We have the graduation ceremony at 10am, with a reception afterwards at Orrin King. It will again be in person, with Zoom option offered as well. We hope you can attend either in person or virtually.

We have been consistently holding quarterly team meetings as well to ensure we are operating within the best practices standards and update or revise our materials as needed. Lastly, the Drug Court team is attending the annual WATCP Conference at the Kalahari in the Dells in a couple of weeks. The team looks forward to this training every year so we are excited!

Judge Keberlein – Drug Court Team is always looking for ways to improve program. Next scheduled Drug Court meeting is on 05-23-24 at 9:00 am before the graduation.

Experiences provided by participants:

"All the recovery coaches I met are well trained and always help. They are there to listen to help get me through my struggles and help come up with goals. Makes me feel not so alone, shows you guys care and have been there through the same experiences as me. Thank you for the help!"

"Jesse was an amazing recovery coach. I was extremely inspired by his story of how much we had in common and seeing how far he came. Showed me I could do it. Plus he graduated Drug Court successfully and I'm in the beginning of drug court so he explained how to successfully completed the program. He had amazing advice."

"The jail outreach is an amazing program. I've never seen, nor heard of anything like this before. Solutions was not only there for me in the jail, but also picked me up when I was released. That saved me from yet another definite relapse. I've been out for a month and a half now. Life hasn't been easy by any means, taking responsibility for my actions during my last relapse. Solutions has exceeded all expectations and they have been there for support since my first phone call form such a dark moment in my life. I couldn't possibly be more grateful."
