5 **Undesignated General Fund Balance**

6

7

8 **TO THE WINNEBAGO COUNTY BOARD OF SUPERVISORS:**

9 **WHEREAS**, the Emergency Management Mobile Command Post (MCP) is a vital part of emergency  
10 response in Winnebago County. The MCP serves as a self-contained Incident Command Post and provides  
11 communication capabilities to first responders during natural disasters, SWAT response, hostage negotiations, pre-  
12 planned events, and general emergencies requiring a large response; and

13 **WHEREAS**, the existing MCP is beyond its end of life and has become unstable and unreliable; and

14 **WHEREAS**, the proposed vehicle will be constructed with a new frame, chassis, suspension, and braking  
15 system, as well as safety features and technology updates that were not available 23 years ago.

16 **WHEREAS**, this vehicle is very valuable in helping emergency response teams provide for better ability to  
17 manage and respond to incidents, provide accountability, and assist with mitigation and recovery post incidents.

18 **NOW, THEREFORE, BE IT RESOLVED** by the Winnebago County Board of Supervisors that it hereby  
19 authorizes the Winnebago County Emergency Management Department to purchase a new Mobile Command Post  
20 for \$450,000, to be funded by the Undesignated General Fund balance.

21

22 **Fiscal Impact:** This will decrease the Winnebago County Undesignated General Fund Balance by \$450,000.
