XXII. The previous question may be moved by any member, and the Chairman shall then say: "It requiring five members to second this motion, those in favor of sustaining the motion will rise." If five or more members then rise, the previous question shall thereby be seconded and an opportunity then be given to any two members opposed thereto to briefly state

their objections. The question shall then be: "Shall the question be now put?" which, if carried by a vote of two-thirds of the members present upon a call of the ayes and nays, the Board shall immediately proceed to vote upon the pending amendment, if any, and upon the main question.

XXIII. In filling blanks, the largest sum and the longest time shall be first out.

#### REPORT OF COUNTY ABSTRACT COMMITTEE.

Supervisor Ream offered report No. 4, as follows:

To the Honorable, the County Board of Supervisors of Winnebago County:

Your Committee respectfully reports, that pursuant to the resolution passed at the March, 1908, session of your Board, they did:

First: Employed John L. Day, a competent person and expert abstractor, at an expense of \$58.00, to inspect the work of Ralph Adams, contractor, and that a copy of said Day's report is herewith submitted for the information of the Board.

Second: That your Committee, on the report of said Day and on the advice of the District Attorney, did accept the Tract Index System made by said Ralph Adams, and did make the final payments therefor, due on the original contract, amounting to the sum of \$6,325.00, and in inspecting said work, did give said Ralph Adams a receipt, providing therein that the acceptance of such work and the giving of such receipt should not be construed as or affect the acceptance of so-called extras.

Third: That your Committee took up somewhat the question of extras claimed by said Ralph Adams and considered the report of said Day thereon, but that your Committee believed the bill presented for extras not to be sufficiently itemized and complete to enable your Committee to pass properly on the whole thereof. And your Committee decided to request said Ralph Adams, if he desired said claim acted upon, to present the same in a fuller and better itemized condition to the Board at this November session, and that in accordance with such request, your Committee understands said Adams has filed with the Clerk and presented to this Board an itemized statement of his claim, which will come before the present session for the action of this

Board; and therefore, your Committee did not avail itself of the authority to make any payment on such bill for extras, believing that the whole matter had better come before this Board.

Fourth: That your Committee pursuant to authority given it, purchased a typewriter for the Tract Index System for the sum of \$85.00.

Fifth: Your Committee further reports that the Register of Deeds, acting with the Committee on Bonds and Salaries, did appoint George LeTourneux as Deputy Register of Deeds, to act as Abstract Clerk, and did appoint Miss C. M. McDonald as copyist, at the salaries of \$100 and \$35 per month, respectively, and that arrangements were entered into with the said LeTourneux and the said Register of Deeds, which are herewith submitted for the information of the Board.

Sixth: That it was found necessary to employ Mr. Mitchell, who was thoroughly acquainted with the system, to assist in opening and starting the system for the County, and that your Committee did employ him and he did act for such purpose, and was paid therefor the sum of \$111.75, and your Committee asks that its doings in such behalf be ratified and approved.

All of which is respectfully submitted.

Dated this 12th day of November, A. D. 1908.

O. P. REAM,  
W. S. AUDISS,  
J. C. THOMPSON,  
Special Abstract Committee.

On motion, adopted.

#### TRUSTEES' ANNUAL REPORT.

Trustee G. H. Charlesworth read Annual Report No. 5, of the Trustees of the County Asylum and Superintendent of Poor Farm, as follows:

To the Honorable, the County Board of Supervisors of Winnebago County:

Gentlemen: The Board of Trustees of the Asylum for Chronic Insane of Winnebago County, Wis., respectfully submit herewith their report of the institution, covering the year ending June 30, 1908:

The principal change at the institution during the year was the election of a new superintendent and matron in Mr. and Mrs. Manuel.

A number of substantial improvements have been made during the year: the installation of 100 new hospital iron beds with mattresses; the installation of five new closets with necessary plumbing; improving the sanitary condition and service of the wards; new steel and concrete floor in laundry and concrete floor in refrigerator room, with fitting up of soap room with vats and steam pipes; increasing the efficiency of the laundry; and building 4,000 feet of concrete walks in asylum grounds.

