Supervisor Bryan Stafford asked about the impact to voting wards. Jerry Bougie responded that municipalities will create new wards based on whatever district map is chosen. MaryAnne gave an update on the 980 offenders. MaryAnne stated they found housing 6 weeks prior to a new 980 offender being released. The Supervisor Release planned was delaying due to concerns they have on housing based on the needs of the offender. The clock will start over if the housing option is shot down based on the needs of the offender.

MaryAnne stated per Human Services, the housing option available based on the disability of the offender may not be an option for this particular offender. Other plan deadlines may have to be pushed forward as this offender can't be housed with other offenders. Another option would be to look at possibly having another trailer placed on the property of the existing trailer.

13. Consideration (Vote): Budget Transfer: Transfer excess capital funds from Patrol to Detective for the purchase of four (4) Video Processing Units/Accessories/Installation – Sheriff John Matz
