RULES OF BOARD OF SUPERVISORS OF WINNEBAGO COUNTY

Adopted April 27, 1931

I. The meetings of this board shall be held in the supervisor's room, and the hour for daily meetings shall be 10 a. m., and the county board shall continue in continuous session from day to day until adjourned, unless to a day certain or sine die.

II. At the first meeting of the board, it shall be the duty of the chairman, or in case of his absence, the vice chairman, or in their absence, the clerk to call to order.

The clerk shall then call the roll of members.

A quorum being present, the board shall proceed to the election of a chairman and a vice chairman.

III. It shall be the duty of the chairman to appoint the following standing committees, each to consist of the number of members as set after the name of each committee, viz:

Equalization, nine; finance, eight; general accounts, seven; illegal assessments, five; justice and constables' accounts, seven; sheriff's and coroner's accounts, seven; insane, three; poor and county home, three; corporations, three; public buildings, five; per diem and mileage, five; printing, three; bonds and salaries, five; county abstract and tract index system, three; rules, three; education, three; sanatorium, five; budget, four (county clerk, ex-officio); county fair, five; aviation, five.

IV. A county highway committee consisting of five members to represent cities, towns and villages, and all other elective committees and elective officers, are to be elected annually at the November session of the board.

V. The board may adjourn for such time as shall be necessary for the chairman to prepare the list of committees, and no business can be done until the same shall be announced.

VI. The chairman, or in his absence, the vice chairman, shall take the chair at the hour to which the board may from time to time stand adjourned, call the board to order and direct the calling of the roll of members by the clerk. In the absence of both the chairman and the vice chairman, a chairman pro tem shall be elected.

VII. Upon the appearance of a quorum, the journal of the preceding day shall be read by the clerk, and any mistake therein shall be corrected by the board provided, that upon the last day of the session the journal for that day will be read and, before the final adjournment, corrected.

VIII. After the reading and correction of the journal, the order of business shall be as follows:

1. Reception of petitions, memorials, accounts, etc.

2. Presentation of resolutions and disposition of same.

3. Reports of standing committees.
4. Reports of select committees.
5. Consideration of miscellaneous business.

IX. Every subject matter that shall come before the board shall be referred to the appropriate committee by the chairman, without motion.

X. The chairman shall preserve order and decide questions of order, subject to an appeal to the board, and shall clearly and distinctly state every motion or question before debate.

XI. The chairman shall be entitled to vote on all questions taken by ayes and nays, and his name shall be called last; when the vote on any question is a tie, it shall be deemed to have been lost, but any member may present the same question again at such time as provided in Section XXIII.

XII. Every motion or amendment shall be reduced to writing when a request therefor shall be made by any member; and all petitions, memorials and substitutes shall be reduced to writing and read before they shall be considered by the board.

XIII. Every written resolution shall have attached thereto the name of the person introducing it; and when referred to a committee, the names of such committees shall be endorsed thereon.

XIV. Every member, previous to speaking, shall rise and address the chair.

XV. When two or more members rise at once, the chair shall designate the member who is to speak first; but in all cases the member who shall first rise and address the chair shall speak first.

XVI. No member shall speak more than twice upon the same question without leave; and when called to order by the chairman shall take his seat, and shall not be allowed to proceed without leave of the board.

XVII. A vote on any question shall be taken by ayes and nays when called for by any member; and SHALL be so taken on all questions involving the expenditure of money; and whenever a vote is so ordered and taken, the members voting in the affirmative and negative, as well as those absent or not voting, shall be recorded at length in the records of the proceedings of the county board.

XVIII. No account or claim against the county shall be audited unless it be made out in items and duly verified and be filed with the clerk of the board, except as otherwise provided by law.

XIX. When a motion is under consideration, no motion shall be entertained except:

1. To adjourn.
2. To lay on the table.
3. For the previous question.
4. To postpone to a day certain.
5. To commit to a committee.
6. To amend or to substitute.
7. To postpone indefinitely.

These several motions shall take precedence in the order in which they stand in this rule.

XX. A motion to adjourn, to lay on the table, and for the previous question shall be decided without debate, except as hereinafter provided.

XXI. A motion to postpone indefinitely or to a day certain or to commit shall not again be entertained on the same day or in the same stage of the proposition.

XXII. A substitute shall be open to amendment the same as the original proposition; but when adopted, shall not be subject to amendment. If an amendment or substitute is lost, another substantially the same shall not be entertained.

XXIII. When a motion or question has once been determined, any member voting with the majority may move a reconsideration of the vote; but such motion shall be made and acted on at the same or next succeeding day, and shall not thereafter be made except by unanimous consent.

XXIV. The previous question may be moved by any member, and the chairman shall then say: "It requiring five members to second this motion, those in favor of sustaining the motion will rise." If five or more members then rise, the previous question shall thereby be seconded and an opportunity then be given to any two members opposed thereto to

briefly state their objections. The question shall then be: "Shall the question be now put" which, if carried by a vote of two-thirds of the members present upon a call of the ayes and nays, the board shall immediately proceed to vote upon the pending amendment if any, and upon the main question.

XXV. In filling blanks, the largest sum and the longest time shall be put first.

XXVI. These rules shall not be changed, amended or repealed, unless the proposition or amendment is introduced in writing and the same laid over to some subsequent meeting of the board, not less than five days intervening, and then only with the concurrence of two-thirds of the members present.

XXVII. Any of these rules may be suspended upon any pending measure by two-thirds of the members present.

XXVIII. These rules and all amendments or additions thereto which may hereafter be made shall govern the board until altered or repealed, as herein provided.

XXIX. The rules of parliamentary practice comprised in "Roberts' Rules of Order," so far as they remain in common use and are practicable and applicable and not inconsistent herewith, shall govern the board.

XXX. Whenever the board shall have gone into a committee of the whole and shall have arisen, the board shall at once be in session for the receiving and acting upon the report of the committee of the whole, and for the transaction of any and all other business of every kind.

XXXI. No resolution for the appropriation of money shall be in order, until the day after its presentation and reference, except upon the consent of two-thirds of the members of the county board present.

XXXII. All reports, resolutions and petitions must be presented in typewritten form in triplicate, so that one copy will be immediately available to the local press, and the same may be read by the supervisor presenting the same.

XXXIII. All resolutions calling for an appropriation of money, and all resolutions, the adoption of which will require an ultimate expenditure of money or an appropriation by the county board, shall be presented to the county clerk of Winnebago county, ex-officio member of the budget committee, at least ten (10) days prior to the opening day of the annual November session of the county board, and no bill or resolution calling for an appropriation of money shall be received by the board without the unanimous consent of the board after that time.

Motion that the board take a recess in order to give the chairman and the vice chairman time to appoint committees, carried.

After recess, the board was called to order by Chairman Young.

On motion, adjourned to 1:30 p. m.

AFTERNOON SESSION, 1:30 P. M.

APPROVAL OF FRANCHISE

The following ordinance of the town of Black Wolf, was presented to the county board for its approval.

An Ordinance, granting authority to Wisconsin Public Service Corporation, its successors and assigns to erect and maintain its poles and wires over and along the following public streets and roads located in the Town of Black Wolf, Winnebago county, Wisconsin.

The Town Board of the Town of Black Wolf in Winnebago county, Wisconsin does ordain:

Section I. Permission and authority is hereby granted to the Wisconsin Public Service Corporation, a Wisconsin corporation, and its successors and assigns to erect and maintain its poles and wires over and along the following public streets and roads located in the Town of Black Wolf, Winnebago county, Wisconsin, for the purpose of transmitting heat, light and power by means of electricity:

Over and along public roads along the boundary lines of Sections 31 and 36 in the Township of Black Wolf, Winnebago county, Wisconsin, as follows:

Beginning at the North East Corner of Section 31, thence West along the Northern boundary lines of Sections 31 and 36 to the North-western corner of Section 36, thence South along the Western boundary line of Section 36, thence East along the Southern boundary lines of Sections 36 and 31 to the Soo Line railroad track.

Section II. The said poles and wires and other apparatus connected therewith shall be so located so as not to interfere with travel upon any public highways, or with necessary construction or maintenance operations on any said highways, and as near the outer limits of said highways as practicable.

Said poles and wires and other apparatus shall be constructed in a good and workmanlike manner, and the crossarms shall be at such height as not to interfere with the reasonable use of said highways, streets, alleys and other public places by the public, and at all crossings of said highways, roads and streets, the wires shall be at the height of at least fourteen feet above the traveled surface thereof, and the poles along said highways shall be at least twenty-four feet in height.

In constructing and maintaining such poles and wires there shall be no unnecessary cutting of shade trees and shrubbery, and all brush cut and all rubbish caused by the construction of said lines shall be destroyed in such manner as to do no damage, or removed from the limits of the highways at the expense of the Corporation.

Section III. This ordinance shall be in full force and effect from and after its passage.

Passed this 31st day of March, A. D. 1931.

DEED TO OSHKOSH COUNTRY CLUB ON KURT GRAF BRIDGE PROPERTY

The following Resolution No 1 was presented.

To the Honorable, The Board of Supervisors:

Whereas; The Wisconsin Highway Commission has ordered a relocation on U. S. Highway No. 41 in the Town of Black Wolf, at a point known as the Kurt Graf Bridge, and whereas, the Oshkosh Country Club owns the land adjacent to said highway on the west, and Winnebago county on the east, and whereas, the Town of Black Wolf has voted to abandon said piece of highway when it shall be turned back to the town upon completion of said relocation, and, whereas, said Oshkosh Country Club and Winnebago county will then each own to the center of said abandoned highway, and whereas, said Oshkosh Country club has offered to pay \$4,000.00 for said bridge and highway, now therefore;

Be It Resolved; That the chairman and clerk of Winnebago county be authorized to execute to the Oshkosh Country club a deed to Winnebago county's interest in said highway when abandoned, to the Oshkosh Country club upon payment to the county of the sum of \$4,000.00, and be it further resolved that out of said \$4,000.00 when paid, the sum of \$1,000.00 to be paid to the Town of Black Wolf, as their interest in said highway and bridge, and the sum of \$3,000.00 be appropriated to the Winnebago County Highway Committee to aid in paying the expense of said relocation.

April 27, 1931.

GEORGE SPORE.

Remarks by District Attorney Keefe and Supervisor Clark.

On motion the rules were suspended and resolution adopted. Ayes 43, absent 1, Miller.

COUNTY TRUNK "T" TO BE A NINE FOOT CONCRETE ROAD

The following resolution No. 2 was presented:

Resolved by the Board of Supervisors of Winnebago county, Wisconsin: Whereas, it is the opinion of many people that it is not necessary, but that it is a needless expense to have a concrete pavement of eighteen or twenty feet in width on County Trunk "T," and

Whereas, Section 2 of Resolution No. 40 of the November, 1930 session, making an appropriation for paving said road does not specify the width of the road, therefore

Be It Resolved, by the Board of Supervisors of Winnebago county that county trunk "T" beginning at STH 110 and ending at county trunk "G" be paved with concrete nine feet in width, with shoulders of sufficient width to take care of the traffic which said road will bear.

Dated April 27, 1931.

F. O. MYERS

Remarks by Supervisors White and Myers. On motion the resolution was indefinitely postponed. Ayes 43, absent 1, Miller.

APPROPRIATION FOR NELSON A. MILES CAMP, U. S. W. V.

The following resolution No. 3 was presented.

Whereas, Nelson A Miles Camp No. 1, U. S. W. V. of Oshkosh, Wisconsin, has undertaken the matter of publishing a war history covering the activities of the citizens of Winnebago county in the Spanish American war, said history to be published and preserved as a war record, and

Whereas, the cost of compiling, publishing and printing such a history will be beyond the financial means of the said Nelson A. Miles Camp No. 1, and

Whereas, a document of that nature will be of general public and historical interest, now therefore

Be It Resolved, That there be and there hereby is appropriated to

Nelson A. Miles Camp No 1, U. S. W. V., the sum of One Thousand Dollars (\$1,000.00) to help defray the expense of collecting data and publishing the above history as a war record under the provisions of Sec. 59.03 of the statutes, and that this amount be turned over to the officers of said camp for the purpose hereinbefore stated.

Be it further resolved that the county clerk and county treasurer draw an order to the Nelson A. Miles Camp No. 1 for said amount.

ILLEGAL ASSESSMENTS COMMITTEE REPORT

The following report No. 3 was presented.

To the Honorable Board of Supervisors of Winnebago county, Wisconsin: Gentlemen:

Your committee of Illegal Assessments beg leave to report that they have had under consideration the petition of Earl E. Fuller, County Treasurer, for the cancellation of tax certificates Nos. 343, Sale of 1928 and 435, Sale of 1929, and find that said certificates are erroneous and void for the reasons stated in said petition, and your committee therefore recommends that said certificates be cancelled and the amount so paid be refunded to said petitioner with interest at the rate of 7 percent per annum, as follows:

Certificate No. 343, Sale of 1928, Face	\$10.86	
Interest	2.18	\$13.04

Certificate No. 435, Sale of 1929, Face	\$29.24	
Interest	3.83	33.07

Total	\$46.11	
-------------	---------	--

Your committee further recommends that the amounts so paid to the petitioner, on account of illegal and void certificates, be charged back to their respective districts, as follows:

City of Menasha	\$46.11	
-----------------------	---------	--

Your committee therefore recommends the passage of the following resolution:

Resolved, by the Board of Supervisors of Winnebago county, Wisconsin, that the County Clerk be and he is hereby authorized and instructed to draw county orders for the amounts to be refunded said petitioner, and he is further authorized and instructed to charge the amounts hereinbefore stated, back to their respective taxing district.

TO CONCRETE STATE TRUNK HIGHWAY NO. 116 AND COUNTY TRUNK "K."

The following petition, No. 1, was presented:
To the Honorable, the Board of Supervisors of
Winnebago County, Wisconsin:

Gentlemen: We, the undersigned residents of Winnebago County do hereby petition your honorable body to concrete the following described road during the season of 1932:

Beginning at Koro's corner in the town of Nepeuskun, at the intersection of State Highway 116 and County Trunk Highway "E," following State Trunk Highway 116 easterly through the village of Waukau to the intersection of State Trunk Highway 116 and County Trunk Highway "K," thence along County Trunk "K" to State Trunk Highway 44.

210 SIGNATURES.

Referred to the County Highway Committee.

APPLICATIONS FOR AID FOR BLIND

The applications of Mrs. Mary Schroeder, Frank Madel, Mrs. Augusta Hedtke, Fred Jerome Helf, Mrs. Amalie Nichols and Wm. L. Malchow were presented and referred to the committee on poor.

NOTICE FOR CLAIM OF MAE McDONALD

The notice for claim of Mae McDonald was presented and on motion referred to the district attorney.

