Due to recent at	mendments to th	ne law, Winne	ebago County Is	statutorily obligated to identify an appropriate	residential hou aphical restriction	sing option for
Winnebago County residents who are subject to supervised release. The new law imposes significant geographical restrictions on where such housing can be located. All attempts to locate independent appropriate housing given the laws strict parameters were unsuccessful.						
To avoid a fine of up to \$1100.00 per day to be assessed against. Winnebago County, the statutorily created task force, located a parcel						
that met all the legal criteria. The land is owned by Winnebago County and accordingly Winnebago County will become the landlord. The State will pay Winnebago County rent for providing this residential option. This budget request covers the cost of a manufactured housing						
unit and various utility hookups, for the identified parcel. To Como GILT UNCESIGNOUSED
