Supervisor Defferding attended a dinner with the EXPO group where community leaders met and discussed things that could be improved in Winnebago County.

6. **NACo National Conference Update by Supervisor Defferding**

Supervisor Defferding discussed the Wisconsin Counties Association presentation and webinar regarding committee structure rightsizing that was presented in December of 2021. The presentation can be viewed on the Wisconsin Counties Association website. 8. **Status Update on the Office of Corporation Counsel – Mary Anne Mueller**

Mary Anne Mueller gave an update on the Corporation Counsel office. She stated the office handled 8 jury trials since January of 2022 and 2 court trials. Some of the other areas the Corporation Counsels office handles are Chapter 51 mental health commitments, easements with the WIOUWASH Trail, updating the General Code for Winnebago County, Civil Forfeitures, Assisting DA's office with release of records in criminal cases & Protective Placement cases. She then discussed the Friends of Frame Park vs City of Waukesha case with the committee.

9. **Sheriff's Report**

Chief Deputy Christopherson discussed the jail count of 218.

Chief Deputy Christopherson discussed EAA and handed out an after-action review.

Chief Deputy Christopherson discussed the budget review with the county executive. The Sheriff's Office will present the budget to the committee in September.

10. **Consideration/Vote: Resolution – "Authorize the Sheriff's Office to accept a reimbursement grant of up to \$150,000 for Medication-Assisted Treatment Program from the Wisconsin Department of Justice Division of Law Enforcement Services, Comprehensive Opioid, Stimulant and Substance Abuse site-based program". – Sheriff John Matz**

Chief Deputy Christopherson discussed in order to optimize the operational period, the grant was moved to personal and finance committee first and then to the judiciary committee. There was a recommended change to line 3 of the resolution to remove the words "up to". This grant money is part of the comprehensive recovery act. Chief stated this is a voluntary program for those who wish to participate to fight their addiction and is a site-based program. The Health Services Unit within the jail would have to go through a training to administer the drug but that training is included with the grant.

A motion to "Authorize the Sheriff's Office to accept a reimbursement grant of up to \$150,000 for Medication-Assisted Treatment Program from the Wisconsin Department of Justice Division of Law Enforcement Services, Comprehensive Opioid, Stimulant and Substance Abuse site-based program" was made by Supervisor Floam, seconded by Supervisor Defferding.

A motion to approve the amendment to the resolution to take out the wording "up to" in line 3 and line 22 was made by Supervisor Floam, seconded by Supervisor Defferding. Carried 5-0.

A motion to approve the amended resolution to "Authorize the Sheriff's Office to accept a reimbursement grant of \$150,000 for Medication-Assisted Treatment Program from the Wisconsin Department of Justice Division of Law Enforcement Services, Comprehensive Opioid, Stimulant and Substance Abuse site-based program" was made by Supervisor Eisen, seconded by Supervisor Defferding. Carried 5-0.

**11. Consideration/Vote: Ordinance – "Amend Winnebago County General Code Section 1.12 (10) to provide per diem payment and expense reimbursements to non-supervisors who serve on the ARPA Commission and the Diversity Affairs Commission".**

A motion to discuss the amendment to Winnebago County General Code Section 1.12 (10) to provide per diem payment and expense reimbursements to non-supervisors who serve on the ARPA Commission and the Diversity Affairs Commission was made by Chairman Stafford, seconded by Supervisor Defferding.

Supervisor Eisen stated it is incomplete and he agrees with the need to identify it but after examining the general code commissions and committees, there are dozens of citizen members receiving per diem that are not identified. Eisen would like it postponed until the next Judiciary meeting to allow for Supervisor Binder to speak on the ordinance since he is the one who presented it to the committee.

Mary Anne Mueller stated this was brought forward by Supervisor Binder to add ARPA and Diversity Affairs to the ordinance. Mary Anne stated since Supervisor Binder could not be at tonight's meeting, it might be wise for the committee to table the ordinance until Supervisor Binder is present to discuss the agenda item and to what he would like to see done with it.

