				sidewalk on Appleton Road in Menasha. As you may already know,																		
				Appleton Road is a County Road - and the project has never been done.																		
				The last time a sidewalk was considered was in 1999 - and at the time, Fox Crossing did not exist. The residents of Fox Crossing and Menasha account																		
				for 18% of all Winnebago County residents. Below are my top 4 priorities:																		
				1) This is a public safety issue. Please consider the following County Roads