As the County Board are aware, the maintenance of our new poor house, of which we are justly proud, is a source of added expense over that of the old one, which appears in our report of current expenses for both institutions, added to which we have made some necessary improvements in the way of screens, pipe covering and some extra finishing and building of a kitchen storm house.

We have contracted for 1,500 tons of West Virginia splint lump coal screened, f. o. b. state hospital, at \$3.95 per ton, on orders before October 30, 1908, and \$4.10 per ton after that date, which will supply the asylum and poor house until July 1, 1909.

The unfavorable weather of last year lessened the amount of farm production, so we have been obliged to buy quite a quantity of potatoes and some other provisions this year, usually raised in sufficient quantity to take care of the wants of the two institutions.

The general repairs with the advancing age of the institution buildings slightly increases our current expenses, but we feel, considering the price of food stuffs and clothing, that our per capita is remarkably low.

Following is a tabulated statement of the expenditures for the last fiscal year, commencing July 1, 1907, and ending June 30, 1908.

Referring to the recommendation of our board in its report a year ago for a cold storage building, we would again urgently recommend to your honorable board that necessary appropriation be made to provide our institution with storage facilities in shape of a root cellar to enable us to keep farm vegetables during the winter, as with present accommodations the County loses a considerable amount every year in vegetables going to waste because of lack of proper accommodations to care for same. The expense of a good root cellar would be about \$3,000.

The trustees desire to express their approval of the business management and the fine condition of the asylum, poor house and farm. Also their confidence that the superintendent and matron (Mr. and Mrs. Manuel), and those working under them have done everything in their power to make the institution a cheerful and comfortable home for the patients.

Find hereto attached report of Superintendent E. E. Manuel and County Physician Dr. Frank Brockway.

All of which is respectfully submitted.

## COUNTY PHYSICIAN'S REPORT.

Frank Brockway, County Physician, read his Report No. 6, as follows:

To the Honorable Board of Trustees of the County Asylum and Board of Supervisors of Winnebago County, Wis.:

Gentlemen: I herewith respectfully present to you my report as County Physician for the fiscal year ending July 1, 1908.

## COUNTY ASYLUM.

I have visited the county asylum as usual, twice a week regularly, and at other times when sickness made it necessary.

During the first quarter of the year there were two deaths, one, a middle-aged woman, from tuberculosis, and the other an old man, who died of senile dementia.

In the second quarter there were three deaths, an old man from paralysis, a young man, an idiot from gastritis, and a middle-aged woman, an epileptic, died in epileptic convulsions.

During the third quarter there were three deaths, a man dying of heart disease complicated with dropsy, an old woman of paralytic dementia, and a young woman of consumption.

In the last quarter of the year there were four deaths, a man dying of consumption complicated with hemorrhage of lungs, an elderly woman of paralysis, an old woman of heart disease and an old man of senile dementia. These deaths were evenly divided between males and females.

Aside from these cases, which were all chronic, there was little illness that developed into anything serious. There have been no accidents aside from a few minor sprains or bruises during the entire year, which is an excellent showing for an institution of this size.

There were no contagious diseases in the asylum during this year.

The sanitation of the building has been improved by the installation of toilet rooms, accessible from the dormitories, thus doing away with the night boxes, which were offensive and unsanitary.

The building has never been in a better sanitary condition than since this improvement was made.

The inmates have been well fed and comfortably clothed, and the best of care given them by the superintendent and matron, and the attendants who have ably assisted them.

## THE COUNTY POOR HOUSE.

I have made regular visits twice a week to the poor house and special visits when called.

There was one death in July the first month of the year, one in August, one in September, one in October, two in November and two in December.

During the last six months of the year there was but one death, which occurred in April, 1908.

Of these deaths seven were males and two females. All were people of advanced age.

One died of cancer, one of paralysis, and the other of old age, usually with complications of heart disease.

There were no births during the entire year, an unusual but gratifying record.

The building has been in good sanitary condition and the inmates well cared for.

#### THE COUNTY JAIL.

In July, the first month of the year, there was a death at the jail from delirium tremens, complicated with a weak heart. Aside from this, there has been about the usual amount of minor ailments, but nothing that has proved to be serious.

The sheriff and his assistants have given the prisoners good food and the best of care, and the building has been kept in a sanitary condition.