PETITION FOR CANCELLATION OF TAX DEED

The following petition, No. 2, was presented:
To the Honorable County Board of
Winnebago County, Wisconsin:

Gentlemen: The petition of Lucy M. Williams of the Town of Neenah, Winnebago County, Wisconsin, respectfully shows and represents: That because of an error appearing in the assessment rolls of the Town of Neenah and the County of Winnebago, this petitioner paid taxes returned delinquent on property described as follows:

A piece of land fourteen (14) rods wide on the south side of the northwest quarter (NW¹/₄) of the northeast quarter (NE¹/₄), section 33, township twenty (20), range 17. Seven acres in the Town of Neenah, Winnebago County, Wis.

That on the 19th day of June, 1929, a tax deed was issued, executed by George W. Manuel, county clerk of Winnebago County, in favor of Lucy M. Williams.

That on the eighth day of January, 1930, this petitioner paid taxes in the amount of \$9.78 for the tax of 1929 for the said town of Neenah, receiving therefore tax certificate No. 356 on property described as follows:

A piece of land fourteen (14) rods wide on the west side of the northwest quarter (NW¹/₄) of the northeast quarter (NE¹/₄), section 33, township 20, range 17.

That said petitioner has paid taxes for the year 1930 on property described as follows:

A piece of land fourteen (14) rods wide on the south side of the northwest quarter (NW¹/₄) of the northeast quarter (NE¹/₄), section 33, township 20, range 17. Seven acres in the Town of Neenah Winnebago County, Wisconsin.

Your petitioner further represents that the descriptions above shown were erroneously made by the assessor of the Town of Neenah, and that it is through such error that this petitioner advises that she has paid taxes upon property legally owned by other persons.

That the property which this petitioner intended to redeem, and which she in fact thought she was redeeming, is clearly described as follows:

The east seven acres of the northwest quarter (NW¹/₄) of the northeast quarter (NE¹/₄) of Section 33, Township 20, north of range 17 east.

Wherefore, your petitioner, pursuant to the provisions of 75.22, with Wisconsin Statutes for the year 1929, respectfully asks that your honorable body make an order refunding the money paid for said tax deed, and all subsequent charges thereon and all subsequent taxes thereunder to the purchaser thereof, and that said tax certificates and deed be surrendered, cancelled and be declared null and void, and that the assessments of taxes against the said property be null and void.

LUCY M. WILLIAMS, Petitioner.

REPORT OF COMMITTEE ON ILLEGAL ASSESSMENTS

The following report, No. 5, was presented:

To the Honorable, the Board of Supervisors of Winnebago County, Wisconsin:

Gentlemen: Your Committee on Illegal Assessments to whom was referred petition No. 2, beg leave to report that they have had under consideration said petition and beg leave to report that it is apparent that the taxes have been paid in error by Lucy M. Williams on property located in the Town of Neenah, and they find that the certificates and tax deed issued thereon were invalid for reasons stated in said petition, and your committee therefore recommends that the full amount of taxes and subsequent charges be refunded to the petitioner, listed as follows:

Tax certificate No. 99, tax of 1928, sale of 1929, face \$10.56, interest \$0.53, county fee 35c, making a total of \$11.44 paid June 14th, 1929, on Town of Neenah, a piece of land 14 rds. wide on south side NW $\frac{1}{4}$ NE $\frac{1}{4}$, Section 33-20-17, 7 acres.....	\$11.44
Tax of 1927 face \$7.68, interest 45c, making a total of \$8.13 paid on Town of Neenah, a piece of land 14 rods wide on south side NW $\frac{1}{4}$ NE $\frac{1}{4}$, Section 33-20-17, 7 acres, paid April 5th, 1928....	8.13
Tax certificate No. 59, tax of 1926, sale of 1927, face \$8.66, interest 70c, county fee 35c, making a total of \$9.71 paid April 5th, 1928, on Town of Neenah, a piece of land 14 rods wide on south side NW $\frac{1}{4}$ NE $\frac{1}{4}$, Section 33-20-17, 7 acres	9.71
Tax certificate No. 55, tax of 1925, sale of 1926, face \$8.50, interest \$3.83, tax deed fee \$1.05, making a total of \$13.38, paid June 19th, 1929, on Town of Neenah, a piece of land 14 rods wide on south side NW $\frac{1}{4}$ NE $\frac{1}{4}$, section 33-20-17, 7 acres	13.38

TOTAL \$42.66

Your committee therefore recommends the passage of the following resolution:

Resolved by the Board of Supervisors of Winnebago County, Wisconsin, that the County Clerk be and he is hereby authorized and instructed to draw county orders for the amounts to be refunded said petitioner and he is further authorized and instructed to charge the amounts hereinbefore stated back to the Town of Neenah.

Dated July 27th, 1931.

Proceedings of the Board of Supervisors of Winnebago County

Annual November Session, 1931

Supervisors' Room, Oshkosh, Wis.

Tuesday, Nov. 10, 1931, 10 A. M.

The Board of Supervisors of Winnebago County, convened in annual session, pursuant to adjournment, Chairman Young presiding.

On roll call, all members of the board responded.

Chairman Young opened the session with a brief talk, stressing the necessity for cooperation in being economical in the affairs of the county.

Chairman Young announced that the clerk of the board, Geo. W. Manuel, had been taken ill, and would not be able to serve during this session. The deputy clerk, Irene C. Eggersgluess, would act as clerk of the board.

PETITION — MILLER BRIDGE

The following petition. No. 1, was presented:

To the County Clerk and the Road and Bridge Committee
of Winnebago County, Wisconsin:

Gentlemen: The undersigned town boards of the Towns of Winchester and Winneconne in the County of Winnebago respectfully petition your honorable bodies and set forth as follows:

1. That the bridge known as the Miller bridge and located on the Town Line road between the towns of Winchester and Winneconne at a point near the southeast corner of section 34, Town of Winchester, and the northeast $\frac{1}{4}$ of section 3, Winneconne, is in need of immediate reconstruction for the following reasons:

(a). The bridge is old and out of repair and floored with planks of insufficient strength to hold the loads it may be called upon to carry.

(b). The waterway under said bridge is too small to permit the passage through it of the water of Mud creek over which said bridge is built.

(c). That the Larson drainage ditch extending approximately eight miles northeasterly of the said bridge and draining a large territory into Mud creek, discharging a large volume of water through said bridge; that steps are now being taken to widen, deepen and enlarge said drainage ditch so that great volumes of water will pass through said bridge in the spring season.

(d). That said bridge is already so inadequate that in ordinary spring seasons the water is backed up by it to the north so that it flows over the highway, making the same unsafe for travel

(e). That plans for the enlarging of said drainage ditch are already under way and the drainage board reports to your petitioners that said ditch improvement will be made during the present season.

That by reason of the foregoing it is necessary that immediate action be taken for the reconstruction of said bridge.

Wherefore, your petitioners pray that your honorable bodies take immediate steps to provide for the reconstruction of the same according to law.

By CARL H. LEA,
ARTHUR NEUMANN,
MAURICE MATHISON,
Town Board of Winchester.
By J. F. ULRICH,
F. J. WENTZEL,
J. F. HAESE,

PETITION TO CONCRETE COUNTY TRUNK "A"

The following petition, No. 2, was presented:
To the Board of Supervisors of Winnebago County:

The undersigned citizens and taxpayers of Winnebago County, hereby petition the County Board of Winnebago County to reconstruct County trunk "A" in the Town of Black Wolf with a 20-foot concrete surfacing in 1932.

103 NAMES SIGNED TO
THE PETITION.

Referred to the County Highway committee.

PETITION FOR MUNICIPAL COURT AT NEENAH AND MENASHA

The following petition, No. 3, was presented:
To the Members of the County Board Representing the
Cities of Neenah and Menasha:

Convinced of the dire necessity for a local court presided over by an attorney of record, and in view of the fact that such a court may be provided without additional expense to the cities or county by establishment of the same on a fee basis as provided by Chapter 254 of the Wisconsin Statutes, we, the following members of the Twin City Bar association, respectfully request that the Neenah-Menasha County Board members sponsor such proceedings before the County Board as may prove necessary for the establishment of the same at their next regular meeting.

Referred to the Committee on Justice and Constables Accounts and the district attorney.

**PETITION -- GOMOLL AND MOORE BRIDGES,
IN THE TOWN OF UTICA**

The following petition, No. 4, was presented:
To the County Board of the County of Winnebago:
Gentlemen: The petition of the undersigned town board of the Town of Utica County of Winnebago, respectfully represents:

That during the summer season of 1930, the following bridges were found to be badly in need of repair, the piers being undermined, the bridge commonly known as the Gomoll bridge between sections 9 and 16 over Eight Mile creek and the Moore bridge, section 31, both bridges being in the Town of Utica, Winnebago County, Wisconsin.

That as a result thereof, the bridges became unfit for travel and that it was necessary to proceed to repair the bridges without delay.

That this petition is made in pursuance to the Wisconsin statute 87.01, subdivision (3) of 1927, permitting a petition of this kind to be filed with the county clerk and county highway committee for the purpose of obtaining immediate relief.

Whereas, your petitioners pray for an appropriation to be made by the said County of Winnebago to aid in the immediate repair of said bridges as provided by law.

Dated Jan. 30, 1931.

J. F. SHEA,
LEVI JONES,
GUY F. STONE,
Members of the Town Board of
Town of Utica, Winnebago
County, Wisconsin.

Referred to the County Highway committee.

**PETITION -- EDUCATION CHARGE, ADAMS FARM
SCHOOL CHILDREN**

The following petition, No. 5, was presented:
To George W. Manuel, Clerk, and Honorable
County Board of Winnebago County:

Gentlemen: L. H. Miller, clerk, A. F. Schroder, director, and W. A. Gould, treasurer, being and constituting the district school board of the Village of Winneconne, Winnebago County, Wisconsin, hereby make claim against Winnebago County in the sum of \$710.71 on account of pro rata share of cost of school facilities furnished by the school district of the Village of Winneconne for the education of pupils committed to the Adams Farm school at Winneconne, Wisconsin, by the juvenile court of Winnebago County, as charges of said Winnebago County.

You will further take notice, that pursuant to the provisions of an opinion of the attorney general of Wisconsin, which said opinion is dated Sept. 10, 1931, and pursuant to the expressed terms and conditions of section 40.21, subdivision (2) of the Wisconsin statutes for 1929, the county board shall annually allow to the school district in which indigent pupils attend school as charges of the county, a pro rata share of the year's expense of maintaining said school.

You will further take notice, that pursuant to judgment entered on the ninth day of September, 1931, by Hon. Fred Beglinger, circuit judge, in an action entitled State ex rel. Adams School for Girls and Boys, Petitioner, vs. L. H. Miller, Clerk, A. F. Schroder, Director, and W. A. Gould, Treasurer, being the officers and members constituting the District School Board of the Village of Winneconne, Winnebago County, Wisconsin, it was adjudged and found that Winnebago County was liable for the pro rata share of the cost of maintaining school facilities for all children committed to the Adams Farm school from Winnebago County, as indigent charges of the county.

You are further advised, that the total cost of maintenance of the schools of Winneconne for the year 1930-1931, was \$19,009.75. That state and county aid amounted to \$4,148.91, leaving a net cost of operating said school system of \$14,860.84.

You will further take notice, that the average school attendance during said school year was 230, making the pro rata share for each pupil attending said school \$64.61.

You are further advised, that during the school year of 1930-1931,

11 pupils regularly committed to the Adams Farm school as indigent charges of Winnebago county were in attendance at said school, and that the village school board of the Village of Winneconne is entitled to receive from Winnebago County the amount of its claim made herewith, in the sum of \$710.71.

L. H. MILLER, Clerk,
A. F. SCHRODER, Director,
W. A. GOOLD, Treasurer,
District School Board.

**STATE OF WISCONSIN,
WINNEBAGO COUNTY — SS.**

Lamont Miller, being first duly sworn on oath, deposes and says that he is clerk of the school board of the Village of Winneconne, Winnebago County, Wisconsin, and that he makes this verification in behalf of said school board, being duly authorized by them so to do.

That the above and foregoing account is just and true, and the statements therein contained are true, as this deponent is informed and verily believes, and that there are no off-sets or counterclaims thereto, and that there is justly due the school board of the Village of Winneconne the amounts set forth in the above and foregoing claim and demand.

L. H. MILLER.

**PETITION TO EXEMPT ADAMS FARM SCHOOL FROM TAXATION,
AND CANCELLATION OF TAX CERTIFICATES**

The following petition, No. 6, was presented:

To the Board of Supervisors of
Winnebago County, State of Wisconsin:

The petition of Adams School for Girls and Boys respectfully represents:

That petitioner is a duly incorporated institution under the laws of the State of Wisconsin, for the purpose of providing a home and proper care for girls and boys accepted for such purpose, and that no dividends or pecuniary profits may ever be declared or paid to the members of said corporation. That a copy of said articles of incorporation is hereto annexed and marked Exhibit "A."

That said corporation was duly organized for the purposes of conducting the business for which it was organized on the thirtieth day of August, 1928.

That on the thirtieth day of August, 1928, the said corporation acquired and has since been the owner of certain lands located in the Village of Winneconne, and in the Town of Winneconne in Winnebago County, State of Wisconsin, which lands are described in the tax rolls of said Village and Town of Winneconne, and in the tax certificates now held by Winnebago County, as follows:

The northwest quarter of the southwest quarter of section 15, township 19, range 15 east, containing 40 acres; also the west half of the southwest quarter of the southwest quarter except 40 rods north and south by 20 rods east and west in the southwest corner of section 15, township 19, range 15 east, containing 15 acres; also the southeast one-quarter of the southeast one-quarter of section 16, township 19, range 15 east, containing 40 acres; also Lots 12, 15 and 16 of Block 1, Hamlin, Twining, Smith & Everett's subdivision of the village of Winneconne; also Lots 1, 2, 7 and 8 of Block 9, of the original plat in the Village of Winneconne. That all of said land first above described is located in the Village of Winneconne, Winnebago County, Wisconsin. Also part of SW $\frac{1}{4}$ of NW $\frac{1}{4}$ of section 22, known as school land, Block 19, in said village.

That the lands of petitioner so acquired in the Town of Winneconne are described as follows:

The southeast quarter of fractional section 9, township 19, range 15 east, containing 15 acres; also Lots 5, 6, 7, 8, 17, 36, Lasley's point plat; also the southwest quarter of section 10, township 19, range 15 east, containing 160 acres; also the north 30 acres of the east one-half of the southwest quarter of section 13, township 19, range 15, all in said town of Winneconne, Winnebago County, Wisconsin.

That on the 20th day of August, 1930, said petitioner acquired by gift four acres of land in said Village of Winneconne with improvements thereon, and that since Aug. 20, 1930, it has been, and now is, the owner thereof, said parcel of land being described as follows:

Commencing 8 rods north of the southwest corner of the southwest quarter, of section 15, running thence east 20 rods, thence north 32 rods, thence west 20 rods, thence south 32 rods to place of beginning, containing 4 acres, all in section 15, township 19, range 15 east, in said Village of Winneconne.

That there are valuable improvements upon said property adapted to the carrying on for the purposes of petitioner, and that all of said land and improvements hereinbefore described have continuously been actually used from the time same was so acquired, for the purpose of conducting a home for orphan children, half-orphan children, and homeless, abandoned and neglected children.

