RESOLUTION: Amend the Table of  
Organization for Winnebago  
County Public Health  
Department

**TO THE WINNEBAGO COUNTY BOARD OF SUPERVISORS:**

**WHEREAS**, the current Table of Organization for the Winnebago County Public Health Department identifies six (6) full-time (100%) Public Health Nurse positions; and

**WHEREAS**, the client population needs served by these positions have changed requiring greater flexibility in scheduling to the point of splitting one full-time (100%) position into two (2) half-time (50%) positions to allow the Public Health Department to meet current client needs; and

**WHEREAS**, the Director of Public Health desires to make this change to a currently vacant full-time (100%) Public Health Nurse position in order to better serve the needs of the clients of the Winnebago County Public Health Department in Winnebago County;

**NOW, THEREFORE, BE IT RESOLVED**, by the Winnebago County Board of Supervisors, that the Table of Organization for the Winnebago County Public Health Department is amended to change one (1) full-time (100%) Public Health Nurse position to be two (2) half-time (50%) Public Health Nurse positions. The position description is attached hereto and is made a part of this resolution by reference.