#### THE WORK HOUSE.

There have been several sick calls to the work house, besides which I have made several visits of inspection.

There was one death this year, in June, 1908, a sudden attack of delirium tremens.

The food furnished the prisoners has been wholesome, and they have been given excellent care.

All of the County institutions have been closely looked after by the officers, trustees and committees in charge, and any needed improvements made as promptly as possible.

In closing I wish again to thank the Board of Supervisors, the Asylum Trustees, and those in charge of the County institutions for their assistance to me in my work.

Respectfully submitted,

FRANK BROCKWAY, M. D.,

County Physician, Winnebago County, Wis.

Motion to accept report and that it be made a part of the journal of the Board. Carried.

County Physician Brockway also reported verbally as to matters since July 1.

Remarks by Supervisors Beduhn and Gustavus.

Gentlemen: I think that under the circumstances, and all the difficulties and opposition we have had, and the short space of time we have had, that the above is a very good showing of what can, and should be done after the citizens of Winnebago County know how much more convenient it is to be able to come to their own office, for it is an office, and a work especially created for them, where they can come and get information desired, free of charge, and I trust as freely given by those employed in the department. We have, so far as was in our power, endeavored to do our duty toward all who have come to us either in person or by letter. The system has proven and is proving very satisfactory in every respect and no error has so far been found in the records.

I would like at this time to make two or three recommendations to your body. The first is that you increase the salary of my assistant,

Miss McDonald, for the compensation is not adequate to the work, and I can say for her that she has proven herself a very efficient and competent assistant and is entitled to the demand asked, it is not every one who can do the work required of her. While many stenographers might be able to copy anything that is dictated or put before them, not many have had the experience that Miss McDonald has had in this line of work, for she has done abstract work for a number of years prior to this, therefore that experience is certainly worth more than \$35 per month, and I strongly urge and hope that the committee on salaries will see to it that the increase is made to go into effect at once, so that she may derive the benefit of it this month of November, if it can possibly be arranged.

My second recommendation is that the County purchase another typewriter. While the one we are now using has done the work thus far, it should be used only for work done in our indexes, for the reason that the carriage used for our large index sheet or leaves is so heavy that it will soon render the machine worthless. While by purchasing another we can use that for making abstracts only and our present one for the records.

My third one is that a card should be put in every newspaper published in Winnebago County, not only in the English ones, but all others of foreign publication, and that to be in their language. Where it is a daily paper, leave the card in for such a number of days as will be necessary to give the people a chance to see it, and where it is a weekly the same proportion, simply to let the citizens of Winnebago County know that we are ready to serve them, if only to see how we are working the system.

I trust, gentlemen, that these recommendations will be approved by your honorable body, after due consideration.

Very respectfully yours,

GEO. LE TOURNEAUX, Abstractor.

On motion, report received and referred to Abstract Committee.

