REPORTS FROM COMMITTEES, COMMISSIONS & BOARDS

Supervisor Barker reported after several attempts to reschedule the Legislative Committee meeting, there will not be a meeting this month. Some issues that cannot wait will be brought forward through another committee. Any items that can wait will be addressed at the next meeting, which will be Monday, April 23.

Supervisor Griesbach reminded supervisors that tornado season is approaching. Testing of the sirens will begin this Saturday. Three new sirens will be installed in the western part of the county

Supervisor Egan reported on high points of his experience at the recent NACo Convention:

- ❖ Highways – Main topic was gas tax. Because of alternative fuels, the gas tax is not supplying sufficient money. Talked about mileage tax and privatizing roads.
- ❖ Reducing regulations to counties.
- ❖ National government must work more closely with the counties.
- ❖ Energy is a hot topic – nuclear, ethanol, wind and solar.
- ❖ Clean water act.
- ❖ County Board size.
- ❖ Grants still available for small airports.
- ❖ Public property – The federal government has as much money as ever, but is using 75% towards maintenance, not buying more land.

Supervisor Egan thanked Chairman Albrecht and the Board for allowing him to go to the convention.

Supervisor Egan reported the new Personnel Function Review Committee met last week. Catherine Neiswender is helping the committee. They plan to meet on a regular basis.

Motion by Supervisor Robl and seconded to approve the February 27, 2007 proceedings. CARRIED BY VOICE VOTE.

COUNTY EXECUTIVE'S REPORT

Executive Harris said he will not make a separate report, but deferred to his later presentation of the 5-Year Capital Improvements Plan.

COUNTY EXECUTIVE'S APPOINTMENTS

Advocap Board of Directors Winnebago County Members

Executive Harris asked for the appointment of Supervisors Alfred Jacobson, Jef Hall and Donna Lohry to the Advocap Board of Directors. Ms. Lohry will complete the unexpired term of Forrest Weber. These are three (3) year terms, which will expire April 21, 2009. Motion by Supervisor Robl and seconded to adopt. CARRIED BY VOICE VOTE.

Affirmative Action Commission

Executive Harris asked for the appointment of Supervisor Nancy Barker, Linda Mingus and Joaquin Lira to the Affirmative Action Commission. These are three (3) year terms, which will expire April 21, 2009. Motion by Supervisor Robl and seconded to adopt. CARRIED BY VOICE VOTE.

Winnebago County Housing Authority

Executive Harris asked for the re-appointment of Supervisor Michael Norton to the Winnebago County Housing Authority. This is a five (5) year term, which will expire April 17, 2012. Motion by Supervisor Hotynski and seconded to adopt. CARRIED BY VOICE VOTE.

CHAIRMAN'S REPORT

Chairman Albrecht reported Supervisor Warnke is doing well as he is recovering from a second knee replacement surgery and asked to be excused this evening.

Chairman Albrecht reported reading an article on Sheboygan County. They were looking at downsizing and announced that anyone wanting to attend the meeting should contact the County Clerk to get permission to speak. He noted the difference between that and Winnebago County allowing public input at each meeting.

COUNTY EXECUTIVE MARK HARRIS REVIEW OF 5-YEAR CAPITAL IMPROVEMENTS PROGRAM FOR 2007-2011

Executive Harris stated each supervisor should have received a copy of the Executive Capital Improvements Program 2007-2011. Executive Harris said that because this is not a perfect world, the items in the Capital Improvements Program change, by need. It is his best "guess or estimate" for the next 5 years.

Executive Harris said by approving the plan, the Board is not obligating itself to anything in the plan. It is only a broad guideline for the next 5 years.

Executive Harris stated the items in the Capital Improvements Program have been scheduled in an attempt to keep the debt service flat at \$1.17. Executive Harris pointed out several projects that had not been included in previous years:

- ❖ For 2007 - Telephone system update - \$575,000. The current telephone system will lose its technical support and needs updating.
- ❖ Highway Projects – There are many resurfacing and road maintenance projects scheduled over the next 5 years. Executive Harris was convinced by the Highway Commissioner and committee that Winnebago County has not been keeping up with necessary repairs. Not repairing infrastructure when needed, will only defer costs, not eliminate them or could potentially cost more. The total costs for the 5 year Plan is over \$13 million.
- ❖ Airport – There are \$3.6 million in airport improvements, but there are AIP funds available for those projects.
- ❖ Parks - \$193,000 is for a noise barrier. A conditional use permit was obtained from the City of Oshkosh at the same time the racetrack was installed. There is a lot of noise for area residents and this will help alleviate that problem.

After discussion with supervisors, Executive Harris noted if items are added, changes will need to be made to the plan to keep the tax rate flat.

A copy of the Winnebago County Executive Capital Improvements Program can be viewed in the County Clerk's Office.
