Section 8. Borrowed Money Fund; Reimbursement. The proceeds of the Notes (the "Note Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Notes into the Debt Service Fund Account created above) shall be deposited into an account separate and distinct from all other funds and disbursed solely for the purposes for which borrowed or for the payment of the principal of and the interest on the Notes.

Any expenditures already paid by the County for which the County is to be reimbursed with Note Proceeds (a) were paid no earlier than 60 days prior to the dates on which the County Board of Supervisors adopted (i) the Authorizing Resolution or (ii) resolutions stating its expectation to reimburse itself from Note Proceeds for any expenditures on the Project which it paid from other funds of the County prior to receipt of the Note Proceeds or (b) are preliminary expenditures relating to the Project (such as architectural, engineering, surveying, soil testing, costs of issuance and similar costs but not including land acquisition, site preparation and similar costs incident to the commencement of construction) which are in an amount which is less than 20% of the issue price of the Notes. The Authorizing Resolution and the reimbursement resolutions referred to above shall be publicly available in the official books, records or proceedings of the County Board of Supervisors.

Section 9. Arbitrage Covenant. The County shall not take any action with respect to the Note Proceeds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken on the date of the delivery of and payment for the Notes (the "Closing"), would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code") and any income tax regulations promulgated thereunder (the "Regulations").

The Note Proceeds may be temporarily invested in legal investments until needed, provided however, that the County hereby covenants and agrees that so long as the Notes remain outstanding, moneys on deposit in any fund or account created or maintained in connection with the Notes, whether such moneys were derived from the Note Proceeds or from any other source, will not be used or invested in a manner which would cause the Notes to be "arbitrage bonds" within the meaning of the Code or Regulations.

The County Clerk, or other officer of the County charged with responsibility for issuing the Notes, shall provide an appropriate certificate of the County, for inclusion in the transcript of proceedings, setting forth the reasonable expectations of the County regarding the amount and use of the Note Proceeds and the facts and estimates on which such expectations are based, all as of the Closing.

Section 10. Additional Tax Covenants; Two Year Expenditure Exemption from Rebate. The County

hereby further covenants and agrees that it will take all necessary steps and perform all obligations required by the Code and Regulations (whether prior to or subsequent to the issuance of the Notes) to assure that the Notes are obligations described in Section 103(a) of the Code, the interest on which is excluded from gross income for federal income tax purposes, throughout their term. The County further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Notes) if taking, permitting or omitting to take such action would cause any of the Notes to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Notes to be included in the gross income of the recipients thereof for federal income tax purposes. The County Clerk or other officer of the County charged with the responsibility of issuing the Notes, shall provide an appropriate certificate of the County as of the Closing, for inclusion in the transcript of proceedings, certifying that it can and covenanting that it will comply with the provisions of the Code and Regulations.

Further, it is the intent of the County to take all reasonable and lawful actions to comply with any new tax laws enacted so that the Notes will continue to be obligations described in Section 103(a) of the Code, the interest on which is excluded from gross income for federal income tax purposes throughout their term.

The County covenants that it is a governmental unit with general taxing powers and that the Notes are not "private activity bonds" as defined in Section 141 of the Code.

In accordance with Section 148(f)(4)(C) of the Code, the County covenants that at least 75% of the available construction proceeds of the Notes shall be used for construction expenditures with respect to property owned by the County as provided in Section 148(f)(4)(C)(iv) of the Code. If at least 10% of the available construction proceeds of the Notes (including investment earnings thereon) are expended for the governmental purposes of the issue within six months of the Closing; at least 45% are expended for such purposes within one year; at least 75% are expended for such purposes within eighteen months; and 100% are expended for such purposes within two years, the Notes will qualify for the two year expenditure exception from the rebate requirements of the Code. If for any reason the County did not qualify for the two year expenditure exemption from the rebate requirements of the Code, the County covenants that it would take all necessary steps to comply with such requirements.

Section 11. Execution of the Notes. The Notes shall be issued in typewritten or printed form, executed on behalf of the County by the manual or facsimile signatures of the Chairperson and County Clerk, authenticated by its fiscal agent, if any, sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the County of the purchase price thereof, plus accrued interest to the date of delivery.

In the event that either of the officers whose signatures appear on the Notes shall cease to be such officers before the delivery of the Notes, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until such delivery. The aforesaid officers are hereby authorized to do all acts and execute and deliver all documents as may be necessary and convenient to effectuate the Closing.

Section 12. Payment of the Notes. The principal of and interest on the Notes shall be paid in lawful money of the United States of America by the County Clerk or County Treasurer.

Section 13. Persons Treated as Owners; Transfer of Notes. The County shall keep books for the registration and for the transfer of the Notes. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the County Clerk, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Chairperson and County Clerk shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and maturity and the County Clerk shall record the name of each transferee in the registration book. No registration shall be made to bearer. The County Clerk shall cancel any Note surrendered for transfer.

The County shall cooperate in any such transfer, and the Chairperson and County Clerk are authorized to execute any new Note or Notes necessary to effect any such transfer.

The fifteenth day of each calendar month next preceding each interest payment date shall be the record date for the Notes. Payment of interest on the Notes on any interest payment date shall be made to the registered owners of the Notes as they appear on the registration book of the County at the close of business on the corresponding record date.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Notes eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the County agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations previously executed on behalf of the County and on file in the County Clerk's office.

Section 15. Undertaking to Provide Continuing Disclosure. The County hereby covenants and agrees, for the benefit of the holders of the Notes, to enter into a written undertaking (the "Undertaking") required by SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule") to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the holders of the Notes or by the Purchaser on behalf of such holders (provided that the rights of the holders and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the County to comply with the provisions of the Undertaking shall not be an event of default with respect to the Notes).

The County Clerk, or other officer of the County charged with the responsibility for issuing the Notes, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the County's Undertaking.

Section 16. Bond Insurance. The Chairperson and County Clerk are authorized to agree to such additional provisions as any municipal bond insurer which makes a commitment accepted by the County to insure the Notes may reasonably request and which are acceptable to the Chairperson and County Clerk, including provisions regarding restrictions on investment of Note Proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Notes by the bond insurer and notices to be given to the bond insurer. In addition, appropriate reference to the municipal bond insurance policy shall be made in the form of Note provided herein.

Section 17. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the County Board of Supervisors or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.