That during the years 1929, 1930 and 1931, 31 girls and boys have been inmates of petitioner's said home, and that at the present time there are 24 inmates of said home. That all of said children are minors under the age of 18 years, and that 12 of said children have no parents living, eight of them have but one parent living, and four have both parents living, but that in all cases except one, said children have been committed to the care and custody of petitioner as a licensed child welfare agency by some municipal or county court acting as a juvenile court, and have been maintained by petitioner on the said property hereinbefore described, and that during all of the times mentioned herein, petitioner has been, and now is, duly licensed by the said board of control of Wisconsin, as a child welfare agency under the provisions of the Wisconsin statutes.

That it has been, and is the desire of the petitioner not to designate by its corporate name, its institution as an orphans' home or orphans' asylum, although the percentage of whole and half orphans cared for by petitioner at its said home, is, as petitioner is informed and believes, greater than that of any other child welfare institution in this state that designates itself as an orphans' home or orphans' asylum, and that petitioner at all times mentioned herein has been, and is now, conducting an orphans' home as defined in subsection 15 of section 70.11 of the Wisconsin statutes.

That accompanying this petition and marked Exhibit "B," is a tracing prepared by the Winnebago county abstract department of the lands above described and owned by petitioner, said lands being those enclosed within the red lines, the limits of the Village of Winneconne being designated and marked with blue lines, other lands being outlined with black lines.

That said tracing also designates the general location of the improvements on the lands owned by petitioner.

That all of said lands and improvements and the personal property of petitioner, all actually used by petitioner in the manner above set forth, have been taxed for ad valorem taxes assessed for the years 1929, 1930 and 1931, without any exemption from taxation of any of said property, real or personal, so employed and belonging to petitioner.

That attached hereto and marked Exhibit "C" and made a part hereof, is a copy of a statement furnished by the county treasurer for said Winnebago County, showing the property of each certificate, a description of the land, and the amount for which said lands were sold for taxes for the years 1929 and 1930 respectively. That Winnebago County bought in and now holds each of said tax certificates issued against the said real estate on account of tax sales of 1930 and 1931.

That the said Town of Winneconne has assessed the personal property of petitioner used in conducting and operating said home of petitioner in the Town of Winneconne in the sum \$2,125 for taxes for the year 1930, and a like amount for the year 1931, as petitioner is informed and believes.

That petitioner contends that all of its said property hereinbefore described and referred to is now exempt from taxation and was exempt from taxation for taxes assessed for the years 1929, 1930 and 1931, except only the four-acre tract acquired in 1930, and which last mentioned tract is claimed to be exempt from taxes for the years 1930 and 1931, and that the sales of said property for the taxes of 1929 and 1930 are

null and void, all by reason of the provisions of subsection 15 of section 70.11 of the Wisconsin statutes.

Your attention is called to Chapter 38 of the Laws of 1897, which chapter amends the charter of the Milwaukee Orphans' Asylum, and provides for the establishment and maintenance of an orphans' asylum by that institution at or near the City of Milwaukee, for the care, custody, maintenance, education of, and procuring homes for orphans, half-orphans, homeless, abandoned, neglected or grossly ill-treated minor children, and the legislature by said chapter exempted all the lands and other property of every name at any time owned by said corporation, and apply to the purposes for which it was formed, from assessment or taxation, and further provided that said act should be construed in all courts and places benignly and favorably for every humane, charitable and laudable purpose therein contained.

Subsection 33 of section 1038 of the Statutes of 1898 specifically exempted all the real and personal property of the Milwaukee Orphan Asylum.

Said subsection 33 of section 1038 of the Statutes of 1898 continued in effect until same was amended by chapter 265 of the Laws of 1919, so as to exempt all the real and personal property of any orphan asylum or orphan home located in the state so long as the same is actually used for such home. That it clearly appears from such legislation that the legislature of this state intended to exempt institutions such as that conducted by petitioner from taxation of all its real and personal property so long as same is actually used for conducting such a children's home, as is, and has been, conducted by petitioner, and that in practice the real and personal property of such institutions in the state since 1919 have in almost every instance been exempted by the local tax authorities from assessment for taxation purposes, except for special improvements.

That said section of the statutes is now known as subsection 15 of section 70.11 of the statutes of 1929, and that said subsection has been construed by the attorney general of this state, holding that the real and personal property of an institution such as that conducted by petitioner is exempt from taxation so long as said property is used for the purpose of conducting an orphans' home or asylum.

That attached hereto and marked Exhibit "D" is the opinion of the attorney general's office.

That attached hereto and marked Exhibit "E" is an opinion of the tax commission of the State of Wisconsin, and that attached hereto and marked Exhibit "F" is a copy of the opinion of the tax commission based upon an application by petitioner for a construction of said statutes as apply to the property set forth in this petition.

It is evident from such opinions, that the property of petitioner is exempt from taxation as set forth in this petition.

Wherefore, petitioner prays, that your honorable body make an order for the cancellation of each of the said tax certificates mentioned in Exhibit "C" hereto attached, for the reason that the sale of said lands for the non-payment of taxes was invalid, because at the time said taxes were levied the said lands were exempt from taxation.

PETITION TO PUT OAKWOOD ROAD, ON THE COUNTY TRUNK HIGHWAY SYSTEM

The following petition No 7 was presented.

Nov. 6, 1931.

Board of Supervisors, Winnebago County, Oshkosh, Wis.
Gentlemen:

We hereby petition you to adopt the Oakwood Road, running from the school house on the Omro Road, north to the lake, a distance of about one mile, as a county road.

During the past season, over \$6,000.00 was spent in constructing a black-topped road for this distance, and it is now in A-1 condition.

Inasmuch as the road has been completed, and is in such good condition, we trust that you will adopt it now as a county road.

For your information, we believe there is not one mile of road in Winnebago County that pays the amount of taxes that this road produces, and it is paid by the property owners using the road to get to and from their property

We shall appreciate your kindness and consideration.

This road is located in the Town of Algoma.

Ten names signed to the petition.

Referred to the County Highway Committee.

PETITION—TO PATROL ROAD IN TOWNS OF OMRO AND UTICA

The following Petition No. 8 was presented.

We, the undersigned, residents and tax payers of Winnebago County, respectfully recommend the county highway committee, that a certain piece of highway, beginning forty rods north of the center of Section Eleven, T. 18, R. 15 E. thence south through the center of Section Fourteen, Twenty-three and Twenty-six, thence west eighty rods, thence south on the quarter section line, to the town line road, of Omro and Utica, and thence south on the quarter line, across Section Two and Eleven in the Town of Utica, to the concrete highway south of Fisk, be placed on the county highway patrol.

Fifty-eight names signed to the petition.

Referred to the County Highway Committee.

PETITION TO PATROL ROAD IN TOWN OF RUSHFORD

The following Petition No. 9 was presented.

To the Honorable, the Board of Supervisors of Winnebago County:
Gentlemen:

The undersigned citizens and taxpayers of Winnebago County do hereby petition your honorable body to place the following described road on the county system of highways to be maintained by the county. This road will also connect up with a proposed county trunk in Wau-shara County.

Commencing at the junction of County Trunk "K" and S.T. H. 21 between sections 9 and 10 in the Town of Rushford, Winnebago County, extending one mile north, thence westerly to west county line between Winnebago and Wau-shara counties.

One hundred one names signed to the above petition.

Referred to the County Highway Committee.

PETITION TO PATROL ROAD IN TOWN OF NEPEUSKUN

The following Petition No. 10 was presented:

Nov 2, 1931.

To the Honorable, the Board of Supervisors of Winnebago County:
Gentlemen:

The undersigned Chairman of the Town of Nepeuskun, Winnebago County, does hereby petition your honorable body to place the following described road on the county system of highways, to be maintained by the county:

The road just west of the Koro creamery running south from S. T. H. 116, through section 8, thence along the west line of Sections 17 and 20, thence through Section 29 and 32, connecting with county trunk

"NN" of Fond du Lac County, approximate length 5½ miles.
W. C. CASWELL.

Referred to the County Highway Committee.

PETITION—NOBEL BRIDGE

The following Petition No 11 was presented.

To the Honorable, the Board of Supervisors of Winnebago County:
Gentlemen:

The petition of the undersigned chairman of the Town of Black Wolf, Winnebago County Wisconsin, respectfully shows as follows: That the Town of Black Wolf has voted to construct a bridge wholly within the said Town of Black Wolf, known as the Nobel Bridge located between Sections 32 and 33 in said town

That the said town has appropriated the sum of Two Thousand Dollars (\$2,000.00) to be one-half the cost of the construction of the said bridge and the cost of said bridge is more than Two Hundred Dollars (\$200.00) and its estimated cost is \$4,000.00, and the assessed valuation of the said Town of Black Wolf is equalized by the county board at \$2,290,000.

Wherefore your petitioner prays that the county board appropriate Two Thousand Dollars (\$2,000.00), with which to pay one-half the cost of the construction of said bridge, as required by Section 87.01 of the Wisconsin Statutes and that such proceedings be had for the construction of the bridge as provided by law.

PETITION — BARNETT AND HEISE BRIDGES

The following petition, No. 12, was presented:

To the Honorable, the Board of Supervisors
of Winnebago County:

Gentlemen: The petition of the undersigned chairman of the Town of Omro, Winnebago County, Wisconsin, respectfully shows as follows:

That the Town of Omro has voted to construct two bridges wholly within the said Town of Omro, known as the Barnett bridge located between sections 22 and 27, also the Heise bridge located between sections 27 and 28 in said town.

That the said town has appropriated the sum of twenty-five hundred dollars (\$2,500.00), to be one-half the cost of the construction of said bridges and the cost of said bridges is more than two hundred dollars, and the estimated cost is \$5,000.00, and the assessed valuation of the said town of Omro is equalized by the County Board at \$2,561,747.

Wherefore, your petitioner prays that the County Board appropriate twenty-five hundred dollars (\$2,500.00), with which to pay one-half the cost of the construction of said bridges, as required by section 87.01 of the Wisconsin statutes and that such proceedings be had for the construction of the bridges as provided by law.

Dated Nov. 10, 1931.

E. D. PINGRY,
Chairman, Town of Omro.

Referred to the County Highway committee.

PETITION FOR HARD SURFACING TOWN LINE ROAD TO WAUKAU

The following petition, No. 13, was presented:

November 7, 1931.

We the undersigned taxpayers and citizens of Winnebago County wish to petition the county board to consider the paving or hard surfacing of the Town Line Road extending from Waukau to State Highway 41.

Considerations:

1. Why tear up a hard road bed (County K).
2. The repair on the town line road has been neglected because the people have been informed that said road was to be paved.
3. Why not consider the most direct route?
4. Why not select the highway that will boost the business of the City of Oshkosh.

68 NAMES SIGNED TO THE PETITION.

Referred to the County Highway Committee.

TO ADD TOWN LINE ROAD TO WAUKAU ON COUNTY PATROL SYSTEM

The following Petition No 14 was presented.

To the Honorable, the Board of Supervisors of Winnebago County:
Gentlemen:

The undersigned hereby petitions your honorable body to consider the adding of what is known as the Town Line Road (extending from Waukau east between the Townships of Rushford, Utica, Omro, Nekimi and Black Wolf to State Trunk Highway 41) to the County Trunk Highway System.

Either by the rerouting of County Trunk "K" or by some method the County Board considers it is justified to use.

Dated Nov. 12, 1931.

T. A. ZENTGRAF.

Referred to the county highway committee.

Motion that during this session, when the board adjourn on Fridays that it be until Monday mornings at 10 A. M. carried.

On motion the board adjourned to 10 A. M. Thursday, November 12th.

Total receipts\$29,104.62
Total disbursements 28,789.67

Profit\$ 314.95

While other fairs have been showing in a large number of cases distinct losses for the year 1931, yet our own Winnebago County Fair and Exposition was able to again show a gain. This is a very credible showing when we take into consideration the bad rainy weather during fair week and the infantile paralysis scare which kept many people away.

The board of directors of the fair association this year recommends that the County Board of Supervisors cut off \$500 from the annual appropriation, and that only \$1,500 be appropriated for this year for maintenance and the Poultry Associations, thus making a cut of 25 percent.

Respectfully submitted,

GEORGE H. RYF,
Acting Secretary.

On motion accepted and placed on file.

APPROPRIATION FOR COUNTY FAIR

The following Report and accompanying Resolution No. 3 was presented:

Oshkosh, Wis. Nov. 4, 1931.

To the Honorable, the Board of Supervisors
of Winnebago County, State of Wisconsin:
Gentlemen:

Your committee on county fair makes the following report and recommendations—

1 That the report of the secretary of the Winnebago County Fair

Association be received and placed on file.

2 That in accordance with the wishes of the officials of the Fair Association, we cut the Fair appropriation 25 percent, making it \$500.00 less than last year

3 That \$1,500.00 be appropriated for the maintenance of the County Fair, this being \$500.00 less than last year, or a cut of 25 percent.

4 That the Winnebago County Fair Association pay out of the sum of \$1,500.00, appropriated for maintenance, the sum of \$200.00 to the Twin City Poultry Association of Neenah-Menasha, and the sum of \$200.00 to the Wisconsin State Poultry Association of Oshkosh. The judgment of the committee is that the county fair appropriation should be kept together under the head of county fair, and the county fair make the adjustment of funds with the Poultry Associations.

Be it further resolved that the above mentioned sums be placed in the county budget for 1932 to be paid out on the order of the county clerk, upon written recommendation of the County Fair Committee and the Chairman of the County Board.

Respectfully submitted,
CHARLES HAASE

PETITION FOR APPOINTMENT OF AN INVESTMENT COMMITTEE

The following petition, No. 15, was presented:

WHEREAS, it appears that Chapter 59.75 of the Wisconsin Statutes of 1929 authorizes the County Board, or a committee thereof designated by it, to invest any funds that come into the hands of the county treasurer in excess of the sum he is authorized by the County Board to retain for immediate use, in the name of the county, in certificates of deposit or in interest bearing bonds of the United States or of any county or municipality in the state, and that the County Board or committee may sell such securities when deemed advisable,

THEREFORE, I, Earl E. Fuller, county treasurer, hereby petition your honorable board to appoint such a committee, whose duty it shall be to confer with the county treasurer in the investment of any surplus funds in the county treasury.

Dated Nov. 13, A. D., 1931.

EARL E. FULLER.

Dated Nov. 13, 1931.

GEORGE SPORE.

On motion the rules were suspended and resolution adopted. Ayes 42, absent 2, Haase and Howlett.