Supervisor Floam would like to see the financial impact this would make before making any decisions on this change to the ordinance.

A motion to postpone the ordinance to Amend Winnebago County General Code Section 1.12 (10) to provide per diem payment and expense reimbursements to non-supervisors who serve on the ARPA Commission and the Diversity Affairs Commission until the next Judiciary meeting was made by Chairman Stafford, seconded by Supervisor Defferding. Carried 5-0.

**12. Consideration/Vote: Resolution – "Requesting the State of Wisconsin Review and Revise the Entry Level Compensation Rate for Assistant District Attorneys" – County Board Supervisor Jacob Floam**

A motion to introduce the resolution requesting the State of Wisconsin Review and Revise the Entry Level Compensation Rate for Assistant District Attorneys was made by Supervisor Floam, seconded by Chairman Stafford.

Supervisor Floam stated this would not affect the county's levy but would like for the state to review the entry level compensation rate. A competitive pay study is currently being conducted with the state but he feels it is prudent for the state to examine the DA salary problem.

Supervisor Floam reviewed the documents he provided regarding the high turnover with positions within the DA's offices and the possible solution to the problem.

Supervisor Eisen stated this is an ongoing issue and was brought forward at the Wisconsin Counties Association. He would like to see this passed and then forwarded to the Legislative Committee as they work with the state representatives and they can then look into this issue further.

A motion to amend line 34 to read "LET IT FURTHER BE RESOLVED to send it to Winnebago County Legislative committee." was made by Supervisor Eisen, seconded by Supervisor Defferding.

A motion to pass the resolution requesting the State of Wisconsin Review and Revise the Entry Level Compensation Rate for Assistant District Attorneys with the amendment to line 34 was made by Supervisor Floam, seconded by Supervisor Defferding Carried 5-0.

**13. Consideration/Vote: Resolution – "Amend Rule 10.2 of the Winnebago County Board of Supervisors to limit the time supervisors may speak on a subject".**

A motion to introduce the resolution to amend Rule 10.2 of the Winnebago County Board of Supervisors to limit the time supervisors may speak on a subject was made by Supervisor Floam, seconded by Chairman Stafford.

Supervisor Egan stated the time limit is so everyone is able to speak for 2 minutes on a topic to save time at the County Board meetings but up to 4 minutes on one topic for questions or clarification.

Supervisor Eisen is opposed to the supervisor limit to 2 minutes and suggested other avenues to make this work. Supervisor Eisen suggested going to 5 minutes to give everyone the freedom of speech as when you represent the people in the community, you should be able to speak for them when they bring up issues they want to be discussed.

Chairman Stafford stated there are other counties in the surrounding area that have time limits on agenda items. Chairman Stafford sees it as a positive to having people make their points heard within a time limit instead of people getting off topic due to how long people spend speaking. His concern is having someone else decide what is or isn't important and the timeline of topics for freedom of speech.

A motion to pass the resolution to amend Rule 10.2 of the Winnebago County Board of Supervisors to limit the time supervisors may speak on a subject was made by Supervisor Floam, seconded by Supervisor Hanson. Carried 3-2.

**14. Consideration/Vote: Resolution – "Create Rule 18.8 of the Winnebago County Board of Supervisors to allow any member of any committee, commission or board to vote remotely except for any meeting involving the Winnebago County Board of Supervisors (e.g. Organizational, Business, Budget, Special Orders)".**

A motion to discuss the resolution Create Rule 18.8 of the Winnebago County Board of Supervisors to allow any member of any committee, commission or board to vote remotely except for any meeting involving the Winnebago County Board of Supervisors (e.g. Organizational, Business, Budget, Special Orders) was made by Chairman Stafford, seconded by Supervisor Eisen.

Supervisor Norton spoke in regards to citizen members on committees and them being allowed to vote remotely if they are unable to attend in person.

Chairman Stafford reviewed a situation where a committee member was participating in a meeting virtually and the technology issues that were had due to them traveling at the time of the meeting caused the voting to be particularly difficult as they were cutting in and out.