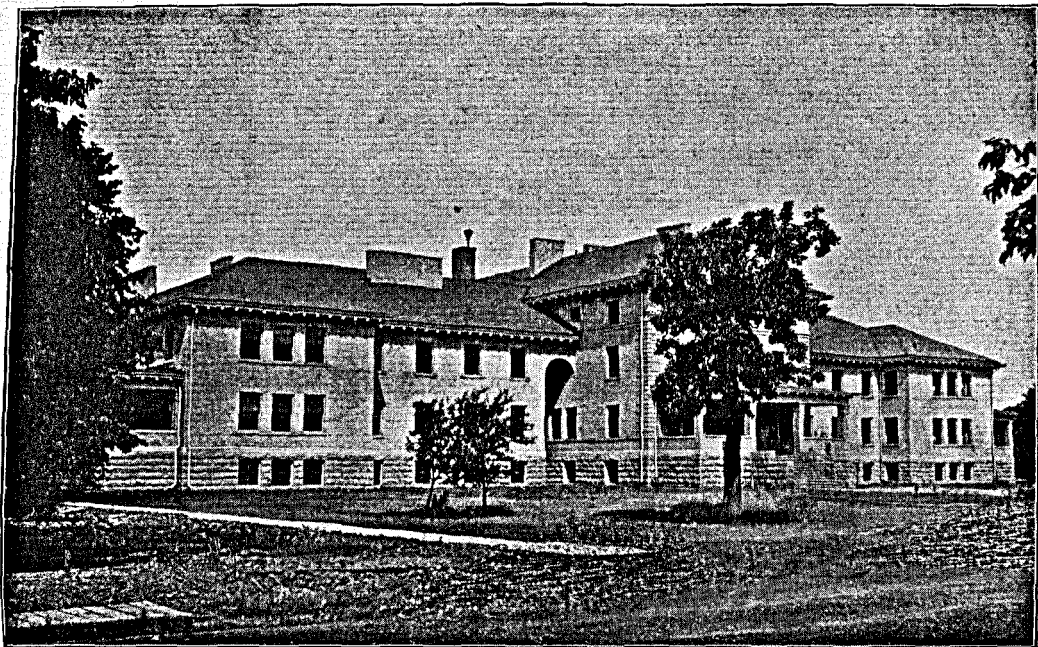

#### SUPERVISOR OF ASSESSMENT REPORT.

Supervisor of Assessments D. M. Shea, offered his Report No. 8, as follows:

To the Honorable, The Board of Supervisors of Winnebago County, Wisconsin,

Gentlemen: In compliance with the statutes, I hereby present my annual report for the year 1908.

There has been some improvement in the assessment of the county the past year, particularly in the town of Poygun, where the assessment was increased over 1907 about 25 per cent., bringing the assessment of the real property up to 100 per cent., based on inspection made by the Supervisor of Assessment.

WINNEBAGO COUNTY POOR HOUSE

The State Tax Commission places two methods at our disposal to arrive at the full value of the real estate of the different districts, namely: the selling or market value as shown by prices in the transfer of real estate for a period of from three to five years, and the inspection by the Supervisor of a number of pieces not less than twenty, in each assessment district of the county. The first or sales method, the Commission recommended as being the only method which can be used to arrive accurately at the true value; the second, or inspection method, is left at our disposal, although the commission do not recommend it. In fact, they discourage its use.

I have this year, as in the past, used the inspection method. The results will be found in table 8 of this report. Tables 1 to 7 inclusive, show the assessment, also all changes made by the Supervisors in the different kinds and classes of personal property.

Table 9 shows the total assessment of the real and personal property, also the total of real and personal property, the changes made by the Supervisor in each instance and the results of the same.

Special Form "B" shows the number of pieces inspected by the Supervisor in each district, the total true value as fixed by the Supervisor, the total assessment as fixed by the local assessor and the ratio of the assessment to the true value.

I thank you for your courteous consideration of my reports in the past, and for any information which you desire with regard to the enclosed report, I am at your service.

Respectfully submitted,

D. M. SHEA,

Supervisor of Assessment.

of one now there being too small. We did not have enough money in fund to do this. We got bids on a new smoke stack, but \$970.00 was the least bid we could get.

Oshkosh, Wis., April 3, 1903.

To the Honorable, the Abstract Committee of the Board of Supervisors,  
Winnebago County, Wis.:

Gentlemen: In response to your invitation to examine the set of abstract indexes prepared for you by Mr. Adams, and to ascertain to the best of my ability if the work was completed according to the specifications, I left Chicago early Tuesday, March 31, and on arrival at Oshkosh, met Mr. Audiss and obtained from him contract and specifications executed between the parties, and from Mr. Adams the several resolutions in the nature of instructions or interpretations of ambiguities in the specifications passed by your Board, and having carefully studied these I have with such data before me, made a careful inspection and examination of the set. Said examination comprised an inspection of the clerical work of each and every book, including the running down of the chain of title in innumerable cases, a comparison of the land books in conjunction with the subdivided facts and in many cases the comparisons of the records themselves with the matter posted, and from such examination and comparison I beg to report that as to the contract and the specifications, I find the set of books exhibited fully and faithfully carries out the spirit and letter thereof; I further report that said examination also was made with particular reference to whether the so-called extras charged were for irregular instruments not covered by the original contract and specifications; and as to the claim for compensation made by the contractor for extra work done by direction of your Committee, I report that I obtained a considerable number of books and pages of record of instruments that under the specifications would have been posted in the book of irregulars, but for your action; that I examined the record thereof, and can readily believe that the task of finally disposing of them where they properly belong, was a prodigious one, and to my mind a most essential one, to the utility of the set, and the compensation agreed to be paid by your Committee a reasonable one; I am satisfied that work covered by the itemized statements presented by Mr. Adams for chaining and vacation is not covered by the contract and specifications, and is properly chargeable as extras.