RELOCATION OF OMRO-WAUKAU ROAD

The following resolution, No. 5, was presented:

WHEREAS, a widespread demand exists for the relocation of the highway between the Village of Omro and the Village of Waukau from

state trunk highway No. 116 to and over county trunk highway "F" from the said Village of Omro to the intersection of the Zion road or county trunk "K," and

WHEREAS, the relocation of such highway would eliminate many dangerous curves and afford a more direct route between said villages;

NOW, THEREFORE, be it and it is hereby resolved by the County Board of Supervisors of the County of Winnebago and State of Wisconsin, that the route between the Village of Omro and the Village of Waukau be relocated from state trunk highway No. 116 to and over county trunk highway "F" from said Village of Omro to the intersection of the Zion road or said county trunk highway "K," thence west along said county trunk highway "K" to the intersection of said county trunk highway "K" with said state trunk highway No. 116, thence south on said state trunk highway No. 116 to the Village of Waukau, Winnebago County, Wisconsin, and

BE IT FURTHER RESOLVED, that said portion of county trunk "F" leading from said Village of Omro to the intersection of the Zion road or county trunk "K" be embraced and included with the program for the pavement of said county trunk "K" to be built at the same time as said county trunk "K."

BUDGET COMMITTEE

The following resolution, No. 6, was presented:

To the Honorable Board of Supervisors
of Winnebago County, Wisconsin:

Gentlemen: Whereas, the Budget committee of your board finds that it is often necessary to secure more detailed information from persons and departments making requests for appropriations in order to intelligently consider and pass upon such requests,

And whereas, such committee is desirous of securing authority from this board to enable said committee to secure such information and data,

Now, therefore, be it resolved, by the County Board of Winnebago County, Wisconsin, that the Budget committee of Winnebago County, Wisconsin, be and it is hereby authorized and empowered to call before said committee such persons as it may be deemed necessary to properly pass upon appropriation requests of the various persons and departments of the county, and to require the production of data and records in connection with same which, in the opinion of said committee, may be material and essential in considering and passing upon such appropriation requests.

Dated Nov. 13, 1931.

STATE POLICE FORCE

The following resolution, No. 7, was presented:
To the Honorable Board of Supervisors
of Winnebago County:

WHEREAS, Authentic reports from every county in the state of Wisconsin indicate that crime in general continues to increase at an alarming rate;

AND WHEREAS, The increasing activities of criminals have made victims of all classes of Wisconsin citizens who have any movable property or cash—by stealing livestock and crops, hijacking chicken shipments, stealing automobiles, killing and robbing automobile travelers, robbing stores, filling stations, banks and homes, and by burglarizing in the night time—generally endangering the life and property of law abiding citizens;

AND WHEREAS, The increase in robberies and burglaries, particularly can no longer be adequately prevented or combated by local police organizations, thereby creating a situation serious enough to prompt the police chiefs of this state in convention assembled at Milwaukee, to appeal to the governor and legislature of the state of Wisconsin to organize and maintain a state police force to give greater protection to the citizens of this state and their commercial interests, to the end that apprehension, conviction and sentence of criminals may be accomplished with greater dispatch and efficiency;

AND WHEREAS, The County Board of Supervisors of Winnebago County has appropriated large sums of money in the past, for the equipment of special deputy sheriffs to augment the sheriff's office in combating and apprehending criminals;

BE IT THEREFORE RESOLVED, That the Winnebago County Board of Supervisors, in annual session assembled, go on record as favoring the organization and maintenance of a state police force, (with proper restrictions that will positively safeguard the interests of labor), together with such other bureaus and departments as have proven helpful and efficient in combating and reducing crime in other states.

AND BE IT FURTHER RESOLVED, That a copy of this resolution be sent to the governor of this state and to the senator and assemblyman of this district.

Dated at Oshkosh, Wisconsin, this 13th day of November A. D. 1931.

Signed: E. D. PINGRY.

REPORT OF COUNTY SUPERINTENDENT OF SCHOOLS OF WINNEBAGO COUNTY, 1931

The following Report No. 13 was presented
Honorable Members, County Board of Supervisors, Winnebago county,
Wisconsin:

Gentlemen:

Herein contained is a brief report stating the condition of the Winnebago County Schools for the year ending: June 30, 1931. (Laws of Wisconsin 30.03 paragraph 4.) This report is based on the county superintendent's report to the state superintendent, submitted by my predecessor, Avery C. Jones.

The American people as a whole believe in schools. Our country's greatness can be traced to a basic belief in popular education, and to the ideals of the people who have made the support of education a fundamental duty.

The schools bear witness to an adequate growth in cooperation between members of each individual community in the acquisition of materials for actual school needs, and the improvement of housing facilities. Space does not permit detailed reports of the many changes that have been made, but the following are worthy of note:

The school year 1930-31 saw the completion of four new buildings, namely Winnebago School, District No. 9 town of Oshkosh, Vosburg School, District No. 5 town of Vinland, Alienville School, District No. 7 town of Vinland, and King School, district No. 6 Jt. town of Rushford. Since June 30, 1931 the Slough Bridge school district No. 5 town of Oshkosh, is housed in a new modern brick structure erected on a new site.

Other districts have made extensive improvements in providing correct lighting, installing new heating systems, electric lights, enlarging the school grounds, and providing protection for the grounds by erecting substantial fences.

These communities and those that have made the necessary repairs to improve their school plants, make the efforts in education worth while in that the boys and girls of the county have increased opportunities in these school facilities. Not only have the communities provided the larger facilities of school life, but seating, black board space, recitation chairs, seatwork materials, supplementary readers, sanitary water fountains, and bubblers, playground and playground equipment, warm lunch equipment, and provisions for necessary school supplies have improved consistently. Most of our schools may have the standard minimum requirements of a good school, but we cannot overlook the needs of a provision for free text books in every district, a one hundred percent hot lunch program, and beautification of the school grounds.

Service Standards

It is the aim of the county superintendent to bring before the teachers and the school boards the needs of the schools in order to make the work more effective. The course of study is outlined in clearly defined units, approved procedures are recommended and detailed lesson plans are provided. As a result, practically the same type of work is being done in every school room in the county at the same time each day. New standards have been established to care for the individual differences in pupils, and it is pleasing to note the cooperation that has come from the teachers and the public in supporting this enlarged program.

This office plans to give personal attention to every school. Slow schools are speeded up and strong schools are helped to extend their efforts. New teachers are helped to make a satisfactory and successful adjustment in a new environment.

School Boards

The school boards, the business managers of the various districts, have shown a vital interest in the schools through their whole-hearted cooperation and in supplying the working tools and promoting the best interests of all concerned. The attendance and interest shown

at the school board convention is a manifestation of their support.

The school which is in direct contact with the community through Parent Teacher association or a Community club is fortunate indeed. These organizations have continued in progressive activities which have in many instances resulted in material good for the schools in the form of playground equipment, hot lunch equipment and other useful apparatus. A large percentage of our school buildings serve as community centers and thus the school and the home are brought into closer harmony with each other.

Promotions

For some time the office of the county superintendent in cooperation with the teachers has assumed the responsibility of promotions at the close of the school year. In an effort to raise the scholastic standards of the schools, educational tests and measurements are regularly used and a county test is administered to the sixth grade pupils as well as to the seventh and eighth grades. If a pupil is found to be weak in his work and the repetition of a grade is advisable, the foundation work should be strengthened before the pupil is allowed to enter the seventh grade. This plan has proven its success by reducing the number of eighth grade failures to a marked degree.

Health

Under the efficient direction of our county nurse, Sena Peterson, the health program in our schools is steadily progressing. With a definite dental program carried out by a dental hygienist, Mrs. Mildred Weng, and the cleanliness and health instruction given through the cooperation of the nurse with the teachers, the standards of healthful living are consistently being developed into good habits and right attitudes.

Library Service

The Winnebago County Library is rendering a very distinct service to the schools of this county through its circulating libraries. Many of our schools are deficient in reference materials, for history, geography, nature study and other subjects, and the manner in which the county library is able to meet requests for this material is very gratifying indeed. Many of our schools are library stations which furnish in addition to the children's books, a splendid variety of reading matter to the people of the community. The picture packets furnished the teachers for picture study is also an extension in the library service which has proven very helpful indeed.

Attendance

The unusual weather and road conditions which were prevalent last winter had a very desirable effect upon school attendance. We are very happy to report that the percentage of attendance in all schools, rural state graded, and village was higher than in previous years.

Net Enrollment	Average Daily Attendance	Percentage of Attendance
Rural Schools	1898	90
State Graded	250	92
Grades below High School	331	93
High Schools	277	90

There are a limited number of cases of truancy during the year which usually can be cared for through personal calls at the homes. The most difficult problems of school attendance which confront us are the pupils who are past 14 years of age and have not completed the eighth grade, but who are kept out of school for economic reasons to help with farm work or work in the home. The problem of the four or five year old child who is too immature for regular school work has practically been eliminated from the county, through the splendid cooperation of the teachers and the personal conferences with the parents.

Eighth Grade Commencement

The county commencement exercises were resumed again this year with a program held at the Strand Theatre, Oshkosh, June 5, 1931 at which 259 pupils from rural and state graded schools were awarded eighth grade diplomas. The final contests in music and declamation were held the same day.

Educational Tour

This office cooperated with the office of the county superintendent of Outagamie county in sponsoring the Outagamie Winnebago Educational Tour to Washington, D. C., in May, 1931. Many of our pupils, their parents, teachers and friends took advantage of the unusual offer of attractive rates made by the railroads and spent a very profitable time visiting Harpers' Ferry and the Nation's Capitol.

General

Our first attention has been given to the improvement of instruction in our schools. Exact reports of each visit to a school have been made to the teacher and the school board. Conferences with the school officers have been held. A fine professional attitude is evidenced by the teachers in the open minded and cooperative manner in which criticisms, suggestions, and recommendations are received. The Winnebago County Teachers association organized some years ago has had a voice in the Wisconsin Teachers association through its delegate to the state convention. This year, the increased enrollment in the state association warranted representation by two delegates in the delegate assembly. Our aim is a 100 percent enrollment in the state association.

Direct contacts with the people of the county are made through community clubs, parent teacher association, and other organizations. Cooperation is extended to the office of the County Agricultural Agent in the 4H Club activities. Several of the county teachers serve as local 4H Club leaders and thus have an opportunity to extend their services beyond the district boundaries. Contests in academic subjects, declamations, singing, and rhythm and harmonica band work were held last spring. The county winner in spelling and achievement took part in the state contest held at the state fair. The teachers and pupils deserve much credit for the splendid manner in which they respond to the outside activities. As in former years the county schools made a creditable showing in the educational department of the county fair and the winning entries at the county fair were exhibited at the state fair.

Institute Fund

During the past year in addition to the helps given in supervision, training in service was rendered through the organization meeting and institute held Sept. 6, 1930, and art instruction given Feb. 7 and 14, 1931. The state apportionment for institute work is based on the number of teachers employed in the county. The following is the financial statement of the institute fund from July 1, 1930, to June 30, 1931.

Supervision

I wish to embody in this report my report of services rendered the county in the capacity of supervising teacher for the 10-month term beginning Aug. 25, 1930, to June 24, 1931.

Supervision means training teachers in service. The duties of a county supervising teacher are very clearly defined by the law which created the office and the supervisory guides which are extended by the State Department of Education in their annual conference held at West Allis and the suggestions and recommendations issued to us from time to time.

Improvement of instruction is effected through:

1. Research.

2. Framing of Objectives and Planning
3. Executing the Plans
4. Judging Results

Our supervisory objectives are accomplished through:

1. Class room visitations
2. Bulletins and detailed lesson plans sent from the office
3. Institutes and group meetings of teachers

The work of class room visitation consists of:

1. Checking the age, grade statistics and suggestions for remedial work.
2. Examinations of textbooks and library books and outlining a complete reading program
3. The examination of the teacher's daily program
4. Conference with the teacher regarding the seat work activities of the children and the plan for making assignments.
5. A study of and suggestions for economizing in school management
6. Attention to the physical conditions of the school and suggestions for school room beautification
7. Encouraging the teacher to work out some special problems
8. Analyzing recitations and conferring with the teacher regarding strong and wasteful practices
9. Checking on the individual pupil's progress based on age grade statistics
10. Conferring with the teacher on results of tests sent out from the county superintendent's office.

The highest type of supervision is that which is given at a request for help from a teacher. The numerous requests and the spirit with which recommendations and suggestions are received prove conclusively that this work is past the experimental stage and is actually functioning in promoting educational progress. To the beginning teacher, to the teacher who may be experienced in the profession but who is new in the county, and to the teacher who is finding it difficult to make a satisfactory adjustment in a new environment, the supervising teacher may prove a very helpful friend indeed. To the more experienced, well adjusted teacher the supervisor may prove a source of inspiration and encouragement to try new ideas and solve new problems.

The following detailed summary of the work for the year 1930-31 covers the activities of the supervising teacher:

Number of days spent in visitation of schools	130
Number of days spent in assisting with teacher's meetings	25
Number of days spent in clerical work	5
Number of days spent in community work	9
Number of days spent in professional visiting	15
Number of days spent on diploma examinations	16
Number of different schools visited	112
Number of school visitations	327
Number of conferences with school officers	61

The time devoted to supervision but not accounted for in the above report was spent in preparing outlines and bulletins, and in exercising the duties involved while serving as president of the Winnebago County Board of Education.

The total cost of the office of Supervising Teacher, salary, and traveling expenses for the past year was \$2,961.15.

My reappointment to the work for the current year was made and I served in that capacity from Aug. 27, to Sept. 29, 1931. The vacancy in the supervisory position has been filled by the appointment of Miss Eva C. Monson for a term beginning Oct. 17, 1931, and ending June 30, 1932. Miss Monson's selection for the position was based on her qualifications in training and her varied teaching experience, and a genuine and sympathetic interest in the rural boys and girls. We feel assured of a successful continuation of the supervisory activities in the county under her able direction. Up to date 30 days have been spent in supervision by the supervising teacher and the county superintendent and 91 visits have been made. The plans for the year include special institutes for music and group meetings of teachers held on Saturdays for discussion of class room problems and professional reading. The general routine work of the office and the service to teachers in the form

of mimeographed materials and helps has been very efficiently cared for by a full time secretary. Alice Spiegelberg, who served the county in that capacity in a most conscientious manner for six years, resigned in August and her place has been filled by a well trained and capable worker, Jane Hurlbutt.

The work of supervision and administration in any field is interesting indeed, but that which brings the worker in direct contact with the most valuable asset of our nation, our boys and girls, has the added distinction of helping to mold character and shape lives. We have no gauge by which we can measure the results of our efforts. In that little rural school to which we have the privilege of ministering may be found the statesman, the genius, the doctor, the educator, the captain of industry or the great musician of the future. If by some little act or kind word we have in any way helped to kindle that spark of genius or awaken a desire for truth, our work is worthy.

Education is a cooperative enterprise. We need the active support of the public at all times. To those with whom I have worked the past six years, the pupils, teachers, the school boards, the patrons and all others, I extend a sincere thank you. If my work as county superintendent will be accorded the same courtesies and cooperation that I have received as supervising teacher, I shall be happy indeed.

To the members of the Board of Supervisors of Winnebago County I extend through this report the greetings from the teachers and the pupils in the county. We have faith that in your arduous task of carrying out in a conscientious manner the wishes of your communities you will be mindful of your duty to the schools and the privilege of doing your share in educating our youth. We solicit your approval and support.

