The Winnebago County Diversity Affairs Commission (DAC) invites you to join us!

The DAC Speaker Series is an opportunity for you to meet diverse community members who are living and working in our community and to increase your understanding of how we as individuals and a community can do better in building inclusive environments. The DAC invites various speakers to share their perspectives and experiences. We respect that everyone has their own opinions. Our goal is supportive learning opportunities. Speakers tell their stories, share historical perspectives and provide the audience with ideas for doing their own learning and work.

UNDERSTANDING THE LGBTQIA+ ALPHABET SOUP

Have you always wondered what the difference between bisexual and pansexual is, what asexuality actually is, the difference between sex and gender, or what it means to be transgender or nonbinary? This workshop will answer your questions, help you navigate through pronouns, and provide you with the knowledge you need to successfully ally with the LGBTQIA+ community.

Dr. Liz Cannon is the Director of the UW Oshkosh LGBTQ+ Resource Center and a senior lecturer in Women's and Gender Studies.

Zayn Croft serves as the assistant director of the LGBTQ+ Resource Center and the Coordinator of Racially and Ethnically Minoritized LGBTQ+ Students.

Our Mission: "Winnebago County's Diversity Affairs Commission embraces diversity, inclusion, and belonging by bringing the community together to listen to one another, learn together, and encourage our community to act in ways that help people thrive. We support justice, equity and compassion in human relations. We affirm the inherent worth and dignity of every person."