As an illustration, I subjoin a brief minute of one conveyance which required, I am informed, over forty postings, and is necessary to the chain each time, to-wit:

George W. Woodworth  
to  
Mary Ann Cummings.

Quit claim deed dated July 21, 1856, and recorded November 21, 1856, in book 7 of deeds, page 341, conveys land in the Town of Rushford, Winnebago County, Wisconsin, being certain lots and certain undivided parts of lots in the Village of Delhi, also an undivided part of Dorrell lot (so called), in the said Township of Rushford, being the same lands and Village lots described in a certain deed from Charles P. Bennett and wife and Adolphus M. Gardner and wife to "m" dated October 15, 1855.

The above is one of hundreds of similarly ambiguous instruments.  
Respectfully submitted,

JOHN L. DAY.

REPORT OF POOR AND POOR FARM COMMITTEE.

Supervisor Gustavus offered the following Report No. 19:

Oshkosh, Wis., Nov. 17, 1908.

To the Honorable, the Board of Supervisors of Winnebago County, Wisconsin:

Gentlemen: Your Committee on Poor and Poor Farm to whom was referred the matter of Attendant Lindsay abusing Inmate Jones at County Poor House, respectfully report as follows:

Jones claims to have been kicked by Attendant Lindsay, as well as being dragged through hall up stairs, also cuffed in the face, causing black eye, injuring his back, and other minor bruises. Jones says he had no ribs broken, nor did he say to any one that he had any ribs broken.

Trouble caused by Jones not obeying Lindsay when Mr. Lindsay told him to change his clothes, which were torn.

John Lindsay, an inmate, says that Attendant Lindsay did not kick Jones, nor did he see him strike him, but that Jones tried to strike

Lindsay, and considered that Jones was not hurt. He further states that he saw Jones back of building a few days afterwards when he thought no one saw him, and that he walked as straight as any one could, but as soon as he discovered that some one saw him he was again crippled.

Inmate Wetzlaff says Lindsay slapped Jones very hard in his face and dragged him on the floor. Could not say how much Jones was hurt.

Fred Kuehn makes same statement as Wetzlaff.

Chas. Smith (inmate), saw the trouble, but states that he did not see Attendant Lindsay kick nor strike Jones.

Attendant Tom Wiley saw Lindsay have Jones down on the porch floor, and that Lindsay dragged Jones into house. Did not see what happened inside.

Drs. Gordon and Loope examined Inmate Jones and think him in good health at present time, and that if he had been abused as much as he stated, he would not be able to be out on account of his advanced age.

Dr. Gordon stated that he has known Lindsay as an attendant for 17 years in this institution and can personally say that his past record is good.

Attendant Lindsay denies that he hit Jones, but says Jones struck and kicked at him, and that he used force to handle Jones, falling to floor by so doing. Trouble caused by Jones insisting on wearing a pair of pants which were torn, exposing his person, and that Jones refused to change them. Attendant Lindsay admits taking hold of Jones and setting him on floor.

The Committee finds Jones' statement relative to being kicked, disproved. We further find that he is disagreeable and fault-finding, and hard to get along with.

We further believe that the report circulated regarding this affair greatly exaggerated, but nevertheless think that Attendant Lindsay may have used more force than was necessary to control Inmate Jones.

Respectfully,

H. F. GUSTAVUS, Chairman.

**SUPERINTENDENT OF SCHOOLS' REPORT.**

Superintendent of Schools Patch offered the following Report No.

## ANNUAL REPORT OF THE COUNTY SUPERINTENDENT OF SCHOOLS.

To the Honorable, the Board of Supervisors of Winnebago County, Wisconsin:

Gentlemen: The following report is upon the condition and progress of the common schools of Winnebago County, exclusive of the Cities of Neenah, Menasha and Oshkosh.

