, according to a 2015 report from the Vera Institute of Justice, the average cost per incarcerated persons in Wisconsin State Prisons annually is \$38,644, with marijuana compounding to other sentences; and

WHEREAS, marijuana offenses are still considered subject to felony conviction in the State of Wisconsin; and
WHEREAS, according to the Vera Institute of Justice using data from the Wisconsin Department of Corrections (DOC), the average cost of incarcerating first-time marijuana offenses is \$19,000 for a six-month sentence; and

WHEREAS, according to a 2019 report by the analytics company, New Frontier, “the impact of federally legal marijuana suggest that nationwide legalization could generate 1.1 million jobs by 2025,” and additional labor income will further economic growth almost immediately; and

WHEREAS, the Wisconsin State Legislature has failed to act on legislation to legalize and regulate cannabis and has not allowed hearings on such legislation; and

WHEREAS, legalizing and taxing cannabis could significantly increase state and local revenues; and

WHEREAS, an estimate of Congressional Research Service suggests that replacing cannabis prohibition with a system of taxation and regulation could yield \$6.8 billion in federal excise taxes alone; and

WHEREAS, Alaska, California, Colorado, Main, Massachusetts, Nevada, Oregon, and Washington have legalized adult personal use of marijuana and regulate the production, distribution, and sale of cannabis, while Vermont and the District of Columbia have legalized limited personal possession and cultivation of cannabis by adults; and

WHEREAS, the amount of time law enforcement spends enforcing existing cannabis laws and ordinances negatively impacts the time available to solve more serious crimes and apprehend more dangerous criminals; and

WHEREAS, cannabis prohibition makes product quality control and sales regulation impossible, leaving cannabis sellers free to target children as potential customers and to peddle potentially adulterated products; and

WHEREAS, according to the National Center for Biotechnology Information, studies have shown that THC from cannabis alleviates heroin and opioid addiction, thereby assisting in ending the opioid crises; and

WHEREAS, our current elected Governor recognizes the medical benefits of legal marijuana.

NOW, THEREFORE, BE IT RESOLVED by the Winnebago County Board of Supervisors that it hereby authorizes Winnebago County to conduct a countywide advisory referendum to appear on ballots during the November 2020 general election.

BE IT FURTHER RESOLVED by the Winnebago County Board of Supervisors that a concise statement of the question be given and shall read as follows:

(Please select one of the alternatives below or your vote will be invalid)

- (a) *Be legal for recreational use for adults 21 years of age and older, and legal for medical use, taxes and regulated similar to alcohol.*

- (c) *Remain a criminally illegal drug as provided under current law.*
- (d) *None of the above.*

BE IT FURTHER RESOLVED by the Winnebago County Board of Supervisors that it hereby directs the Winnebago County Corporation Counsel to prepare a Notice of Referendum to be published by the Winnebago County Clerk in accordance with statutory requirements.

BE IT FURTHER RESOLVED by the Winnebago County Board of Supervisors that this Resolution and the Referendum shall be filed with the Winnebago County Clerk no later than 70 days prior to the election at which the question will appear on the ballot.

RESOLUTION NO. 069-082020: Support the Commitment to Veteran's Support and Outreach (CVSO) Act

WHEREAS, the number of veteran suicides has continued to rise nationwide. Approximately 14 out of 20 veterans who die by suicide are not under Department of Veterans Affairs (VA) care. This is a public health crisis that requires a national approach where the veterans are located; and

WHEREAS, County Veterans Service Officers (CVSOs) are often the first point of contact in the community for veterans' services, and they provide assistance on a wide range of benefits including service-connected benefits, enrollment in VA health care, VA home loans, education benefits, and available job placement assistance; and

WHEREAS, veterans are not always aware of available benefits, and CVSOs are often the first to inform veterans of their eligibility. CVSOs are county employees who are nationally accredited by the VA to prepare, present and prosecute VA claims. Currently, there is no federal funding available for CVSOs; and

WHEREAS, there is currently pending in Congress legislation known as the "Commitment to Veteran Support and Outreach Act (CVSO Act)" that authorizes the Secretary of Veterans Affairs to enter into contracts with states or to award grants to states to promote health and wellness, prevent suicide, and improve outreach to veterans. The CVSO Act will authorize \$50 million annually for five (5) years to expand and support CVSOs or similar entities who currently assist veterans in obtaining over \$50 billion in benefits annually.

NOW, THEREFORE, BE IT RESOLVED by the Winnebago County Board of Supervisors that it hereby support pending legislation in the United State Congress known as the "Commitment to Veteran Support and Outreach Act (CVSO Act) that authorizes the Secretary of Veterans Affairs to enter into contracts with states or to award grants to states to promote health and wellness, prevent suicide, and improve outreach to veterans.

BE IT FURTHER RESOLVED by the Winnebago County Board of Supervisors that it hereby directs the Winnebago County Clerk to forward copies of this Resolution to all Wisconsin counties, the Winnebago County Veterans

Services Officer, the State of Wisconsin Department of Veterans' Affairs, the National Association of Counties (NaCo), and the National Association of County Veterans Service Officers (NACVSO).