Supervisor Eisen discussed the meetings prior to the pandemic and the reluctance of going to virtual meetings via zoom as they were always in person meetings for voting. He opposes the resolution.

Supervisor Eisen called the question, seconded by Supervisor Floam. Carried 5-0.

A motion to approve the Resolution to "Create Rule 18.8 of the Winnebago County Board of Supervisors to allow any member of any committee, commission or board to vote remotely except for any meeting involving the Winnebago County Board of Supervisors (e.g. Organizational, Business, Budget, Special Orders)", was made by Chairman Stafford, seconded by Supervisor Floam. Motion failed 0-5.

**15. Discussion: "Formal Process for raising an issue or lodging a complaint regarding compliance with County Board Rules"**

Chairman Stafford discussed a formal process for raising an issue for complaints regarding the compliance of county board rules. Chairman Stafford would like a formal process in place for recommending the next steps when lodging complaints.

Supervisor Eisen stated there is a process. Anyone that has a complaint needs to go to the Chairman of the Board and that process is also written in Roberts Rules.

Mary Anne Mueller suggested that during the chairman of the boards section during the county board meetings he could address anyone who has complaints to bring those complaints to him.

**16. Discussion: "Add Section 26 (Role of the County Board Supervisor) to the Rules of the Winnebago County Board of Supervisors. This was Resolution 29-042022 that was pulled from the Organizational Meeting due to the meeting running late but wanted to bring it forward again. – Supervisor Bryan Stafford"**

Chairman Stafford wanted the committee's opinion to see if this would be of value. When reviewing the other rules for other county boards, most had something similar to this resolution's language. Chairman Stafford stated he obtained the wording from either Sheboygan County or Fond du Lac County.

Supervisor Eisen stated Chairman Stafford should go back and make it the preamble to the rules as the wording is that good.

Supervisor Floam agreed that it should be put into the preamble to the rules and would like to see it come back as a change to the rules of the county board.

**17. Public comments on non-agenda items but within jurisdiction of committee**

Supervisor Ponzer spoke in regards to the second amendment sanctuary and asked the committee members to clarify the red flag law and its legality.

Supervisor Norton spoke about county board supervisors not attending committee meetings and would like to look at creating a rule for those supervisors to be removed from a committee.

Chief Deputy Christopherson handed out an overdose fatality review synopsis.

**18. Next Meeting Date: Monday, September 12, 2022 at 6:00 pm**

- Deadline for agenda items due Monday, August 29, 2022, 10:00 am. Please forward those requests to Chairman Bryan Stafford for approval. Thank you.

Chairman Stafford suggested moving the Judiciary meetings to the first Monday of every month to accommodate agenda items meeting the deadline for the county board agenda. All committee members agreed to the change the meeting date to the first Monday of the month starting at the October Judiciary meeting.

**19. Adjourn**

A motion to adjourn was made at 8:51 pm Supervisor Defferding, seconded by Supervisor Floam. Carried 5-0.

*The Wave of the Future*

DATE: August 25, 2022  
FROM: Sheriff John Matz  
RE: State of Wisconsin Law Enforcement Agency Initiative Grant

## **General Description:**

Authorize the Sheriff's Office to accept a \$113,209.00 State of Wisconsin Law Enforcement Agency Initiative Grant for training, equipment, and recruitment incentives.

## **Action Requested:**

Motion to approve resolution for acceptance of the \$113,209.00 grant from the State Wisconsin Law Enforcement Agency Initiative program.

## **Procedural Steps:**

(Show each level of committee and board approval needed, with meeting dates.)

Committee of Jurisdiction: Judiciary_____	Meeting date: 9/12/2022
Action taken: _____	Vote: _____
Other Committee: Personnel and Finance_____	Meeting date: 10/06/2022
Action taken: _____	Vote: _____
County Board	Meeting date: 10/11/2022

## **Background:**

In March of 2022 Governor Evers announced a new investment for law enforcement agencies statewide, which included \$19 million allocated to each and every local and tribal law enforcement agency across the entire state. The allocation for each law enforcement agency is based on the size of the population served. The Winnebago County Sheriff's Office portion is allocated at \$113,209. The State provided mechanism for receiving the funding first became available on August 16, 2022.