With very few exceptions the schools are in first-class condition. I note special improvement in the matter of equipment and appliances for heating and ventilation. During the year ending June 30, 1908, there were thirty-four schools in the County which took advantage of the law passed at the session of the legislature in 1907, providing for additional State aid, to the amount of Fifty (50) Dollars per year for three years, to any school furnishing an approved system of heating and ventilation, supplementary readers, academic dictionaries, maps, charts, globes, blackboards, etc.

These are designated as first-class rural schools, and in addition to sharing in the regular apportionment of school funds, are entitled to \$50 per year extra State aid.

Since June 30, 1908, Twenty-six (26) other districts have taken advantage of the law, so that at the present time 60 out of the 96 ungraded schools in the County are fully equipped for doing first-class work.

The teaching force I believe exceptionally strong. Of the 118 teachers now employed in Winnebago County common schools, 14 are graduates of normal schools or universities, 9 hold first grade teachers' certificates, 44 second grade, and 51 third grade. Thus more than half, or 65 of the 118 teachers of the County hold high grade certificates, and have received special training for their work. This I consider a very good percentage.

The principal reason for our being able to hold this better class of teachers is that higher wages are being paid. Consequently, the experienced teachers are remaining in the County rather than going away from home to secure better wages.

You will notice by the following wage schedule that more money is being paid to teachers. The wages are not yet as high as they should be but there is a great improvement in most of the schools.

Beginning August 10, 1908, an institute for five days was held. This institute was conducted by Prof. B. Mack Dresden of the Normal school, by Prof. K. L. Hatch of the Winnebago County School of Agriculture and Domestic Economy, by Supt. John C. Callahan of Menasha and by the County Superintendent of Schools.

This was the largest teachers' institute in point of attendance ever held in Winnebago County, there being a total enrollment of 105 teachers.

The work done was upon those subjects in which the teachers were found to be deficient. During the year there were held in Neenah and in Winneconne, a series of two-day institutes, in which I believe, the teachers received more real benefit than in the mid-summer institute; since they came at a time when the teachers were actively engaged in school work, and there being a smaller number present, problems of the school room could be taken up and discussed in a manner impossible when a large number were present.

Two regular examinations were held during the year. One in March and one in July and August. In these examinations 162 persons were examined and 68 certificates issued. The following are the educational statistics for the year ending June 30, 1908:

Number of school districts in the County .....	96

WINNEBAGO COUNTY INSANE ASYLUM

In view of the fact that for the past eight years there has been in use in the schools in this County a system of close supervision, consisting of registers, teachers' report blanks, reports to parents, certificates of award for perfect attendance, and library certificates for the purpose of promoting the reading habit with pupils, and in view of the fact that the entire supply of said material is exhausted, I would therefore respectfully recommend that a sum of \$242.56 be appropriated to purchase supplies for the schools of the County.

ILLEGAL ASSESSMENTS.

Supervisor Christoph offered the following Report No. 29:

To the Honorable, the Board of Supervisors of Winnebago County, Wisconsin:

Gentlemen: Your Committee on Illegal Assessments beg leave to report that they have under consideration the following petitions for cancellation of Tax Certificates, as follows:

The petition of H. K. Lawson, for the cancellation of certificates as follows:

Certificate No. 121. Sale of 1908. Amount, \$4.07.

Affecting the west 4-5 of Lot 6 Block 55, Fourth Ward, City of Menasha, Wisconsin.

Certificate No. 122. Sale of 1908. Amount, \$4.07.

Affecting all of Lot 17 Block 55, Fourth Ward, City of Menasha, Wisconsin.

Certificate No. 123. Sale of 1908. Amount, \$4.07.

Affecting all of Lot 18 Block 55, Fourth Ward, City of Menasha, Wisconsin.

The petitioner represents that said tax certificates are illegal and void, for the reason that the tracts of land above described, are not subject to taxation, by said City of Menasha, on account of the fact that said lands are partly railroad right of way, of Wisconsin Central, and Chicago, Milwaukee & St. Paul railroads, and crossed by the main line of the latter company. The tax thereon for 1907-8, or so much thereof not crossed by said railways, was paid by the several owners.

The said lands are mostly not assessable or taxable, because they are railroad right of way.