114 of the calls on Communicable Disease cases were for infantile paralysis. We had 29 cases in the county and according to latest reports all cases will recover without any remaining paralysis. With the exception of two cases all received the convalescent serum. About 19 schools were closed which was unnecessary in some instances. Several home visits were made on each family quarantined and literature on infantile paralysis was given to the public wherever and whenever possible. The after care and treatment in pamphlet form was sent to every family who had a patient with this disease.

No. of health talks to groups	13

All schools are urged to carry a Health Program, such as cleanliness, hot lunches, good teeth and posture campaigns.

A special competition project this year including all phases of health work is being worked out in nearly all of the schools. We are asking for a scrap book made by the children depicting health. These are to be sent to our office at the end of the first semester, when they will be judged. A prize of \$5.00 is offered for the best one, the money is to be used to buy something pertaining to health for the school room. We also have the good teeth campaign using a chart with an O. K. slip being given to each child possessing good teeth. A 100 percent certificate is issued to the school when all children have good teeth.

An educational booth was arranged for at the county fair in cooperation with the City Health Department Nurses. A mechanical device was rented from the National Dairy Council depicting the different

uses of milk and its products Milk was donated by the different pasteurizing and grade "A" milk dairies to be given to children each day of the fair. Literature was distributed also The First Aid booth was taken care of by the Fair Association. They employed their own nurse.

The 4-H club members taking the First Aid work will receive with a passing mark, a Junior Red Cross First Aid Certificate. A class of 14 has just completed this course and a class of 17 will begin next week.

CLINICS

No. of toxin anti-toxin clinics	12
No. of vaccinations for smallpox clinics	1
No. of chest clinics assisted with	2

The tuberculosis work being done by the County Nurse is principally prevention. Where there is an active case in the home, calls are made and the patient is urged to go to the Sanatorium for treatment. Contacts are advised to be examined also suspected cases. I trust that you will give the plea for a preventorium your utmost consideration. Such an institution would, in time, greatly lessen the number of actual cases of tuberculosis.

PREVENTIVE HEALTH MEASURES

No. of children received toxin anti-toxin	199
No. of children vaccinated for smallpox	129
No. of children taking goiter prevention	2801

The method of having parents take their children to their family physician for toxin anti-toxin proved unsuccessful, therefore clinics were held in various schools. These clinics were conducted in Nordheim, Winnecone, Omro, and Eureka schools. The physicians were paid \$15.00 for administering the three doses of toxin anti-toxin. This procedure will be followed again this year in different localities. Due to the exposure of smallpox in Omro 129 children were vaccinated by the school. The school and village took care of this expense

The goiter prevention is an established program in most of the schools now.

A checkup of all drinking water used in schools is made each year through the local health officers. The corporation is 100 percent.

The health committee voted to allow \$250.00 for the continuance of the dental hygiene program again this year. In addition to examining all of the school children's mouths the pre-school children were invited to come to school this year. on the day the dental hygienist was to visit their school. Our aim in doing this is to encourage parents to see that their children receive early dental care as well as to see that they have proper tooth building foods and to teach them early mouth cleanliness. To date 102 mothers have been present and 148 pre-school children have their mouths examined.

No of schools visited to date	68
No of children examined	2044
No. of children found to have good teeth	465
No. of children found to have defective teeth	1612
No. of children with corrections since last year	647

	1929	1930	1931
Percentage of defects found	84½	73	78
Percentage of good teeth found ..	15½	27	22
Percentage of corrections	27	39	27

Due to the fact that all communities are feeling the depression, health records show at a disadvantage. The lack of proper necessities of life always brings the percentage of defects up. There are many people receiving aid now who have never had to ask for it before. The lower percentage of Dental corrections this year compared to last year is quite noticeable. Mrs. Mildred Weng, dental hygienist, reports many

children having just the most necessary and urgent dental work done because of the lack of money. We notice also a great change in population this year, many people from Winnebago county having moved out of the county and many people from other counties moving in. Some of these outsiders have been living in communities where little or no health work has been done, and this brings the percentage of defects up and the percentage of corrections down.

Of course we always have the poor with us and they must be taken care of to a certain degree but the farmers who have always been able to care for themselves and are now suffering should receive our first attention. When personal funds decrease public funds must increase.

When all is said and done our whole program is based on prevention rather than cure and money spent for prevention is always an economy.

(Signed) SENA C. PETERSON,
Public Health Nurse,
Winnebago County.

COUNTY AGRICULTURAL AGENT REPORT

The following Report No 18 was presented.

Oshkosh, Wisconsin, Nov. 16, 1931.
To the Honorable County Board of Supervisors, Winnebago County, Wis.
Gentlemen:

In the next hour I hope to give you as near as possible a picture of the agricultural extension work that has been carried on in Winnebago county from November 1, 1930 to November 1, 1931. No matter how much time I take or how thoroughly I discuss the subject I will be unable to do it justice, because extension work like any other education project is so far-reaching that it has no border or boundaries.

We can easily state how many boys and girls we have helped train in agriculture and home economics; how many good pure bred animals we have helped secure for Winnebago county farmers; our findings in soil improvement research work; how many farmers we have advised, but we have no idea of the extent or influence our efforts have been or will be, any more than Dr. Babcock conceived, forty years ago, what influence his little contraption known as the Babcock test would have on the world.

It is needless for me to make this statement here, but for the benefit of someone who might look into this report in the future, I would like to say that the depression which has existed during the past two years has had its effect on our work just as it has on other activities. We all know that when people are under the influence of depression of any kind they are not in the frame of mind to take to any educational program as they might under different conditions.

It has been difficult to encourage increase in production or quality at a time when there is not a fair market price for some products regardless of quality.

It has been difficult in our 4-H club work to encourage boys and girls to carry on a project knowing that in many cases it would run them into the red ink.

It has been difficult to encourage the use of soil building materials when we were confronted with 1928 prices on material and 1931 prices on products.

Regardless of conditions, extension work in Winnebago county has been a marked success during the past year.

When I finish this report, if you have followed me, you will see that we have made progress in every project which we have undertaken, and I believe that you will agree with me that you have made no mistake in the appropriation, and that the money spent in extension work has been wisely spent.

As County Agricultural Agent, I have been directing this work. Usually the success or failure of any project is credited to the director, but in the case of extension work the success or failure depends largely upon the cooperation the worker receives. In this case our success has been due largely to the hearty cooperation we have received.

The local 4-H club leaders who gave their time to direct the work in their clubs have played an important part in club work. Farmers who allowed us to go into their fields, delay their work at a busy time, to help us in planting and harvesting our test plots have given us great assistance. Later, I will mention some of the remarkable winnings of the club's members, especially with their livestock. I want you to know that the people who took an interest in their children's work and took the money out of their deposits to pay for superior live-stock are those who are chiefly responsible for our success.

The business of Winneconne have been responsible for the Sales Pavilion we have used for the sales.

In this report I wish to give you an account of the work that has been accomplished during my direct supervision only. We have two Smith-Hughes teachers in the county teaching agriculture and carrying projects similar to those carried in 4-H club work. They have cooperated with us in our work, but they are not under my supervision, and only in cases where their work overlaps will any of their work be included in this report.

A year ago the Agricultural committee, the District County Agent Supervisor and your County Agent drew up a plan or outline of work to be carried on for the year. We have been able to adhere quite closely to this outline. In only one project did we get out of line. We have experienced that same trouble the past two years. This trouble has been to keep 4-H club work a project in County Agent work. 4-H club work is a big job and a very important one. It is very difficult to keep it from infringing on other projects. We have given more time to this project than we had planned to do, but under the circumstances I think it was justifiable.

OUTLINE OF WORK

- I. Soil Improvement Work
 - (a) Study of soil conditions
 - (b) Soil tests
 - (c) Plot tests
 - (d) Field tour
 - (e) Increase the growth of alfalfa and sweet clover.
- II. Livestock Improvement Work
 - (a) Culling pure bred herds by testing
 - (b) Encouraging the use of better bulls by bull sales and news items.
 - (c) Exhibiting live stock at the fair
 - (d) Hog herd improvement by
 - Use of better sires
 - Use of better sows
 - One sow and boar sale
 - State and County fair exhibits
 - Barrow show
 - Better feeding methods by self feeders
 - Field tour
 - Farmers institutes
 - Demonstrations
- III. 4-H Club Work
 - (a) Enrollment—through rural school teachers and leaders
 - (b) Organization of clubs—locating club leaders by calling on them
 - (c) Meeting with club groups
 - (d) State and county fairs
 - (e) Achievement day.
- IV. Miscellaneous
 - (a) Orchard improvement
 - (b) Potato treating
 - (c) Cooperative marketing
 - (d) Wool pool
 - (e) Poultry
 - (f) Home talent play contests
 - (g) Distribution and inoculation

SOIL IMPROVEMENT WORK

A little less than a century ago Winnebago county was one vast wilderness. The soil was virgin and extremely fertile. In this short time our soil tests reveal the fact that not less than 85 percent of the cultivated area in the county is beginning to show signs of plant food depletion.

When we think of the equipment, the market, modes of conveyance, roads and obstructions that the farmer has had, and yet has been able to deplete the soil to that extent in so short a time, the question should arise in our minds—what will he be able to do in the next 25 years under present conditions? With that thought in mind we cannot help but believe that soil fertility may soon become the determining factor in production.

We know that soils are built up of different materials, but some are built high in one form of plant food or one plant food element and low

in another. Furthermore, we know that some soils are neutral, while others are acid and that a certain soil building material may be very effective on one type of soil and not effective on another.

It has been our policy to study the soil conditions and try to get in a position to be able to advise farmers intelligently on their soil building problems.

To begin with the farmers were notified through the press that we were in a position to test their soil for available phosphorous and acidity. As a result of these notices we were called on by 86 different farmers to test their soil. By these tests we were able to determine the approximate amount of available phosphorous and the extent of the acidity of the soil, but we were unable to determine anything regarding the amount of potash and nitrogen. To determine the amount of available potash and nitrogen in the soil we carried on 12 test plots. We applied commercial fertilizer of different analysis on these plots and observed the development and growth of the crops and got the yields on eight of the 12 plots.

On the 18th of June we had a field tour. Anyone interested in this work was invited to go with us and see the results we were obtaining. We had a good attendance and those present seemed to take a good deal of interest in the work.

This season was extremely dry and hot. We believe that under normal conditions our results would have been different but all we were able to do was take them as we found them and use our own judgment as to what might have happened under more favorable conditions.

On account of the dry season we have had little call for help on drainage problems. During the past year we have been called to eleven farms on drainage problems.

LIVE STOCK IMPROVEMENT

The object of this project was to increase the efficiency of the live stock.

A large percent of the crops produced in Winnebago county are fed to live stock. At the present low prices of dairy products the total income of the dairy farmers in Winnebago County for milk alone is about two and one-half million dollars. It is plain to be seen that even a small percent increase in efficiency of the dairy cow would result in a large net return. At the present price of dairy products an average increase in efficiency of one pound of butterfat per cow per year in Winnebago county would result in the net profit of \$12,000 to the farmers.

With the foregoing thoughts and facts in mind the big job before the dairyman is to increase the efficiency of his herd. This can be accomplished only by better care, feeding and breeding. As a whole, the cows in this country are well fed and cared for.

When it comes to breeding, the herd sire is the principle factor in either building up or tearing down economical production.

Only a few farmers will test and cull their herds, but they all use a bull of some kind and that bull will determine to a large extent the kind of a herd they will maintain.

Live stock history has taught us that production is bred in cattle and that the principle step toward developing production is by proper selection and mating.

To aid the farmer in securing well bred bulls we organized a pure bred herd improvement association two years ago and it has been operating successfully ever since. Two weeks ago this association was reorganized and now started the third year's work. This is the only association of its kind operating in Wisconsin. You have more herds on herd register test than any other county in the state.

As a result of this association work we have been able to secure a large number of good bulls from tested dams. We held three bull sales during the last year at Winneconne. At these bull sales we sold 46 bulls. And of these bulls 39 were from tested dams, and these dams had produced 400 pounds of butterfat or over in a year. Aside from these sales we have helped in the sale of 21 other bulls from tested dams. So this office has been instrumental in placing 60 well bred bulls in this county the past year.

The object of these sales is not to commercialize the bull sale business, but to encourage the use of bulls from tested dams and to get the farmer to discriminate between just pure bred bulls and well bred animals.

Last December and January we organized a second cow testing association. There are only a few pure bred herds in this association and as it helps in culling the dairy herds it does not create the interest that

the pure bred herd improvement association does.

At Farm Institute meetings we always had one talk on herd improvement work at each meeting.

At the County Fair this fall 81 head of cattle were exhibited from this pure bred association alone. We had a great many favorable comments on this display.

SWINE IMPROVEMENT WORK

We have not only made progress in dairy herd improvement but we have also made equally as much progress in swine improvement.

We know that in the last 10 years swine production has fallen off 10 percent in Winnebago county and that the demand for a different type of hog has developed within the last 20 years. It has been our object in swine improvement work to overcome the decrease and meet the demands of the public.

When the condenseries became a milk market instead of the cheese factory or creamery the farmers soon learned that without the use of whey and skim milk the pork production end of his business became unprofitable and consequently a valuable source of income was eliminated. It has been our plan to get them back into profitable pork production by using tankage and oil meal in place of whey and skim milk. Progress along this line has been made but it's been slow.

Thirty years ago lard was in demand and sold for about the same price as bacon and ham, and with this demand the type of hog that produced a large percentage of lard was developed. Now, lard is a by-product of the packing industry and the hog that produced a large percentage of ham loins and bacon and a lesser percentage of lard is now in demand. It has been our object in swine improvement work to meet this demand.

Particularly along this line we have made wonderful progress. Through the introduction of good breed sows and boars we have been able to demonstrate the value of superior hogs. In most cases these hogs were placed on the farm and had to stand on their own merits and they have won out 100 percent.

Last year we carried on this project through 4-H club work entirely but this year a good many farmers have taken an interest in the project and it has advanced far beyond our expectations. This past year we were able to place in Winnebago county 46 pure bred sows and 42 pure bred boars. A bred sow sale was held in January, 36 were sold and 32 stayed in the county. A boar sale was held in October, 11 were sold, eight of which stayed in the county.

We are not only able to demonstrate the superiority of these hogs by growing them along with common hogs on farms, but by exhibiting them at the National Swine show, Wisconsin state fair, Winnebago county fair. At the National Swine show, the Duroc Jerseys bred and developed in Winnebago county won third place. At the State fair Winnebago county hogs exhibited in cooperation with this office won \$428 in cash. Every animal in that exhibit had been developed in cooperation with this office within the last two years, with the exception of one and that one was purchased as a pig through the extension service. A large majority of the hogs that were exhibited at the County fair, the largest show in the history of the fair, were exhibited by Winnebago county exhibitors and only in a few classes where Winnebago county hogs were not exhibited did the prize money go out of the county.

The fat barrow show at the County fair was a new feature and was the most clear cut and concise demonstration that we have ever been able to launch since I have been in this county.

The main objects of this show were to: (1) Demonstrate the superiority of well bred hogs; (2) To check up on ourselves—in other words, to find out if we are on the right track before we go on any farther.