This reimbursement program is intended to provide law enforcement agencies with additional resources within specific grant parameters to cover costs associated with recruitment incentives, training, testing, and equipping law-enforcement officers as well as updating certain technology and policies and crime-reduction initiatives.

## **Policy Discussion:**

The Sheriff's Office plans to use this generous allocation to assist in funding programs that have been fiscally outside of the realm of possibility, as they have been cost-prohibitive. Within the regular budget, the Sheriff's Office has not been in a position to absorb additional costs, and has routinely had to make staffing cuts to meet budget constraints. To give some perspective, the Sheriff's Office had 208 FTE positions on the Table of Organization in 2019. The proposed Table of Organization for 2023 contains 193

FTE positions. This is a reduction in 15 FTE positions in a four-year time span in an effort to meet the fiscal restraints imposed by tax levy limits.

The funds from this program have specific uses and can be used to reimburse the costs of providing training to help reduce violence and improve community safety, including programs to train officers in any of the following subject areas: crisis intervention, including training for interactions with individuals suffering from mental illness and addiction; resiliency and suicide prevention; use-of-force options and de-escalation tactics, including scenario-based training aimed at stabilizing potentially dangerous situations to allow more time and options for safe resolution; implicit bias; active bystander training; the emergency detention process; homicide investigation; any annual recertification training required by the Wisconsin Law Enforcement Standards Board; and costs related to training and equipping K9 teams.

## Law Enforcement Agency Grant

July 1, 2022

**Update:** The list of expenditures eligible for reimbursement through this program has been expanded to include costs for upgrading public safety answering point (PSAP) infrastructure. This addition is included in expense category 5 below.

For questions please contact [LEAGrant@wisconsin.gov](mailto:LEAGrant@wisconsin.gov) (mailto:LEAGrant@wisconsin.gov?subject=LEA%20Grant%20Question).

June 24, 2022

**Update:** The list of expenditures eligible for reimbursement through this program has been expanded to include up to 50 percent of a law enforcement agency's fuel or electrical charging costs for vehicles. Please review the changes in the updated expense category 5 below. The updated expense category 5 also includes additional clarifications regarding the eligibility of certain other items not specifically addressed in the original version.

**Program:** Tribal and Local Law Enforcement Agency Initiative

**Award Amount:** Each tribal and local law enforcement agency in the State of Wisconsin (referred to herein as "LEAs" or "Grantees") has been allocated a certain sum (its "Allocation") based on the size of the population it serves, with an add-on for LEAs serving communities where violent crime exceeds the state average. The Allocation for each LEA is available [here \(https://doa.wi.gov/DIR/Law\\_Enforcement\\_Allocations.pdf\)](https://doa.wi.gov/DIR/Law_Enforcement_Allocations.pdf) and incorporated by reference herein.

**Program Duration:** An LEA may use its Allocation to reimburse eligible expenditures incurred **between March 15, 2022 and June 30, 2023**. Expenditures incurred outside that time window are not eligible for reimbursement under this Program. For purposes of this Program, an expenditure is not "incurred" until the LEA or its affiliated Tribal or local government has paid it.

**How it Works:** During a quarterly Reporting Period, an LEA may draw down its Allocation and receive allocated funds by reporting eligible expenditures for reimbursement through the Program's online reporting system. DOA will process these submissions and reimburse each LEA's reported eligible expenditures from the remaining balance of its Allocation. The first Reporting Period is expected to occur during a two-week period in September 2022; they will occur on a quarterly basis thereafter until the completion of the Program.

