Dear Mr. Long:

This letter is in response to your phone message inquiring about your March 16, 2021, "Notice of Change of Address" letter.

When I wrote you on August 11, 2021, I explained that this letter was delivered to the Winnebago County Clerk of Courts Office on March 16, 2021. I didn't receive it from them until July 15, 2021.

When I received it on July 15, 2021, I read, "Notice of Unlawful Retaliatory Actions by WCJ Administrators" and inadvertently missed your note, "This is another 'Notice of Claim' pursuant to Wis. Stats. Sec. 893.80", that you had written below, "Notice of Unlawful Retaliatory.....".

In the letter, you asked that it be forwarded to the Winnebago County Corporation Counsel's Office, which I did on or about July 15, 2021.

According to Sec. 893.80 (1d)(a), "Within 120 days after the happening of the event giving rise to the claim, written notice of the circumstances of the claim signed by the party, agent or attorney is served on the volunteer fire company, political corporation, governmental subdivision..." According to your claim, the alleged retaliation occurred on March 10, 2021, so when I received it on July 15, 2021, it was outside the 120 days as required in Sec. 893.80(1d)(a), Wis. Stats.

However, because of the delay in me receiving your claim and my inadvertently missing your "claim" note, I will present your claim for \$50,000 to the Winnebago County Board of Supervisors on November 1, 2021 and refer it to the Winnebago County Personnel & Finance Committee for review and action.

If you believe that this office has refused or delayed providing you with any information requested in violation of State law, you may bring an action for mandamus pursuant to Sec. 19.37 (1), Stats., or you may request the Attorney General or the Winnebago County District Attorney to do so on your behalf.

Sincerely,

  
Susan T. Ertmer  
Winnebago County Clerk

Dear Mr. Long

Per our telephone conversation on Monday, August 9, I am responding to you about the two documents that were accidentally sent by you to the Winnebago County Clerk of Courts Office in March, 2021. On July 15, 2021, the Clerk of Courts Office forwarded those two documents that to me. Those two documents are:

1. Notice of Unlawful Retaliatory Actions by WCJ Administrators, dated March 12, 2021
2. Notice of Claim for Damages (amount of \$3.32) for theft of personal property by Deputy Krokstrom in the Winnebago County Jail

Document No. 1 (Notice of Unlawful Retaliatory...) has been forwarded to Mary Anne Mueller, Winnebago County Corporation Counsel, as you requested in that letter.

Document No. 2 (Notice of Claim for Damages...\$3.32), which you resent to me on April 29, 2021, was presented to and denied by the Winnebago County Board at their July 20, 2021 meeting.

If you believe that this office has refused or delayed providing you with any information requested in violation of State law, you may bring an action for mandamus pursuant to Sec. 19.37 (1), Stats., or you may request the Attorney General or the Winnebago County District Attorney to do so on your behalf.

Sincerely,

WINNEBAGO COUNTY  
CLERKS OFFICE  
WINNEBAGO, WI

For Winnebago County, I want to report that the Winnebago County Administrators, <sup>Sheriff John Matz</sup> Captain Christie, Lt. Rozek, and Lt. Lichtensteiger have made matters worse for themselves by violating my constitutional and statutory rights by retaliating against me for pursuing a civil lawsuit against them pursuant Wis. Stat. § 893.80.

My extended supervision ("ES") was revoked by the DHA Administrator, Brian Hayes, on Feb. 3, 2021. That is the date on my Revocation Order and Warrant signed by him. Due to Covid-19, the WCT has a waiting list for inmates sentenced to prison to be transferred to DCI. There are over 40 WCT inmates on the prison transfer waiting list AHEAD of me. I know lots of inmates that have been on the waiting list since Oct, Nov, Dec. 2020. My name wasn't added to the bottom of that list until Feb. 3, 2021. I was moved ahead of all 40 inmates and transferred on Mar. 10<sup>th</sup>. There is well established federal case law that states that retaliatory transfers violate an inmate's civil rights. I have a First Amendment right to file grievances and pursue civil lawsuits against jail and prison staff members and administrators, without fear of reprisal or retaliation. I am claiming another \$50,000 for violating my said rights. Sincerely,  
*Peter J. Long*

THANK YOU FOR MAKING ME AWARE THAT DEPUTY KROKSTROM IS DOING A  
GREAT JOB. IT IS NOT OFTEN WE GET THIS FEEDBACK. INMATES ARE NOT  
ALLOWED TO KEEP ITEMS ORDERED FROM HOT FOOD MENUS. THIS ISSUE  
IS NOT GRIEVABLE. SGT DURRANT W134

my locker by dumping everything out disrespectfully. She only searched my bunk in retaliation for presenting her with my medical request. This behavior is unprofessional and unlawful. Deputies violate the 8<sup>th</sup> Amendment of the U.S. Constitution when they harass, retaliate, target, an inmate for their medical needs and/or request.

Deputy Krokstrom unlawfully stole 3 small containers of hot sauce and 1 container of BBQ sauce from my locker which I purchased this past weekend from Aramark. They are \$1.79 each + tax. (Total \$3.12). I have been purchasing 3 to 5 hot sauces and 1 to 2 BBQ sauces and .5 KEN'S Ranch dressings and 10 Ketchup packets EVERY weekend since 8-20-20 and this is the first time that I ever had a Pod Deputy take them from my locker. Nowhere does it state that condiments must be eaten the same day they are purchased, like Deputy Krokstrom meritlessly claimed. She stole my personal property and I want to press charges and file a grievance against her. Witnesses: Chad Meske  
Dennis Strong  
Deputy Arent

b. Just before noon, Deputy Arent, came on DSI to relieve Deputy Krokstrom. I showed him what Krokstrom vindictively did to my locker. I asked Arent if Krokstrom logged my retaliatory, vindictive, bunk search <sup>in the computer</sup>. He lied to me and told me yes. I walked away but Chad Meske remained behind at the officer station. He saw and overheard Arent call Krokstrom on the telephone and remind her to log my bunk search. She told him to do it. So, now you have Deputy Arent making computer entries on the DSI computer logged into by only Deputy Krokstrom. That is fraud and unlawful. Chad Meske told me about his observations, I confronted Deputy Arent and asked him why he would LIE about my bunk search being logged when Krokstrom did NOT log it. Was it because it was an illegal retaliatory search in which she stole some of my sauces? I told him he committed fraud and has no integrity.

Both unprofessional deputies threatened to remove me from DSI + their unlawful fraudulent conduct.