There were 78 barrows exhibited at the County fair. This exhibit was made up of pure bred, grades and natives.

One of the leading packer buyers was employed to judge the hogs. When the show was over and the winnings were checked, this is what we found. All the first prize singles, all the first prize pens and both the champions were sired by pure bred sires selected through your extension service. We also learned that the first and second heavy pens, the first and second heavy singles and the grand champion barrow were

sired by the Jr Champion pig of last year's Chester White show, a 4-H club pig.

Last year I told you of a 4-H club member who sold 9 out of 10 or his litter of pigs and the amount he received for them along with the prize money he received amounted to \$444.50. At that time I commented on what this influence of that litter might have in the future. Now, I wish to mention that this sire is one of that litter, and that the second prize Jr. yearling boar and first prize, Jr. yearling and champion sow of this show were also out of that litter.

The results are self evident and tell the story in as few words as possible.

Assuming that there are 125,000 hogs produced in Winnebago county in a year. If we can raise the efficiency or the value of these hogs 25c a cwt. or 50c per hog, it will amount to a net profit of \$12,000 to Winnebago county farmers

4-H CLUB WORK

Object—To instruct the boys and girls in agriculture and home economics.

When a boy raises a calf or grows an acre of corn and keeps a record of the cost of production and figures up his profit or loss, he is taking a step towards business practices in farming. When he joins a 4-H club he joins an organization where he learns to carry on a business meeting he takes a step toward leadership and cooperation. When a club member brings his product to the fair and exhibits it alongside of the others he is in a position to see how his work compares with others. When his calf is placed in the show ring and the judge points out the strength or weaknesses in his animal he is given the opportunity to learn by comparison. When a girl begins to sew, bake and can she is taking a step toward home making.

Now then, good business meetings, leadership and good homes, are the essentials to successful agriculture and that is part of what we are trying to teach in 4-H club work.

This year we had a club leader for six months instead of three months. This worked out a good deal better

We were able to get through the season with a little money left in the budget, the first time that has happened since I have been here.

We started this year's work with an enrollment of 421 and had 270 completions, making a 66 percent achievement. Three years ago you had 36 percent achievement, two years ago 45 percent, a year ago 56 percent, and this year 66 percent, so in spite of hard times and depression we have been able to advance.

We sent two demonstration teams to represent our county at the District Contest at Fond du Lac. Our team was placed first and represented the district at Milwaukee. This is the third year in succession we won that district contest and represented the county at Milwaukee. We were allowed to take only 10 boys and girls to the State fair this year.

The girls won \$4.25.

The boys won \$324.00 on their pigs.

Among some of the winnings were: First 4-H club Chester White boar, and Second, Fourth and Sixth on Chester White gilts. Second on litters all breeds showing. First on Yorkshire boar and Second on Yorkshire gilt. First Jr. yearling boar and Fourth on Jr. yearling boar. There were a large number of others placed along this line.

The State fair trip was a marked success. The trip down and back was made without any trouble. We received a good share of the prize money and a good deal of experience.

At the County fair we exhibited: 67 calves, 103 pigs, 34 pens of poultry, and one of turkeys, four farm crop exhibits, 21 garden exhibits, 231 sewing exhibits, 12 canning exhibits, 39 baking exhibits, 13 handicraft exhibits, 10 home economics and crops display booths.

We also had one demonstration team at the fair.

The boys and girls won \$1,652.00 in cash prizes. This is an increase of \$351 over last year's winnings.

Our calf show this year was excellent and had we shown at Milwaukee as usual we might have had a much larger increase in winnings.

MISCELLANEOUS

Potato Treating—In the Town of Wolf River and the Village of Canro we treated about 1000 bushels of seed potatoes. Two years ago we treated about 400 bushels a year ago 600. The fact that the same growers are coming back each year and bringing someone with them shows that the work is effective and appreciated.

Orchard Improvement—This year as a year ago we ran into poor weather for our orchard demonstrations. We conducted four demonstrations with the help of C. L. Kuehner in December, but the weather was extremely cold. In March, a snow storm hindered our work. But nevertheless, we had good attendance. Mr. Kuehner knows his subject and seems to be able to sell the idea of orchard improvement 100 percent. Aside from orchard demonstrations, the people have received assistance by the distribution of bulletins and spray charts.

Cooperative Marketing—We were called on by the State Department of Marketing to hold several meetings. We did not accomplish a great deal in the dairy line, but we did study the situation to quite an extent. In cooperation with the State Wool Pool we were able to get a car load of wool into the National Wool Pool. According to the last report I received about three-fourths of the Wisconsin Pool has been sold at about 20c per pound, 2c per pound will be deducted for freight, grading, etc. So it will leave the farmer about 18c or approximately 4c more than he would have received at home. On the 16,000 pounds of wool this increase in price as near as I can figure out will amount to about \$640 to the growers.

Poultry—Only through farmers institute work did we try to improve poultry raising. But we did spend a great deal of time making calls for help during the year. We have given some assistance to poultry breeders on poultry house construction and with feeding.

Seed Improvement—At the request of the Experiment Association I inspected most of the seed grain produced in the county.

In this work we have been able to study the seed grain situation quite thoroughly, and we have noticed wonderful results from the use of good seed, especially the smooth awned No. 38 barley, it has out-yielded the other barley and seems to stand the heat much better. I believe that the No. 38 barley is by far the best pure bred seed ever developed at the Wisconsin station.

We handled inoculation material for seed this year for the first time.

I am not in a position to say just how much pure bred seed we were able to distribute. A large number of farmers came in and inquired about seed and found out where it could be secured.

Farmers Institutes—During the year were held four two-day institutes in the county. These meetings were held at Winneconne, Orihula, Algoma and Pickett. The meetings at Orihula and Winneconne were not very well attended but the others at Algoma and Pickett made up for it. Two years ago we had to ask people to let us hold an institute in their community, this year we have had more requests than we are able to take care of.

In the spring of 1929 I came to you a dirt farmer, inexperienced in county agent work, 4-H club work and office work.

I followed an experienced man, specialized in lines other than those I had specialized in. Before I came here my work had been doing things rather than telling how they were done, so, I have been handicapped to

some extent.

It has been my policy to do what I thought was right. Use my judgment and not the judgment of someone else, regardless of whether or not it might jeopardize my position

In this report I have tried in as few words as possible to give you an idea of what has been accomplished.

I wish to thank you for your excellent cooperation and kind courtesies.

Respectfully submitted,

APPROPRIATION FOR HIGHWAY PURPOSES

The following Resolution No 14 was presented.

Section No 1 The County Board of Supervisors of Winnebago county, Wisconsin, regularly assembled does hereby ordain that such funds as may be available to the county for highway work in the year 1932 under the provisions of Section 20.49 and Chapters 83 and 84 of the Statutes, and the additional sums herein appropriated shall be expended as hereinafter set forth:

Section No 2. Whereas, The State Highway Commission has estimated the sum of One Hundred Twenty-five Thousand Five Hundred Seventy-one and 40-100 Dollars (\$125,571.40) will become available under sub-section (4) of Section 20.49 and subsections (3) and (4) of Section 84.03, as state aid for the improvement of the State Trunk Highway System in the county in accordance with the provisions of Chapter 83 of the statutes, Be It Resolved: That the sum shall be expended in the following improvements to-wit:

1. The sum of Twelve Thousand Dollars (\$12,000) for the improvement by relocation concrete paving of U. S. Highway 110 beginning at junction with County Trunk "T" and extending northwesterly as far as the sum has constructed.

2. The sum of One Hundred Thirteen Thousand Five Hundred Seventy-one and 40-100 Dollars (\$113,571.40) for the improvement by grading, draining and surfacing with concrete, 20 feet in width, State Trunk Highway No. 116 beginning at junction with County Trunk "E" at Koro and extending northeasterly as far as the said sum will construct.

3. That there be anticipated out of 1933 State Highway Funds enough to complete S. T. H. 116 from Koro to junction with County Trunk "K" north of Waukau.

Section No 3. Whereas: The State Highway Commission has notified the County Clerk that a sum of money estimated to be Forty Eight Thousand Fifty and 29-100 Dollars (\$48,050.29) will become available at the end of the fiscal year ending June 30, 1932, under the provisions of subsection (4) of section 20.49 and sub-section (2) of Section 84.03 of the Statutes, for the improvement of the county trunk highway system in the county, but that its exact amount will not be known until after June 30th, 1932;

Be It Resolved: That the County Highway Committee is authorized and directed to expend the said sum for the improvement of the said County Trunk Highway System during 1932 in the following manner to-wit: by constructing of concrete 20 ft. in width, County Trunk "K" from the intersection of S. T. H. 116 north of Waukau, towards Oshkosh as far as the sum will construct.

Section No 4. Whereas: It appears that certain additional highway improvements in the county are necessary and warranted, the said county board does hereby appropriate the following sums for the purpose hereinafter set forth:

1. The sum of Ninety Thousand and 00-100 Dollars (\$90,000) for

the improvement by grading, draining and concrete surfacing, 20 ft. in width, of County Trunk "A" south of Oshkosh, beginning at the south county line and extending northwesterly as far as the said sum will construct.

2. It is further agreed and understood that the State Highway Commission will widen U. S. 41 with concrete to 30 ft. from Marquardt's Corner to City limits of Oshkosh if County Trunk "A" is concrete surfaced.

3. For the maintenance of the County Trunk Highway System, the sum of Eighty Thousand and 00-100 Dollars (\$80,000). This sum is to include dust prevention, gang maintenance and any bridges on said system.

4. That the balances of approximately Seventy Thousand Dollars (\$70,000) left from the construction of County Trunks "T" and "F" during 1931, be transferred as follows: Twenty Thousand Dollars (\$20,000) for the completion of County Trunk "A" South and Fifty Thousand Dollars (\$50,000) for the construction of County Trunk "K" beginning where the aforesaid sum of \$48,050.29 ends and extending easterly towards Oshkosh as far as the said sum will construct.

5. That there be built approximately one mile of Black Top on County Trunk "K" commencing at junction of S. T. H. 44 and extending westerly, said construction to be paid for out of the machinery fund.

Section V. Whereas: The various highway activities, for which provision is made in this resolution are continuous from year to year, and the exact cost of any work cannot be known at the time of making the appropriation therefor this Board does hereby direct that any balance remaining in any appropriation for a specific highway improvement after the same shall have been completed, may be used by the County Highway Committee to make up any deficit that may occur in any other improvement of the same class for which provision is herein made, and any balances remaining at the end of the year in any highway fund shall remain and be available for the same purpose in the ensuing year, and any deficit in any highway fund at the end of the year shall be paid from the next appropriation made for the same purpose, and

Whereas: The exact amount of the funds that will become available for highway purposes in the county under Section 20.49 of the Statutes will not be known until after June 30, 1932, at which time correct figures will be submitted by the state highway commission, the county treasurer is hereby authorized and directed to make payments on account of the improvements to be made with such funds, as hereinbefore authorized, from any funds in the county treasury that are not required for the purposes for which appropriated prior to August 1, 1932; and to reimburse such funds in the county treasury from the sums received under Section 20.49 of the Statutes. The County Clerk is hereby directed to levy the taxes named in Section IV hereof in the county tax levy, and the County Highway Committee and the County Highway Commissioner are hereby directed to carry out the highway construction and maintenance for which provision is herein made, in the manner provided by law and to employ such patrolman, laborers and foremen, as they may deem necessary for such purpose.

Respectfully submitted,

IRENE C. EGGERSGLUESS,

Dated Nov. 16, 1931.

Remarks by Supervisor Schneller. On motion referred to the committee on finance.

Motion that the Sheriff and Coroner's committee report back to the board on the matter of appointment of dance supervisors, at this session, carried.

The district attorney being present, he was asked for his opinion as to whether the county may use tax certificates as collateral in borrowing money, so as to reduce the tax levy. District Attorney Keefe discussed the matter thoroughly and answered questions of several supervisors.

On motion adjourned to 9:30 A. M., Wednesday, Nov. 18th.

Sixth Day

Wednesday, Nov. 18th, 1931, 9:30 A. M.

Board met pursuant to adjournment, Chairman Young presiding.

Present full board.

Minutes of last meeting read and approved.

Discussion relative to the manner in which action is taken on resolutions and reports. Remarks by Supervisors Schwarzbauer, Fahrback, Heckner, Clark, White and Schneller. It was suggested that the district attorney give his written opinion on the matter.

RESOLUTION NO. 9

Resolution No. 9 relating to county carpenter was taken up for consideration. Remarks by Supervisors Miller and Weisheipl. Motion to table resolution, carried.

Application for dance hall license was presented and referred to the committee on sheriff and coroner.

COUNTY LIBRARY REPORT

The following Report No. 34 was presented by Miss Natalie Huhn.

FIFTH ANNUAL REPORT OF THE WINNEBAGO

COUNTY LIBRARY

To the Board of Supervisors of Winnebago county:

Gentlemen:

As County Librarian of the Winnebago County Library, I wish to submit the Fifth Annual Report of our work which covers the period from November 1, 1930 to November 1, 1931.

The budget of \$3,000.00 was expended as follows:

Balance on Nov. 1, 1931, for November and December.....\$ 581.78

The stations throughout the county are urged over and over again

to sell for their books so that the postage and freight charges be kept at their minimum and the book allowance at its maximum. Most of the stations are very conscientious in doing this. We need a larger budget so badly in order that we might begin to do part of what we should be done but we are waiting for the return of better times. If then we could have the money that it costs to pave one-half of one mile of road we could give the county the type of service that it should have. But, since it is not feasible this year we are willing to do the very best that we can for our Winnebago county patrons and sincerely hope that they will use our service as they have done this past year. At the threshold of our sixth year of service we are proud to see that more and more turning to us for help as we become known and also that we are beginning to take our place in county affairs. That is as it should be.

The new budget that we have asked for is the same as it has been the last three years, namely \$3,000.00. It is divided as follows:

Salaries—Part-time assistant at Oshkosh, \$700.00; Custodian at Waukau, \$100.00; Custodian at Winneconne, \$69.87 which is \$20.97 more than last year because of increased circulation; Custodian at Winnebago, \$30.00 which is new because the circulation has reached 2500 for the year; Custodian at Grand View, \$25.60 which is new for the same reason as the above

The Board of Supervisors made a rule in 1928 to the effect that all circulations certified as over 2500 a year should be compensated at the rate of one cent per circulation until the rate of \$100.00 be reached. Any circulation above 10,000 receives only \$100.00. Waukau comes under this rule.

Rent at Waukau\$60.00
A request was made that this item be increased because more space and more light was being used. It has been found impractical to grant it this year.

Books	\$1,615 00
Magazines	60 00
Supplies	125 00
Equipment	25 00
Binding of book	100 00
Booth at fair	50 00
Miscellaneous	50 00

County librarians service is free, given through the courtesy and generosity of the Board of Directors of the Oshkosh Public Library.

Stations are located at strategic points throughout the county and all but one or two are run with enthusiasm. The worst offender is the Bank of Larson. This station must be inactive because we can not get the custodian to return, renew, or report upon the use of the collection that he has in his possession. We have written him explicitly and to the point innumerable times, but with no results. The Supervisor of the Town of Clayton should look into this matter.