*Example:* An LEA has a \$20,000 allocation. During the September 2022 Reporting Period, it uses the online reporting system to report \$8,000 in eligible expenditures incurred since March 15, 2022. DOA processes the reimbursement request and pays \$8,000 to the LEA, leaving \$12,000 in the LEA's Allocation. In the next quarterly Reporting Period, the LEA submits another \$7,000 in eligible expenditures. Those eligible expenditures are again processed and reimbursed, leaving the LEA with \$5,000 of its Allocation remaining to reimburse expenditures reported in subsequent Reporting Periods.

**Permitted Uses of Funds:** The Program is intended to provide LEAs with additional resources to help offset certain costs associated with hiring, training, testing, and equipping law-enforcement officers, as well as updating certain technology and policies and implementing new crime-reduction initiatives. The following expenditures are eligible for reimbursement under the Program, subject to the limitations set forth in the MOU, this Program Schedule, and applicable state and federal law:

1. **Recruitment Incentives.** The Program will reimburse the costs of certain financial incentives to recruit new officers, jail personnel, and dispatchers (referred to collectively below as "new hires"), as follows:
  - a. The costs of a new hire's academy or other formal preparatory training, to the extent the new hire's training costs are reimbursed by the LEA following acceptance of employment.
  - b. A signing bonus of up to \$2,000 for each new hire.
  - c. For each new hire whose most recent employer was an out-of-state governmental agency, an additional bonus of up to \$500 for each year of relevant out-of-state experience as a law enforcement officer, jailer, or dispatcher, up to an additional \$2,000. Thus, for a new hire from an out-of-state law governmental agency with four or more years' relevant experience, this Program will reimburse the cost of providing a signing bonus of up to \$4,000.

Each new hire who receives recruitment incentives that are reimbursed through this Program must provide the LEA with a written statement affirming that the new hire intends to complete at least three years' continuous employment with the LEA. The LEA is responsible for collecting and maintaining those statements; it does not need to provide copies of those statements when making reimbursement requests unless specifically requested by DOA.

Each LEA is responsible for conducting appropriate background checks on employment candidates. New hires with a record of misconduct are not eligible to receive recruitment incentives that are reimbursed through this Program.

2. **Medical testing.** The Program will reimburse the costs of job-related medical testing of officers, including physical examinations, hearing tests, drug tests, pre-employment psychological examinations, and other medical testing.
3. **Training.** The Program will reimburse the costs of providing training to help reduce violence and improve community safety, including programs to train officers in any of the following subject areas:
  - a. Crisis intervention, including training for interactions with individuals suffering from mental illness and addiction.
  - b. Resiliency and suicide prevention.
  - c. Use-of-force options and de-escalation tactics, including scenario-based training aimed at stabilizing potentially dangerous situations to allow more time and options for safe resolution.
  - d. Implicit bias.
  - e. "Active bystander" training.
  - f. The emergency detention process.
  - g. Homicide investigation.
  - h. Any annual recertification training required by the Wisconsin Law Enforcement Standards Board.
4. **Wellness and counseling programs.** The Program will reimburse the costs of providing wellness, counseling, or behavioral health programs or services to officers.
5. **Officer equipment, fuel, and technology, excluding weapons.** The Program will reimburse the costs of purchasing the following:
  - a. Uniforms, duty belts, holsters, handcuffs, boots, bulletproof vests and other protective gear, radios, flashlights, and other equipment of a similar nature.
  - b. License-plate readers, security cameras, and smart cameras, including thermal imaging cameras and vehicle-mounted cameras.
  - c. Mobile data computers and equipment purchased for the purpose of improving wireless connectivity in LEA vehicles, such as mobile hot spots.
  - d. Body cameras and body camera-activating holsters.
  - e. Any accessories, software, services (including installation), or specialized training needed to utilize items in categories 5.a to 5.d above.
  - f. Up to 50 percent of the fuel and charging costs for LEA vehicles.

Weapons (including non-lethal weapons) and ammunition are not eligible for reimbursement through this Program.

