PRESENTATION ON THE UPGRADE OF COMPUTER AIDED DISPATCH (CAD) SYSTEM; AND REPLACEMENT OF LAW RECORDS MANAGEMENT SYSTEM (LRMS) AND JAIL RECORDS SYSTEM (JRS)

Sheriff John Matz spoke about an upgrade for the county's Computer Aided Dispatch System. They are currently with FoxComm and share this system with Calumet and Outagamie Counties. Calumet and Outagamie Counties have chosen to not renew their contract with FoxComm. With FoxComm there are three different computer programs involved: the Computer Aided Dispatch system (CAD); the Law Records Management System (LRMS); and the Jail Records Management System (JRMS).

Winnebago County has been in contact with three vendors and have scored their findings. Motorola was the choice for the new Computer Aided Dispatch System. Sheriff Matz reported that with the new system, there would only be one computer program instead of three. This will allow for greatly reduced redundant data entry and provide for greater efficiency of processes. The estimated cost for this program is \$2.2 million which includes a 5% contingency fund. With the new system, there could be a yearly savings of \$85,000.00 for maintenance.

Sheriff Matz then took questions from the board.

CORRECTED

RESOLUTION NO. 151-62017: Authorize Execution of Grandstand Complex Improvement Agreement with Life Promotions Inc

WHEREAS, it is acknowledged that for 18 years Winnebago County has experienced substantial benefits from the presence of the annual Lifest Christian Music Festival (Lifest) at the Sunnyview Exposition Center with an estimated annual economic impact of \$5.3 million in tourism spending throughout Winnebago County and a projected 6% annual increase in attendance as currently documented; and

WHEREAS, within the next two-to-three years, with the projected 6% annual increase in attendance at Lifest, the area available for the event within the Sunnyview Exposition Center grounds will be used completely with no additional area being available for camping and/or parking; and

WHEREAS, it has been determined that given the unexpected availability of property within the Sunnyview Exposition Center Grandstand Complex, it would be possible to free up the present concert area where the Lifest stage is annually erected by repositioning the stage location to a spot inside the Grandstand Complex. By moving the stage location, Lifest would subsequently have a 7 acre area open for camping in the former concert area along with a 9 acre parcel situated to the north of the new stage location; and

WHEREAS, Life Promotions Inc wishes to invest **\$550,000.00** in a permanent state of the art exterior stage which it would own and lease back to the County for other events to use for a period of 10 years. In conjunction with the building of the permanent stage, the Parks Department would include within its 2017 Operations Budget the sum of \$180,224.00 to make improvements around the structure including, among other things, construction of a 350' X 650' audience/performance area situated between the stage and the 4,500 seat grandstand facilities; and

WHEREAS, improvements such as the permanent stage and the 350' X 650' audience/performance area would allow for varied programming within the Grandstand Complex where previously there had been only limited promotional opportunities due to site conditions. Thereby the development would benefit the citizens of Winnebago County by increasing the amount of potential tourism dollars spent within the area and creating opportunities for new recreational and entertainment activities; and

WHEREAS, there is already well established precedent for pursuing this type of agreement which is substantively based on the terms and conditions incorporated into lease agreements the County presently holds with the Oshkosh Youth Soccer Club, the Hilton Garden Inn, and several corporate entities who are the proprietors of various hangers at Wittman Field. It is an accepted practice for parties who wish to contribute towards the enhancement of Parks property to not only support the funding and development thereof but to also do so with the understanding that such improvements are therewith released to the County for ownership in perpetuity at the end of their lease agreement; and

WHEREAS, your undersigned Committee believes that the citizens of Winnebago County would be served by allowing Life Promotions Inc, at its own cost, to engage in construction of a permanent stage at the Sunnyview

Exposition Center Grandstand Complex and, after a period of ten (10) years, for Winnebago County to assume ownership of the stage in accordance with the provisions contained in subsequent ground lease and rental agreement documents to be drawn-up pursuant to the provisions set forth in the Grandstand Complex Improvement Agreement, which is attached herewith and made a part of this Resolution by reference.

NOW, THEREFORE, BE IT RESOLVED by the Winnebago County Board of Supervisors that it hereby authorizes the Winnebago County Executive and the Winnebago County Clerk to execute a Grandstand Complex Improvement Agreement whereby Life Promotions Inc will devote resources towards construction of a 60' x 100' concrete and steel stage (see attached diagram) in a predetermined location within the Grandstand Complex of the Sunnyview Exposition Center. A copy of said Grandstand Complex Improvement Agreement is attached herewith and made a part of this Resolution by reference.

BE IT FURTHER RESOLVED by the Winnebago County Board of Supervisors that upon execution of said Grandstand Complex Improvement Agreement, Life Promotions Inc shall be recognized as having Winnebago County's permission to begin engaging in fundraising efforts, as well as other related activities, intended to facilitate construction of the aforementioned stage.

RESOLUTION NO. 159-62017: Creating a Nonpartisan Procedure for the Preparation of State Legislative and Congressional Redistricting Plans

WHEREAS, pursuant to Article IV, Section 3, of the Wisconsin State Constitution, the Wisconsin Legislature is directed to reapportion State legislative districts according to the number of inhabitants at the session following the decennial census; and

WHEREAS, because Wisconsin and federal legislative redistricting is controlled by the majority party at the time of redistricting, legislative and congressional plans in Wisconsin have been subject to partisan influence that puts the desires of politicians ahead of the electoral prerogative of the people; and

WHEREAS, a panel of Federal District court judges has ruled that the redistricting in Wisconsin that was completed in 2011 was unconstitutional; and

WHEREAS, legal fees in the defense of the 201 redistricting have already cost Wisconsin taxpayers in excess of \$2.1 million and litigation is ongoing; and

WHEREAS, redistricting in Wisconsin to achieve partisan gains by any party is improper.

NOW, THEREFORE, BE IT RESOLVED by the Winnebago County Board of Supervisors that, prior to the start of the next redistricting process following the 2020 Federal Census, it hereby calls upon the State Legislature to pass legislation that creates a fair, nonpartisan procedure for the preparation of state legislative and congressional redistricting plans; that promotes more accountability and transparency; and that prohibits the consideration of voting patterns, party information, and incumbent residence or demographic information in the drawing of the district maps, except as necessary to ensure minority participation as required by law.

BE IT FURTHER RESOLVED by the Winnebago County Board of Supervisors that it hereby advocates for an amendment to the Wisconsin Constitution giving responsibility of legislative redistricting to a nonpartisan committee.
