Old Business:

Jeff gave the following office updates:

- NACo Operation Green Light was discussed. The initiative was passed with no issues, and our County is in the process of getting green lights on every County Building.
- Governor Evers announced a \$10 Million Investment to support Veteran Employment, Housing Assistance, Mental Health Services. More to follow on this when we have a better understanding on how it will impact Winnebago County.
- Jeff presented our budget to the Judiciary and Public Safety Committee last week.
- Our CVSO Fall Conference is this month (10/17-10/21). Lydia, Jon, Shane and Teresa will be in attendance. Kevin will keep the Neenah office running, while Jeff and Sue will be available at the Oshkosh Office.

- ARPA Funds and how that will impact the veteran population within Winnebago County was briefly discussed. We are hopeful for a Transitional Facility for our veteran population.

New Business:

- Tom Snider informed us that the CVSO Act was passed out of committee and has been read twice on the floor. We are hopeful for some more movement on that in the near future.