6. **Temporary contract personnel.** The Program will reimburse the costs of retaining temporary contract personnel to assist with processing evidence, reducing backlogs, or other tasks that help LEAs conduct criminal investigations. When reporting these expenditures in the online reporting system, the LEA must identify the contractor used and the nature of the services performed.
7. **Sworn law enforcement officers, jail personnel, and dispatchers.** The Program will reimburse certain costs associated with sworn law enforcement officers, as follows:
  - a. The additional payroll costs associated with increasing part-time officers, dispatchers, or jail personnel to full-time positions.
  - b. For LEAs that adopt or engage in initiatives to reduce violent crime (including offenses involving firearms), the payroll costs of officers for time worked on such initiatives.
  - c. The payroll costs of officers for time worked on Crisis Intervention Teams.
  - d. For LEAs serving communities where the violent crime rate exceeds the state average, as identified in [Appendix 1 \(https://doa.wi.gov/DIR/Law\\_Enforcement\\_Appendix\\_1.pdf\)](https://doa.wi.gov/DIR/Law_Enforcement_Appendix_1.pdf), the full payroll costs for new hires (as defined in paragraph 1 above) made on or after March 15, 2022.

8. **K9 units.** The Program will reimburse the costs associated with purchasing canines to assist officers with law enforcement functions, including any related training costs.

9. **Community policing initiatives.** The Program will reimburse costs associated with designing and implementing community policing initiatives, including training, equipment and technology (excluding weapons), temporary contract personnel, or other expenses associated with such initiatives. For purposes of this Program, "community policing initiatives" refer to place-based, community-oriented crime reduction strategies in targeted neighborhoods suffering from chronic crime issues.

10. **Initiatives to address carjacking and vehicle theft.** The Program will reimburse costs associated with designing and implementing initiatives to prevent and investigate incidents of carjacking and vehicle theft, including training, equipment and technology (excluding weapons), temporary contract personnel, or other expenses associated with such initiatives.

11. **Updating use-of-force policies to comply with Act 75.** The Program will reimburse costs associated with updating their use-of-force policies to comply with the standards set forth in 2021 Wisconsin Act 75 (<https://docs.legis.wisconsin.gov/2021/related/acts/75.pdf>), including any costs of training related to these standards.

Expenditures not included in the above categories are not eligible for reimbursement through this Program.

**Procurement limitations:** All expenditures submitted for reimbursement through this Program must comply with Grantee's local procurement procedures and must avoid conflicts of interest, acquisition of unnecessary or duplicative items, excessive costs, or other waste.

March 15, 2022

In March, Governor Evers announced [a new investment of more than \\$50 million to help make Wisconsin communities safer](https://content.govdelivery.com/accounts/WIGOV/bulletins/30cc88b) (<https://content.govdelivery.com/accounts/WIGOV/bulletins/30cc88b>), including nearly \$19 million to be allocated to every local and tribal LEA across the state. The allocation for each LEA is based on the size of the population served, with an add-on for communities where violent crime exceeds the state average.

Each LEA can use its allocated funds to reimburse eligible expenditures incurred between March 15, 2022 and June 30, 2023. The Department of Administration (DOA) currently anticipates that the first round of reimbursement payments will be made in September 2022. In the coming weeks, the DOA will provide details on the types of expenditures that are eligible for reimbursement through the program, how an LEA reports them to the DOA, and other terms and conditions. We will send an email notice to you once those details are finalized.

NOW, THEREFORE, BE IT RESOLVED by the Winnebago County Board of Supervisors that it hereby authorizes the Winnebago County Sheriff's Office to accept an ALERT SWAT grant from the Department of Homeland Security in the amount of \$15,250, and appropriate the funds to host a SWAT Commander 1 course.

**Policy Discussion:**

This grant was approved and awarded in November 2021 and the commander course occurred in February 2022. The grant documents were properly submitted for reimbursement. The State of Wisconsin provided reimbursement for \$14,734.72 and this amount was deposited into the revenue account on 07/26/22. Because the grant crossed two calendar years, a budget carryover needs to be authorized.
