8 **TO THE WINNEBAGO COUNTY BOARD OF SUPERVISORS:**

9 **WHEREAS**, the new Park View Health Center building plans did not include space for a garage,  
10 necessitating vehicles to remain outside and exposed to elements; and

11 **WHEREAS**, there is currently no designated training space; a dedicated training space for new employee  
12 orientations, current employee trainings, and skill reviews would be beneficial and allow the facility to institute its own  
13 state-approved CNA certification program; and

14 **WHEREAS**, storage space was reduced in the new Park View Health Center building plans, and there are  
15 materials and supplies that cannot be stored in the basement storage room due to space constraints; and

16 **WHEREAS**, a new ancillary building would provide a training facility, garage, and storage space on the Park  
17 View Health Center grounds.

18

19 **NOW, THEREFORE, BE IT RESOLVED** by the Winnebago County Board of Supervisors that it hereby  
20 authorizes the design phase of a capital project for Park View Health Center’s new ancillary building to serve as a  
21 garage, storage space, and training facility at a cost of \$50,000, funded by transfer of \$50,000 from Park View Health  
22 Center’s Unrestricted Fund balance.

23 **Fiscal Impact:** This will decrease Park View Health Center’s Unrestricted Fund balance by \$50,000.