That the said assessment is a double improper assessment, and the regular and proper assessment has been paid.

Your Committee would recommend that said certificates be can-

celled, and that the amount so paid for such certificates be refunded to H. K. Lawson, the owner of said tax certificates, with the interest thereon, at the rate of seven per cent. per annum from the date thereof, to-wit:

Certificate No. 121. Sale of 1908. Total amount tax \$4.07. Interest 14c.....	\$4.21
Certificate No. 122. Sale of 1908. Total amount tax \$4.07. Interest 14c.....	4.21
Certificate No. 123. Sale of 1908. Total amount tax \$4.07. Interest 15c.....	4.22
<b>Total .....</b>	<b>\$12.64</b>

And the same be charged back to the City of Menasha.

Your Committee also have under consideration the petition of E. W. Thomas, for the cancellation of the following certificate:

Certificate No. 191. Sale 1902. Amount, \$2.59.

Purporting to cover Lot 11 Block 3, Bassett's Second Addition to Jones Plat of the Island, Third Ward, City of Neenah, Wis.

The petitioner represents that said tax certificate is illegal and void, for the reason that there is no lot in the City of Neenah known and designated as Lot 11 Block 3 of Bassett's Second Addition to Jones Plat of the Island; that the intent purpose of said tax certificate was to cover Lot 11 Block 3 in Wildfang's Subdivision of Block 3 Bassett's Second Addition to Jones Plat of the Island, Neenah, Wis.

Your Committee would recommend that said certificate be cancelled, and the amount so paid for such certificate be refunded to E. W. Thomas, the owner of said tax certificate, with the interest thereon, at the rate of seven per cent. per annum, from October 18, 1902, to-wit:

Certificate No. 191. Sale 1902. Amount, \$2.59. Interest, \$1.10. Total, \$3.69.

And the same be charged back to the City of Neenah, Wisconsin.

Your Committee has before it a statement of the County Treasurer, of lands, withheld from sale, and on account of the following reason:

Lot 7 Block 13 Williamsport Addition, Village of Winneconne, Wis. That W. H. Miller claims that the whole of said lot was assessed to him, while the Chicago, Milwaukee & St. Paul Railway Company owns a twenty foot right of way across Lot 7, which makes said description illegal, and the Committee beg leave to report they have carefully considered the same, and would recommend that said statement be accepted and that the land therein, withheld from sale, be charged back to Village of Winneconne.

LEWIS SMITH,  
H. L. WILLIAMS,

EDWARD GANZER,

The petition of Greg L. Sitter for cancellation of Certificate No. 115, Sale of 1903, Amount, \$12.22, covering land described as—Except right of way of Wisconsin Central Railway, of Lot 19, Block 33, Second Ward, Menasha, for the reason that it is a double assessment, being land of different owners assessed together.

Upon examination of the records in relation to the facts as alleged in said petition, we find the same to be true, and would therefore recommend that the said certificate be canceled and that the amount so paid for such certificate be refunded petitioner with interest, at the rate of 7 per cent. per annum, and that the amount so paid be charged back to the city of Menasha.

Certificate No. 115, Sale 1903, Amount \$12.22, Interest \$5.00. Total \$17.22.

Petition of Greg L. Sitter for cancellation of Certificate No. 350,

Sale 1903, Amount \$7.25, covering land described as: All except East 235 feet of Lot 17, J. H. Osborn's Addition, Thirteenth Ward, Oshkosh, for the reason that it represents a double assessment.

Upon examination of the records in relation to the facts as alleged in said petition, we find the same to be true, and would therefore recommend that said certificate be canceled and that the amount so paid for such tax certificate be refunded petitioner, with interest at the rate of 7 per cent. per annum, and that the amount so paid be charged back to the City of Oshkosh.

That said certificate is illegal and void for the reason that the description is irregular and further, that it purports to cover in part land upon which the tax had been paid for the year represented in said certificate, and would be a double assessment if the description was complete.

Upon examination of the records in relation to the facts as alleged in said petition, we find the same to be true and would therefore recommend that said certificate be canceled and that the amount so paid for such tax certificate be refunded petitioner with interest, at the rate of 7 per cent. per annum, and that the amount so paid be charged back to the City of Menasha.