Our stations are located in two banks; four Granges; two Community Clubs; two Branches (Waukau and Winneconne); four stores; three farm homes; 82 schools; and one parochial school. This is 10 more stations than reported in 1930 and 10 of these are new this fall. We also serve several Community Clubs with plays and program material. Also several 4-H clubs, and some individuals with program material.

The Winnebago county library now has 8,277 books out among the stations with a small constantly changing collection at headquarters in the ground floor of the Oshkosh Public Library building.

Number of books, November 1, 1930	6,881
Number of books added during the year	1,676
Number of books withdrawn because worn out	263
Number of books withdrawn because of infantile paralysis	17
Books on hand November 1, 1931	8,277

There were 91 books rebound and more than 300 books mended during the year.

To fill county requests about 160 books were borrowed from the Oshkosh Public Library and about 60 from the Traveling Library at Madison Wis.

The County Library was presented with 33 books and three plays by interested people. Many magazines were also given.

That these books were used may be seen by the reports of the various custodians. We are listing them by townships so that the Board of Supervisors may see how this township reads.

Algoma circulated 345 books in 1930 and 806 in 1931.

Black Wolf circulated 262 books in 1930 and 676 in 1931.

Clayton circulated 2,221 books in 1930 and 2,468 in 1931.

Menasha circulated 248 books in 1930 and 153 in 1931.

Neenah circulated 821 books in 1930 and 1,157 in 1931.

Nekimi circulated 1,478 books in 1930 and 3,993 in 1931.

Nepeuskun circulated 1,151 books in 1930 served indirectly through a station.

Omro circulated 4,602 (Store 3,102) books in 1930 and 7,564 (Store 4,074) in 1931.

Oshkosh circulated 1,103 books in 1930 and 4,749 (Winnebago 3,004) in 1930.

Poygan circulated 1,002 books in 1930 and 673 in 1931.

Rushford circulated 17,401 (Waukau 16,710) books in 1930 and 24,394 (Waukau 23,109) in 1931.

Utica circulated 1,533 books in 1930 and 2,347 (Pickett 1,046) in 1931.

Vinland circulated 863 books in 1930 and 1,870 in 1931.

Winchester circulated 1,064 books in 1930 and 3,059 (Grand View 2,561) in 1931.

Winneconne circulated 6,425 (Library 5,861) books in 1930 and 7,594 (Library 6,987) in 1931.

Wolf River circulated 218 books in 1930 and 325 in 1931.

Public Library circulated 80 books in 1930 and 117 in 1931.

Individuals circulated 68 books in 1930 and 173 in 1931.

Total books circulated 40,885 in 1930 and 62,118 in 1931 or an increase of 21,233.

The circulation of 62,118 means that each book changes hands at least 10 times. The books are well used. And this at the cost of less than 5 cents for the entire service of books, magazines, pictures and advice.

The magazine circulation reported is 2,004 for the year, or,

Waukau	1,300
Winneconne	144
Pickett	80
Algoma	30
Winchester	450

The pictures for school study showed a circulation of 3,672. The large increase of 21,233 for this year would have been larger except for the infantile paralysis epidemic which appeared in our county this fall, and closed 18 schools, and of course barred books from entering in to the homes quarantined.

You may ask whether the books are read when they are borrowed, and whether anything is gained in the reading. We have no way of checking up on this except through the numerous accounts we hear from the patrons of the enjoyment and profit they have had from some books. We can and do offer you a chance to see what use is being made of our books on "How to Make It." The models patterned after one in a book would make a large exhibit at the Fair, and the few we have placed on the table have been brought in from various schools. The names of the school and pupils may interest you. Mrs Anderson will be pleased to tell you about the models.

With the revived interest of groups in one-act plays we have added many to our collection in order to help foster this worthwhile and interesting activity. So many calls are being made for suggestions that few plays remain at headquarters.

Mrs. A. L. Anderson, part-time assistant at Oshkosh, has appeared a number of times before the teachers and various groups to explain what we can do for them and the process of securing the material by groups or individuals. As I have indicated before the response, the interest, and the cooperation on the part of the patrons has been wonderful. The sum total of the reading done through the Winnebago County Library, the Neenah Public Library, the Menasha Public Library and the Oshkosh Public Library would prove that the county is well up in the van in its reading interest and very likely is a proof to its very low illiteracy percentage (1.3).

I am very grateful for the understanding interest as shown by County Superintendent Miss Ryss, the teachers, the custodians, and by Mrs. Anderson in the work and the time they have given to the work.

For the two years that I have come before you I have invited you to come to the Library and see what we do and how we do it, and although not one of the supervisors has visited us I am again urging you to come. It will make our work so much more real to you if you do.

Respectfully submitted,

NATALIE T. HUHNS,
County Librarian

This report was supplemented by a short talk by Mrs. Mellie Anderson, assistant county librarian, and by Emmet Zelke, a school boy and a patron of the county library. Samples of the work of school children, through contact with the county library were exhibited, and proved most interesting. On motion the report was accepted and placed on file.

REPORT OF THE WINNEBAGO COUNTY CHILDREN'S BOARD 1931

The following Report No. 35 was presented.
To the Honorable Board of Supervisors of Winnebago county:
Gentlemen:

The Winnebago County Children's Board is composed of the following members: Mr. George Young, Oshkosh; Mrs. Jasper Pickett, Pickett; Mrs. C. B. Clark, Neenah; Miss Elizabeth King, Omro; Miss Mary O'Keefe, Oshkosh. The meetings are held on the fourth Wednesday of each month at 2 o'clock in the committee room of the First National bank. During the past year the Board has continued the work of looking after the needs of neglected or dependent children whose cases do not come under any other organization. These cases are relatively few because Winnebago county is so well organized for welfare work.

One of the most important duties of the Board grows out of chapter 48.38 (2) of the Children's Code in regard to the granting of permits for Foster boarding homes which reads as follows: "No person shall conduct or maintain a foster home without first obtaining a permit to do so from the State Board of Control, or from a licensed child welfare agency designated to issue such permits by the State Board of Control."

In a survey of foster boarding homes in Winnebago county made by the board last year it was found that there were 20 such homes. A number of these homes are investigated and supervised, and permits granted for the same by the field representative of the Children's Home and Aid Society. The permits for boarding homes in which Catholic children are placed are granted by the Green Bay Diocese Apostolate. Both of these organizations are licensed child welfare agencies. For the remainder of the homes the State Board of Control issues the permits. It is with these latter homes that our Board is especially concerned.

The policy of placing children in boarding homes rather than institutions is in its infancy, and social workers are of the opinion that there will be a great increase in this method of placing children in the years to come. The institutions themselves are adopting the cottage plan in order that conditions may approximate as nearly as possible the conditions a child would meet in a good home. When, for any reason, a child is deprived of his own home, either through death or disability of parents, broken homes, or other causes the next best substitute is a foster home where a child has a chance to live in a normal family group of differing ages. Here he may develop mutual attachments and a sense of responsibility for others and for the work of running a household. This type of home gives him that feeling of stability and security and of belonging and counting for something in other lives, which is essential for the normal development of children. It is of the utmost importance that these homes be of the proper kind. For this reason after an application for a permit has been made a thorough investigation of the home is essential. In the city of Oshkosh the investigation is made by Miss Edna Jean Roddis of the Bureau of Family Service. In the county outside of Oshkosh the investigation is made by Mrs. Margaret Thorn, County Probation Officer. Mrs. Thorn attends all meetings of the board. There is also usually present some member from the staff of the state board of control. After the investigations have been made, they are considered by the Children's Board and recommended.

tions sent to the State Board of Control in regard to the granting of permits. In order that there may be no misunderstanding in regard to what is expected of persons who wish to maintain a foster boarding home the State Board of Control recently has issued a set of regulations which must be signed by the applicant before the permit is issued. The permit, when issued, continues in force until the first Tuesday in June of the following year when it must be renewed. Different members of the board are assigned to visit the homes in different sections of the county to confer with the boarding mothers in regard to the welfare of the children.

The Winnebago County Children's Board is especially concerned about the welfare of needy rural children for the coming winter. Before the opening of the schools this fall the County Nurse, Miss Peterson came before the board and reported some families who were unable to purchase clothing for their children to go to school, and asked the board to assist in the matter. Owing to the unemployment of older members of the family, low prices of farm products, partial crop failures, and long continued drought which dried up pastures and reduced muk checks, mothers were discouraged and some families who had never before received aid did not see how they were to outfit their children for school. According to the Children's Code Chapter 48.30 (2) the board may use money that has been appropriated "for the purchase of clothing, payment for medical services, expense of boarding, and other special aid to children within the county." Accordingly the board spent during the year \$83.53 for clothing for these cases, and for a family of neglected children. Four cases of children whose general health was being undermined because of the need of tonsillectomies and a family of children in need of dental care were reported to us and taken care of. The total amount spent on medical care of children by the board was \$95.50 for the year.

The board has thought it advisable, because of the lack of organization in rural communities that a committee of three women be organized in each town to report the needs of children in their respective towns. Through these committees clothing might be collected and distributed to needy children during this time of depression. We very much desire to have the assistance and cooperation of the town chairmen in this matter and have written letters to them to that effect. They know the conditions in these cases better than we do. In some of the towns committees have been organized and are already at work.

The formal statistical report required by the State Board of Control follows:

TO BORROW ON TAX CERTIFICATES TO REDUCE TAX LEVY

The following resolution, No. 21, was presented:
To the County Board of Winnebago County:

Gentlemen, Whereas, the report of the County Treasurer shows that Winnebago County is the owner, at this time, of some \$143,000.00 worth of unpaid tax certificates, and

WHEREAS, the County Board of Winnebago County is desirous of reducing taxation in the current year as much as possible, and

WHEREAS, it is believed by the County Board of Winnebago County that said tax certificates offer excellent security for any loan made upon them, and

WHEREAS, not to exceed \$70,000.00 will be needed during the year 1932 by the Highway Department of Winnebago County to complete their highway program, without the levy of said amount in the general levy against the property of Winnebago County,

NOW, THEREFORE, BE IT RESOLVED, that the County Clerk and Treasurer of Winnebago County be and they are hereby authorized and directed, upon request of the Highway Committee of Winnebago County

for use of said funds, to borrow not to exceed \$70,000.00, and to pledge such unpaid tax certificates belonging to Winnebago County as may be necessary to secure said loan upon such terms and conditions as ordinary banking practice involves at the time said loan is made.

Dated Nov. 19, 1931.

AUTOMOBILE LICENSE PLATES

The following resolution, No. 25, was presented:

Oshkosh, Wisconsin, Nov. 19, 1931.

WHEREAS, Our people generally take great pride in beautifying their cities, their communities and their general surroundings; and

WHEREAS, The automobile license plates for the year 1932 are defeating the activities of beautification in that these plates are unsightly,

ugly, spoiling the beauty of all automobiles by their 6-inch height in place of those formerly used of 4½-inch height, this extra 1½ inches of height being a waste of material and increasing the cost of mailing: therefore be it

RESOLVED, By the County Board of Winnebago County that the Secretary of State, as soon as possible, at least for the year 1933, give back to us the 4½-inch automobile license plate, and be it further

RESOLVED. That a copy of this resolution be given to the press, a copy to be forwarded to the governor of our state and a copy to be forwarded to the secretary of state.

REPORT OF PROBATION OFFICER, 1931

The following report, No. 37, was presented:

To the County Board of Supervisors, Winnebago County:

Gentlemen: This has been an unusual year in our work due largely to conditions with which all of you are familiar, for we hear on every side about conditions due to the financial depression. Probably no one has escaped entirely the effect, and most of us have been struck in a way that makes us fully conscious that the situation is very real.

It is impossible in this brief report to give you a very clear idea of how our very full days are spent. It has been six days a week, 12 months of the year, except one week of vacation.

Our aid work has been greatly increased for there have been constant changes in the family incomes, due to members of the families being thrown out of work. When we ask the employer what a mother's weekly earnings will be so we will know what to give, he does not know. It may be nothing tomorrow or next week. For this reason, it has been extremely difficult to regulate the aid given to meet the needs of the family which may vary greatly from week to week.

From Nov. 1, 1930 to Nov. 1, 1931, we have had families listed each month numbering from 170 to 180. While most of these are requests for aid they also cover cases of reported neglect, delinquency, boarding, home investigations, adoption investigations, cases of illegitimacy and the occasional request from agencies in other cities for a local investigation that affects some case in their own field of work. We sometimes ask for the same service from other juvenile courts or welfare agencies and the cooperation is most helpful and much appreciated. These various contacts have given us a total of 478 cases for the year.

You will remember that last year at this time, due to a half time stenographer, we were three months behind in our office work. With the return of the full time stenographer we have given extra time to this work and have gained a little more than half of the time lost. It must be done very gradually, but we hope to have it all up to date before long. Because of this situation, it has been difficult at times to turn readily to information needed.

The new applications for aid during the year numbered 93, of which 31 were granted. While the law requires that each case be re-investigated at least once a year, this year has in some cases required frequent re-investigation and re-hearing.

The total of active cases receiving aid have numbered 156. They were distributed in the county as follows:

The City of Oshkosh	97
The City of Neenah	15
The City of Menasha	21
The Village of Omro	4
The Village of Winneconne	1
The Town of Oshkosh	5
The Town of Menasha	3
The Town of Neenah	1
The Town of Nepeuskun	2
The Town of Nekimi	1

The Town of Black Wolf	2
The Town of Algoma	2
The Town of Clayton	1
The Town of Omro	1

Naturally, the largest centers have the largest number of families in need. Some of these have changed their location since first placed upon the list. Two have gone out of the county to the homes of relatives and have attained a residence in their new locations. One large family has come to us from another county. While we cannot tell a family they shall not change their location, we have been glad to be able to influence some to return where they are resident. Each county should be responsible for its own needy families.

The social status of the families was as follows:

Widows	79
Divorced mothers	30
Deserted mothers	9
Fathers serving prison terms	13
Incapacitated men	19
Orphan families (including 14 children)	5
Illegitimate children	1

It is with regret that we note the number of divorced and deserted mothers and the number of fathers serving prison terms increasing each year. There is something very wrong about our social conditions, something that greatly needs correcting when statistics show this steady growth in numbers. While a few cases may be traced to present financial stress, there are many other factors that enter into the situations.

Your worker meets in a very intimate way the situations in these homes and it is indeed heart breaking to see the mental anguish and often the physical suffering in these broken homes that should have gone on unbroken to a fair degree of independence and happiness.

Our monthly reports show the following work done:

Visits (including calls at home and others)	2087
Letters sent out	1453
Letters received	950
Telephone calls to and from (those that do not materially affect some case not recorded)	2797
Consultations at office	1602
Aid hearings before the Juvenile Judge, one each month with a total of cases	156
Meetings with the County Children's Board	11
Meetings with the County Advisory Committee	9

The number of children under 16 years of age are those included for aid and they total 433. An unusual situation has arisen in our families this year that affects the family budget. The law provides that this aid be granted by budget. Heretofore, the older members of the family have been earning and turning either board or their entire earnings toward the family income. Now these single, older boys and girls have no work. They are in the home and must have food and shelter. By law it should not be from the children's fund. It is making in many cases a very difficult problem that has not been satisfactorily settled.

