**9. Sheriff's Report**

Detective Sleeter participated in a Tactical and Marksmanship Challenge and took 1<sup>st</sup> place. The reward is \$10,000 to the Department. Paul Eisen suggested that a congratulation letter get typed up and presented by the Chairman during a County Board Meeting.

Sheriff Matz talked about ES Sanction Inmates. The Jail houses ES Sanction Inmates and the State reimburses them for it. However, because the Jail population keeps rising, they have to reduce the number of ES Sanction Inmates in the Jail. Therefore, the reimbursements will be less.

Sheriff Matz also talked about the budget for fuel. We budgeted for fuel at \$2.25/gallon but it is \$2.75/gallon. That also affects the propane costs. Sheriff Matz said the budget will be very close – he may need to move things around to make up for the fuel increases.

**10. Consideration (Vote): Discussion of the Stepping Up Initiative**

Mike Norton spoke of the Stepping Up Initiative. All that was presented was a template.

Paul Eisen stated that he introduced this to the Safe Streets back in 2016 and a sub-committee was formed to decide if we need this. At the time, the sub-committee consisted of many agencies, including: the Jail Administrator, Paul Eisen, a Court Commissioner, someone from Human Services, someone from the District Attorney's Office and someone from the Public Defender's Office. The sub-committee reported back that no one has the personnel to adopt and monitor this program.

Sheriff Matz questioned what staff would do this? He further stated that we do some of this already with our Jail Re-entry staff member.

There was a lot of discussion that Winnebago County already has many alternatives to incarceration. Mr. Norton first needs to identify the problem in Winnebago County and see if we are already addressing the issues of the initiative.

Judge Seifert stated that a sub-committee was recently formed to see if they should start a mental health court. They are waiting for the results to see if the numbers would warrant it.

A motion was made by Larry Smith to dismiss this until more facts are available, seconded by Tom Ellis. Carried 3-1.

Chairman Bill Wingren asked Mike Norton to email him a name and number/email so he could gather some more information.
