

# Family Care Partnership expansion into Winnebago County

- Began on January 1<sup>st</sup>, 2023 as another option to Family Care/IRIS eligible residents.
- MyChoice Partnership is the provider of this benefit in our county presently.
  - MyChoice Partnership is now available In 12 counties and has over 1533 members.

# What is Family Care Partnership?

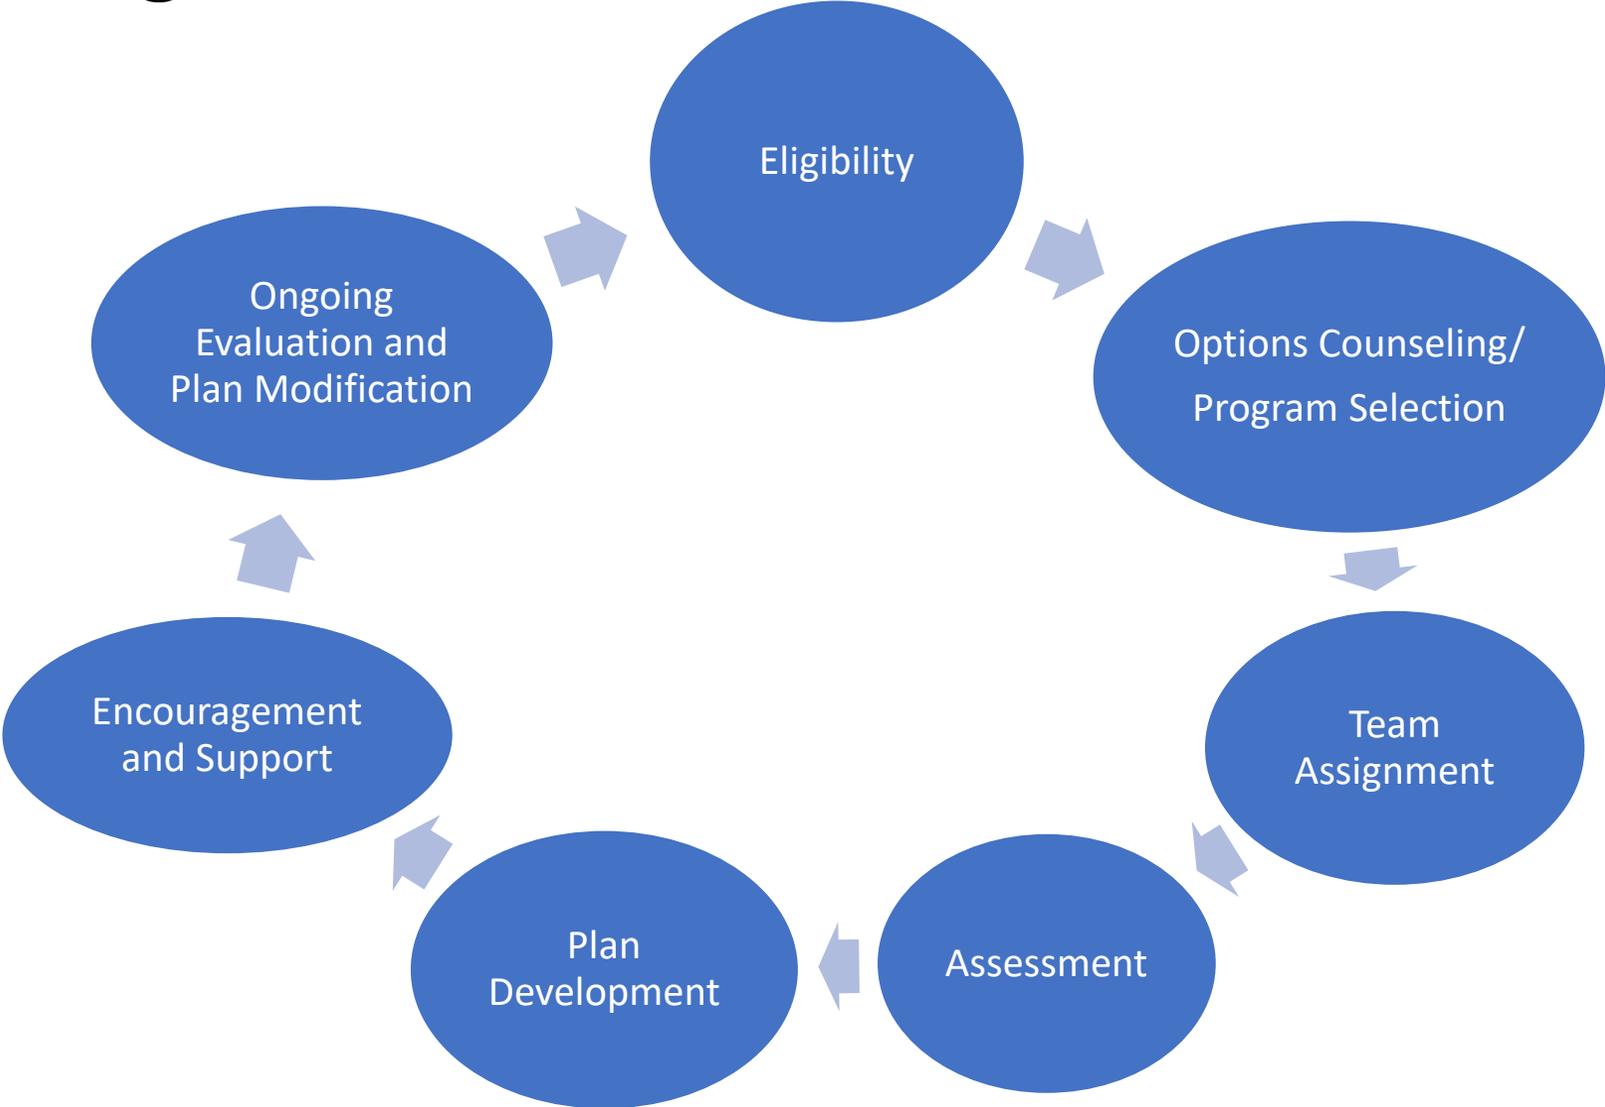

- Family Care Partnership is an integrated model that combines:
  - long-term care services (Medicaid)
  - with acute and primary care (Medicare),
  - with Pharmacy coverage (Medicare Part D) to provide seamless care coordination of services to members.

# Care Team Makeup

- Creates and regularly modifies a person-centered plan of care tailored to the needs and goals of each member.
- Supports health management goals and long-term care outcomes so members can enjoy optimal health and independence.
- Coordinates all covered health services and assists with transitions of care.
