

SSTOP pie charts were created to display the following:

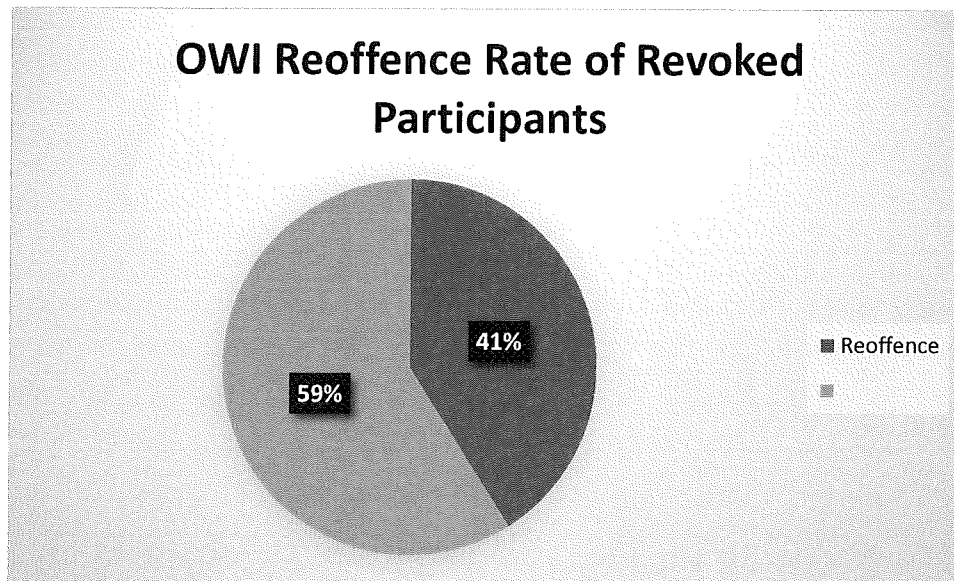

- Percentage of SSTOP participants who reoffended with an OWI charge
- Percentage of successful SSTOP participants who reoffended with an OWI charge
- Percentage of revoked SSTOP participants who reoffended with an OWI charge

22% of SSTOP participants have reoffended with new OWI charge

16% of successful SSTOP participants have reoffended with an OWI charge

41% of revoked SSTOP participants have reoffended with an OWI charge
