

Dec. 6, 2011

To Winnebago Highway Dept.  
c/o Winnebago County Clerk Office

On the afternoon of Nov. 9  
2011 at appx. 1:45 pm while I and my  
son were present a Winn. Snowplow  
came past my home driving very fast.

The weather was bad - snow  
and sleet - as a result of drivers excess  
of speed the plow threw icy sleet and  
slush hard enough to destroy complete  
outside storm screen plus both interior  
window's. There was damage to surrounding  
siding and 1 basement window (25.00 Mamards)

An inspector did come and  
take pictures and survey the damage  
while my son was putting plastic on  
the window.

To the best of my knowledge  
I hold these statements to be true.

Thank You  
Dianna Luckett
