Updates:

We have a scheduled commencement ceremony for May 4th at 10am (Branch 5 on the 3<sup>rd</sup> floor) for 4 more graduates. It will again be in person, with a Zoom option offered as well. We hope you can attend!

We are speaking for summer school on two different dates, scheduled for June and July. We also had 2 of our graduates speak at two different rotary meetings in the area, which went over very well.

We have been consistently holding quarterly team meetings as well to ensure we are operating within the best practices standards and update or revise our materials as needed. The team is requesting clarification on the Safe Streets committee's involvement in the finalizing of any changes made during those meetings. DA Sparr will discuss this further in a few minutes.

The majority of the Drug Court team is attending the annual WATCP conference next week in the Dells. It's always good to ensure we are continuing within the scope of best practices. We also have two of our graduates speaking on the graduate panel at this event – Megan and Andrew Edwards, who are both involved in Solutions Recovery Club!