Surgical and hospital care have been given both mothers and children when needed; also medical and dental care given and glasses furnished. Surgical and hospital care have been given 41 children and six mothers; medical care to 16 children and 13 mothers; dental care to six children and four mothers; X-ray to three children and one mother and glasses for six children. We have special rates for all of this work. The total taken from the aid fund for this work to Nov. 1, is \$1,379.23. All children in the Oshkosh families receive free dental service as here we have a free dental clinic at the Beach school. This is a great help in reducing the demands upon our aid appropriation. This work is carried on in cooperation with the school and visiting nurses and the doctors in each case receiving the physician's statement as to the need of the child and mother that our fund may be adequately protected.

We have received help from our local Charity and Mercy Circles in meeting some emergencies that have arisen also with clothing and layettes. They have also granted a milk allowance to two of the families.

Unfortunately the granting of aid over a long period of time, as it

must be in most of our children's aid cases, has a tendency to create a dependent spirit. We are glad to be able to say we have some mothers who look forward to a day when they can take care of the family problems without public relief. These are the ones, too, who express appreciation for the assistance given and realize that it has been an important factor in helping them to reach their independence. We hope that with the coming of better times this spirit will grow and instead of increasing our aid fund as we must now to prevent distress where there is no work, we again can care for these needs with a smaller appropriation.

We would be glad to have the supervisors from the towns represented in our report call at the office and check up on the cases in their respective townships, for there should be no duplication of aid. In the cities we always clear with local relief centers to prevent this duplication.

Thanking you most heartily for the fine cooperation you have always extended when called upon.

Respectfully submitted,

MARGARET A. THORN,
Probation Officer

BRIDGE AT WINNECONNE

The following resolution, No. 26, was presented:
To the Honorable Board of Supervisors
of Winnebago County:

Gentlemen: Be it resolved, by the Board of Supervisors of Winnebago County that the County Clerk of Winnebago County, Wisconsin, be and he is hereby authorized to sign the petition relating to erection of a bridge at Winneconne, Wisconsin, over the Wolf river, and that a certified copy of this resolution and the petition, so signed by said officer, be forwarded to the Wisconsin State Highway commission.

Dated Nov. 20, 1931.

M. F. WHITE.

To the Wisconsin State Highway Commission,
Madison, Wisconsin.

The petition of Winnebago County, through its County Board of Supervisors, respectfully represents and shows:

That a bridge is necessary over the Wolf river within the Village of Winneconne, Wisconsin; that said bridge will be a free bridge, lying wholly within the limits of Winnebago County, Wisconsin; that the

present bridge is wholly unsafe and inadequate, and that the construction of a new bridge is necessary.

That said bridge will span a navigable river, to-wit, the Wolf river. That it is located on a state trunk highway of the state of Wisconsin, to-wit, highway No. 116

That the length of said bridge will necessarily be more than 300 feet in length, not including approaches, and will require, under the laws of the United States, an adequate provision for navigation by means of a swing or lift-span.

That this petition is made under the provisions of Section 87.02 of the Wisconsin Statutes.

TRANSFER OF BALANCES IN HIGHWAY FUNDS

The following Resolution No. 32 was presented.

Whereas, The various highway activities, for which provision is made in the various highway resolutions are continuous from year to year, and the exact cost of any work cannot be known at the time of making the appropriation.

Now Therefore Be It Resolved, by the County Board of Supervisors of Winnebago county, that this board does hereby direct that any balance remaining in any appropriation for a specific highway improvement after the same shall have been completed, may be used by the County Highway Committee to make up any deficit that may occur in any other improvement of the same class for which provision is herein made, and any balances remaining at the end of the year in any highway fund shall remain and be available for the same purpose in the ensuing year, and any deficit in any highway fund at the end of the year shall be paid from the next appropriation made for the same purpose, and

Whereas, The exact amount of the funds that will become available

for highway purposes in the County under Section 20.49 of the Statutes will not be known until after June 30, 1932, at which time correct figures will be submitted by the State Highway Commission.

Now Therefore Be It Resolved, by the County Board of Supervisors of Winnebago County, that the County Treasurer is hereby authorized and directed to make payments on account of the improvements to be made with such funds, as hereinbefore authorized, from any funds in the county treasury that are not required for the purposes for which appropriated prior to August 1, 1932, and to reimburse such funds in the county treasury from the sums received under Section 20.49 of the Statutes, and the County Clerk is hereby directed to levy the taxes named in the several highway resolutions in the county tax levy, and the County Highway Committee and the County Highway Commissioner are hereby directed to carry out the highway construction and maintenance for which provision is herein made, in the manner provided by law and to employ such patrolmen, laborers and foremen, as they may deem necessary for such purpose

INDIGENT TUBERCULAR CHARGE

The following resolution, No. 36, was presented::

Resolved, by the Board of Supervisors of Winnebago County, Wisconsin:

Whereas, in the years 1924 to 1929 inclusive, the expense of maintenance of indigent tuberculosis patients at the tuberculosis sanatorium was charged back each year to the respective towns, cities and villages in Winnebago County, in which such patients had legal residence, and

Whereas, under the law the charge of maintaining such indigent patients should have been charged back to Winnebago County as a whole, the districts of the county bearing their proportionate share on the basis of the equalized valuation of the county, and

Whereas, claims attached hereto have been filed by the various municipalities against Winnebago County for the recovery of the amounts so charged as special charges against certain municipalities, and

Whereas the proportionate share of the respective municipalities for the care of such indigent tubercular patients has been determined in

accordance with the equalized valuation of the respective municipalities for the years 1924 to 1929 inclusive, and

Whereas, from such computation it appears that certain municipalities have been overcharged and others have not been charged enough, as follows:

District	On Basis of Equalized Valuation	On Basis of Special Charge	Over- payment	Under- payment
Algoma (T)	\$ 2,267.85	\$ 1,319.85	\$	\$ 948.00

SOLDIER RELIEF COMMISSION REPORT

The following report, No. 42, was presented:

November 15, 1931.

To the Honorable Board of Supervisors
of Winnebago County, Wisconsin:

Gentlemen: Relief has been granted to 122 families, being soldiers or soldiers' dependents, during the current year amounting to \$12,760.00.

Statement of orders drawn:

December—1930	\$ 560.00	October—1931	\$ 1,510.00
January—1931	1,130.00	November—1931	1,595.00
February—1931	1,285.00	Record Book	29.74
March—1931	1,010.00	Bond	17.50
April—1931	975.00	Secretary's Salary	50.00
May—1931	920.00	Walter Patri	
June—1931	805.00	(four meetings)	20.00
July—1931	800.00	Dr. J. N. Barnett	
August—1931	810.00	(three meetings)	15.00
September—1931	1,360.00		
		Total	\$12,892.24

Recapitulation:

Oshkosh (91 Families)	\$ 9,525.00
Omro (16 Families)	1,610.00
Winneconne (2 Families)	190.00
Neenan (6 Families)	670.00
Menasha (7 Families)	765.00

Total (122 Families) \$12,760.00

Statement:

Balance, November 17, 1930	\$ 690.06
Appropriation	14,000.00
Money Available	\$14,690.06
Expended	12,892.24

Balance, November 16, 1931 \$ 1,797.82

It might be well at this time to make a comparison of the number of persons receiving aid during the past three years. The report to the board for 1929 shows the total number of persons receiving aid from this fund as 53 and the total amount expended as \$6,529.21; for 1930—55 persons and \$7,460.00; for 1931—122 persons and \$12,760.00.

It will be readily noted that there has been a decided increase in this form of relief which has necessitated added work for the secretary and required quite a number of special meetings which were called by the chairman of the commission.

Respectfully submitted,

CARL LOEHNING, Secretary.

Remarks by Walter Patri, chairman of the Soldiers' Relief commission, and by Supervisors Bouchette, Stanley, Jungwirth, Clark, and Korotev. On motion the report was accepted and placed on file.

On motion adjourned to 9:30 A. M., Monday, November 23, 1931.

Ninth Day

Monday, November 23, 1931, 9:30 A. M.

Board met pursuant to adjournment, Chairman Young presiding. Present full board.

Minutes of last meeting read and approved.

A general discussion relative to what other county boards in the state are doing, proved interesting and enlightening.

To the Honorable the Board of Supervisors
of Winnebago County:

Gentlemen: Be it resolved by this Board that the balance of \$8,000 more or less left in the balances of the funds from construction of county trunk "T" and "F" during 1931, be used to pave Twenty-fourth street, City of Oshkosh, with concrete 20 feet in width from U. S. highway 41 to state trunk highway 26. Half of this street is in the City of Oshkosh and half in the Town of Algoma.

CASPER PFIEFFER.

Dated Nov. 23, 1931.

Remarks by Supervisor Pfeiffer, Myers, White, Weisheipl and Spore.
On motion the rules were suspended and resolution adopted. Ayes 44.

SALARY OF SECRETARY OF SOLDIERS'

RELIEF COMMISSION

The following resolution, No. 43, was presented:

To the Honorable, the Winnebago County Board of Supervisors:

Gentlemen: Whereas, the 1931 legislature amended the Soldiers' and Sailors' Relief commission act so as to permit an increase in the secretary's salary up to \$500.00, which was previously limited to \$50.00 per year, and

WHEREAS, this type of work has greatly increased in Winnebago County during the past year or more, and

WHEREAS, in order to efficiently administer the funds appropriated for relief, there should be periodic check-ups made to properly supervise such work,

NOW, THEREFORE, Be It Resolved by the County Board of Supervisors, that the salary of the secretary of the Soldiers' and Sailors' Relief commission of Winnebago County be fixed at \$200.00 annually, and that said secretary be required to make investigation at least twice a year of applicants on the relief list.

Dated Nov. 23, 1931.

Respectfully submitted,

COUNTY SCHOOL TAX

The following Resolution No. 50 was presented.

Resolved by the Board of Supervisors of Winnebago county, Wisconsin that

Whereas, section 59.075 of the statutes requires that the county board shall levy a tax upon the aggregate valuation of the county for the common schools in an amount not less than \$250 for each elementary teacher employed in the county during the preceding year, and

Whereas, the state superintendent of schools has certified that there are 318 such teachers in the county and

Whereas there is a balance in the county treasury of \$500 for two teachers which the state superintendent had erroneously certified a year ago, thereby making it necessary to levy a tax on the basis of 316 teachers only, therefore be it

Resolved that the sum of \$79,000 be and the same is hereby levied upon the taxable property of Winnebago county, as and for a county school tax for the year 1932, to be included in the budget of the finance committee.

Board met pursuant to adjournment, Chairman Young presiding.

Present full board.

Minutes of last meeting read and approved.

REGULATING HOURS OF LABOR

The following Resolution No. 22 was presented.

Be It Resolved by the county board of supervisors of Winnebago county, Wisconsin, that the building departments and highway departments of Winnebago county, in the hiring of labor for the purpose of building county buildings or labor incident thereto or for the purpose of road construction, road maintenance, bridge building and all labor pertaining to the highways of Winnebago county be instructed that, so far as practicable, no labor shall be hired to work more than fifty (50) hours per week. It being understood that superintendents, bosses, watchmen, timekeepers, automobile mechanics, truck mechanics, other repair men, men used on snow removal or men used in extreme emergencies are not to be included in the time restrictions as set forth in this resolution.

Dated at Oshkosh, Wisconsin, March 10, 1932.

RELATING TO DIVORCE COUNSEL

The following Resolution No. 23 was presented.

To the Honorable Board of Supervisors of Winnebago county, Wisconsin:

Gentlemen:

Whereas, Section 247.13 of the Wisconsin Statutes provides for the appointment of a divorce counsel; of some reputable attorney to act as divorce counsel in all matters of divorce except in counties of a population of 250,000 there shall be no appointment of divorce counsel

but the District Attorney or Assistant District Attorney shall be the divorce counsel thereof and perform all the duties of such office, and

Whereas, the duties of the divorce counsel are similar to the duties and work of District Attorney, and

Whereas, counties can save the expense of divorce counsel by having the District Attorney or Assistant District Attorney act as divorce counsel, and it is for the best interests of all counties that the District Attorney or Assistant District Attorney act as such divorce counsel, now therefore,

Be It Resolved, by the board of supervisors of Winnebago county, Wisconsin, that they are heartily in favor of an amendment to the divorce counsel law, to permit the district attorney, or assistant district attorney to act as divorce counsel instead of appointing some reputable attorney as such, and request and petition the legislature for an amendment to the divorce counsel law to this effect.

Be It Further Resolved that a copy of this resolution be transmitted by the county clerk of Winnebago county to the senator of this district and the assemblymen of this county.

Dated March 14th, 1932.

MARKERS FOR SOLDIERS' GRAVES

Supervisor Schultz made a verbal report of the committee on poor relative to the purchase of markers for soldiers' graves. It was understood that a supply of these markers be placed in the court house for distribution as needed.

Communication from J. E. Doyle, relative to reduction in salaries was read and placed on file.

REPORT OF THE COMMITTEE ON BONDS AND SALARIES

The following Report No. 21 was presented.

To the Honorable Board of Supervisors of Winnebago county, Wisconsin:

Your committee on bonds and salaries, to whom was referred Resolution No. 18, beg leave to report as follows:

Your Committee unanimously reports that in their judgment said resolution should be killed, for the following reasons:

1. The resolution proposes to attempt, by action of the county board, to bring about an immediate reduction of ten per cent in the salaries or wages of all officers and employes of Winnebago county. Your committee has been advised that the county board cannot cut the salary of any elective official during his term of office, and after consulting with the elective officials of Winnebago county we believe it inadvisable to attempt to ask them to make a voluntary cut in salary, which would have the effect of leaving 10 per cent of their salaries in the public treasury, and would not in any way help unemployment or effect any immediate charitable purpose.

Most all of the elective officers flatly refused to make such a ten per cent contribution.

2. Your committee therefore finds that the only people that could possibly be affected by a cut in wages during the current year would be the appointive officers, such as clerks, stenographers, janitors, highway employes, and hired help of one kind and another. It therefore seemed to your committee that it would be manifestly unfair and unwise to attempt to make salary reductions among the hired help of the county, and have the higher salaried officers of the county not in any way affected thereby.

We also find that the employes of the Bi-County Sanitarium could not be affected without joint action of the board of trustees of Winnebago and Fond du Lac county, and we seriously doubt that the employes of the County Home would be affected unless action was taken by the Board of Trustees of that institution.

We also desire to direct attention to the fact that the County Highway committee must pay the minimum wage fixed by the state of Wisconsin in order to secure State Aid in road building.

3. Your committee, in investigating general salary conditions in Winnebago county, of employes, as well as officials, find that there have been no appreciable salary increases in county offices for many years, and that no officers or employes are drawing any exorbitant salaries.

Respectfully submitted,

Dated March 14th, 1932.
