**To:** Barthels, Julie A <JABarthels@winnebagoctywi.gov>  
**Subject:** Auto accident claim

The accident occurred on February 16th at 4:15pm in the Winnebago County Courthouse parking lot.

I have attached two repair estimates for the property damage sustained.

  
Erin Metcher

On February 16<sup>th</sup> 2023 I had a 3:00pm mediation appointment at the Winnebago County Courthouse.

At 4:15pm I was leaving the parking lot when I heard my vehicle hit something. I could not see anything in my way and proceeded to pull out of the parking stall. It was snowing.

Whatever I had hit was still pressing against my car and continued to damage the passenger side as I drove.

I put my car in park, got out and saw it was the visitor parking post. It was not visible except for where the snow was gone from my car hitting it. I could see the yellow paint transfer on my car.

The vehicle sensor didn't register the post nor could I see it as it was completely covered in snow.

It should have been clear of debris and visible during business operating hours.