RESOLUTION NO. 070-082020: Support Pending Legislation to Amend Hearing Timelines for Juveniles Taken into Custody (Chapter 938, Wis. Stats.) to Coincide with Hearing Timelines for Children in Need of Protection or Services (CHIPS) Taken into Custody (Chapter 48, Wis. Stats.) so that a Day in Which the Clerk of Circuit Court's Office is Closed Does Not Count Toward the Computation of the Chapter 938 Detention Hearing Timeline

WHEREAS, in Children in Need of Protection or Services (CHIPS) proceedings pursuant to Chapter 48, Wis. Stats. (The Children's Code), when a child is taken into custody and not immediately released to a parent, guardian, or legal custodian, the judge or circuit court commissioner in the county where the child is being held must hold a detention hearing within 48 hours of the time in which the decision to hold the child was made (excluding Saturdays, Sundays, and legal holidays); and

WHEREAS, in similar actions involving Juvenile Justice proceedings pursuant to Chapter 938, Wis. Stats. (The Juvenile Justice Code), when a juvenile is taken into custody and held by a county, the circuit court must hold a detention hearing within 24 hours after the end of the day on which the decision to hold the juvenile was made (excluding Saturdays, Sundays, and legal holidays); and

WHEREAS, as a result of the discrepancy in the timelines between the Chapter 48 and Chapter 938 proceedings, in Chapter 938 cases county circuit court judges, commissioners, juvenile intake workers, and other courthouse staff need to be prepared to conduct hearings in circumstances in which the county courthouse may otherwise be closed, such as the Friday after Thanksgiving, extreme weather days, etc. Failing to meet the statutory deadlines places the county at risk of losing jurisdiction over the pending matter. Additionally, concerns may arise regarding transportation of juveniles and children on non-work days in order to accommodate hearings.

NOW, THEREFORE, BE IT RESOLVED by the Winnebago County Board of Supervisors that it hereby supports legislation that would align the statutes that compute the detention hearing timelines for Children in Need of Protection or Services (CHIPS) proceedings under Chapter 48 and juvenile delinquency proceedings under Chapter 938 by specifying that a day in which the Clerk of Circuit Courts Office is closed does not count toward the computation of the detention hearing timeline under Chapter 938. This will ensure county governments are in a better position to save limited resources and protect the safety of their employees and the public.

BE IT FURTHER RESOLVED by the Winnebago County Board of Supervisors that it hereby directs the Winnebago County Clerk to forward a copy of this Resolution to all Wisconsin Counties, the Wisconsin Counties Association, and all state senators and assembly members representing Winnebago County constituents.

RESOLUTION NO. 073-082020: Amending the Winnebago County Merit Pay Plan

WHEREAS, the Winnebago County Merit Pay Plan was originally adopted in 2015, and generally provides that employee pay increases are to be based on a combination of employee performance evaluations and where the employee's pay falls within the pay grade for the employee's position; and

WHEREAS, experience with the Merit Pay Plan has shown that the time lines may be changed, so that the performance evaluation period can run from September 1 of the previous year through August 31 of the current year, rather than August 1 through July 31; and

WHEREAS, changing the time line for performance evaluations will also help allow merit pay raises to be given to new employees hired on or before July 1 of the current year, instead of May 1, which will be an improvement when recruiting new employees; and

WHEREAS, the current Merit Pay Plan is overly specific about the evaluation levels that must be used, and allowing management some flexibility to create different rating levels will help respond to some department managers' concerns by updating plan details, while maintaining the essential elements of the plan.

NOW, THEREFORE, BE IT RESOLVED by the Winnebago County Board of Supervisors that it hereby amends the Winnebago County Merit Pay Plan as indicated on the attached document, effective immediately.

Randy,

I would concur with the township on this one. Each new lot needs to meet the density requirement of two acres. Per my voice message, if you are going to have more than one residence on a lot you can apply your rationale, but once you create new parcels you need to meet the density standard.

Sec. 10-608. Special uses of AOD2, airport overlay district zone 2 are as follows:

(1)Residential, provided it is the principal premises of a farm operation which exceeds 35 acres or if it is within zone 2B at a density of not more than one unit per two acres of land and occupying not more than 50 percent of the lot area.

For what it's worth, we apply the same standard in our zoning code. More than one residence can be located on a lot, but the structures need to be located in a fashion that they could be split and meet the frontage, setback standards. I hope this helps. Give me a call with any questions and have a great day.

Hello,

The Town of Clayton is going to table our CSM tonight because Lot 2 is under 2 acres. I think the requirement is "1 unit per two acres."

Our map will have two units per 5.42 acres (Lots 1 & 2 combined acreage).

Am I interpreting this wrong?

7 **TO THE WINNEBAGO COUNTY BOARD OF SUPERVISORS:**

8 **WHEREAS**, the County Board of Supervisors of Winnebago County, Wisconsin (the "County") hereby finds
9 and determines that it is necessary, desirable, and in the best interest of the County to raise funds for the purpose of

34 such years and in such amounts as are sufficient to pay when due the principal and interest on the Notes.

35 Section 3. Official Statement. The County Clerk shall cause an Official Statement concerning this issue to be
36 prepared by Baird. The appropriate County officials shall determine when the Official Statement is final for purposes
37 of Securities and Exchange Commission Rule 15c2-12 and shall certify said Statement, such certification to
