2 **RESOLUTION: Approving Contract for Operation of Three Waves Health Clinic by**
3 **Premise Health Employer Solutions, L.L.C.**

5
6 **TO THE WINNEBAGO COUNTY BOARD OF SUPERVISORS:**

7 **WHEREAS**, since February 2015, in partnership with the Oshkosh Area School District and the City of
8 Oshkosh, Winnebago County has sponsored an employee health and wellness clinic known as the Three Waves
9 Health Clinic and Wellness Center. The Center provides health services to members of Winnebago County's health
10 plan; and

11 **WHEREAS**, the Three Waves clinic has been operated on our behalf, first by Interra Health, Inc., and then
12 by its successor corporation, Healics Health Professionals, Inc. Over the past six years, the clinic has proven to
13 provide improved health care options and outcomes for employees and dependents while reducing total health care
14 claim costs for the County; and

15 **WHEREAS**, the current contract with Healics Health Professionals, Inc. expires at the end of 2021, and as a
16 result in 2021 the three partner entities have jointly conducted a request for proposals process for continued
17 operation of the Three Waves Health Clinic and Wellness Center, and have selected Premise Health Employer
18 Solutions, L.L.C. as the new operator of the clinic; and

19 **WHEREAS**, as a national provider of over 800 employer-sponsored health clinics, Premise will be able to
20 bring new resources to the Three Waves clinic and improve services available to members of our health plan,
21 including a full-time physician at the clinic, a full-time RN manager, occupational health services, telehealth options,
22 support through Premise's partnership with the Mayo Clinic, and a sophisticated chronic disease management
23 program; and

24 **WHEREAS**, the proposed agreement with Premise Health Employer Solutions, L.L.C. is for an initial period
25 of three years, with two one-year options to renew; and

26 **WHEREAS**, the actual cost to the County under this agreement will depend on a number of factors, including
27 the services provided at the clinic and usage of the clinic by County health plan members, but the average County
28 cost is estimated to be in the range of \$650,000 to \$750,000 per year. Since these costs are included in the budget
29 for the self-insured health plan fund, and are expected to reduce overall claims expense by a greater amount than
30 the clinic costs, no budget transfer is necessary;

31
32 **NOW, THEREFORE, BE IT RESOLVED** by the Winnebago County Board of Supervisors that it hereby
33 authorizes the Winnebago County Executive and the Winnebago County Clerk to execute an agreement with
34 Premise Health Employer Solutions, L.L.C. in form substantially similar to the attached document.
