TERMS AND CONDITIONS OF AGREEMENT

These are the Terms and Conditions for Service between the customer ("you") and United States Cellular Corporation on behalf of its operating licensed affiliates doing business as U.S. Cellular in your Home Market, as defined below ("U.S. Cellular", "we" or "us"). "Service" refers to the telecommunication services/programs, including voice and data services, you purchase from U.S. Cellular. Your "Agreement" includes (1) these Terms and Conditions, (2) the Service Agreement ("Service Agreement") on which you applied for Service, (3) the terms and conditions (typically, but not exclusively, included in the applicable brochure or literature) applicable to each Service, and (4) if you purchase data services, the additional terms posted at www.uscellular.com/termsandconditions.

Eligibility

You are eligible for Service only if you or your employer has a billing address within U.S. Cellular's licensed market area. If you meet the eligibility requirement only through your employment address, you may only be eligible for certain rate plans. All accounts you have with us must be kept in good standing in order to be eligible for Service. If any account is not in good standing, all accounts are subject to suspension and/or termination.

Term/Termination/Early Termination Fee

This Agreement is effective on the day we activate your Service and continues until terminated in a manner as provided below. You may terminate Service at any time by notifying U.S. Cellular. Termination by you shall be effective immediately unless you request a later termination date. A request to port your number is a request by you to terminate Service immediately. Your monthly recurring Services and the applicable charges for those monthly recurring Services shall be prorated to coincide with the termination date. Depending on the amount of Service that you have used during the month of termination, such a proration may result in you incurring overage charges. U.S. Cellular may terminate or suspend your Service at any time without notice if you fail to perform any obligations of this Agreement including the restrictions and obligations set forth in the paragraphs regarding "Use of Service" and "Payment and Due Date." Additionally, U.S. Cellular may terminate this Agreement at any time without notice if we cease to provide Service in your Home Market. If the Agreement is terminated for any reason during the Initial Term ("IT") other than pursuant to (i) the "Changes to Relationship" paragraph below, (ii) any applicable U.S. Cellular guaranty period or (iii) U.S. Cellular ceasing to provide Service in your Home Market, you may be assessed an Early Termination Fee ("ETF"). The duration of the IT and initial value of the ETF are defined in your Service Agreement. Each line of Service shall be subject to a separate ETF. Starting in the 5th month of the Agreement and each month thereafter, the ETF will be reduced by a ratable amount for the remaining months of the IT. By way of example, an ETF of \$150.00 for a 2 year IT will be reduced by \$7.50 each month over the last 20 months of the IT. Upon termination for any reason, you are responsible for the payment of all charges. If your Service is reinstated, you may be charged a reactivation fee.

Use of Service

At least 50% of your monthly voice usage must be used in U.S. Cellular's licensed markets. No more than 200 MB of your data usage in any month may be used in U.S. Cellular's non-licensed markets. Service is furnished for your use only; you may not resell Service to third parties. You may not use the

Service for any unlawful, improper, harassing or abusive purpose or in such a way that interferes with U.S. Cellular's network, business operations, employees or customers. U.S. Cellular may, in its sole discretion, block access to certain categories of numbers (e.g., 976, 900 and international designations)

Payment and Due Date

You are responsible for payment of all charges on your bill, including but not limited to telecommunications-related charges (such as monthly access, airtime, roaming, toll, long distance, directory assistance, application charges and data network usage); charges for other discretionary goods and services (such as ringtones, graphics, games and other on-line content) regulatory cost recovery charges (such as Universal Service Fund, Enhanced 911 and Wireless Number Portability); surcharges; and taxes. Regulatory cost recovery fees, surcharges, and taxes are subject to change without notice. Payments are late if not received by U.S. Cellular by the due date shown on the monthly bill. We may charge a late fee of up to \$5.00 for each late payment or 1.5 percent a month or part thereof (18% annually or the highest rate permitted by applicable state law) for any amount not paid when due, whichever is greater. We may charge you a returned check fee for a check returned for any reason. You agree to reimburse U.S. Cellular for its costs, including reasonable attorneys' fees, collection fees and similar expenses incurred by U.S. Cellular with respect to collection of payment (except where prohibited by law). We will refund final credit balances of less than \$1 only upon request.

Coverage

You understand that Service may be interrupted or unavailable due to atmospheric or topographical conditions, governmental regulations or orders, or system capacity limitations. Representations of coverage by U.S. Cellular or its agents are not guarantees.

Lost or Stolen Phones

You are responsible for all authorized charges on your phone. If you claim unauthorized charges on account of a lost or stolen phone, you must report your phone as lost or stolen immediately so that we may investigate your claim. We will investigate any claims of unauthorized charges within 30 days. You agree to cooperate with our investigation and to submit any relevant documentation that you have such as a police report or a sworn statement. You will not be required to pay any disputed charges while we investigate. If we determine that the charges are unauthorized, we will credit your account.

Deposits

U.S. Cellular may require a deposit from you to guarantee payment of charges for Service and from time-to-time may increase the deposit based on your usage and payment history. Deposits will only be returned to you after a minimum of 11 consecutive months of satisfactory payment history. U.S. Cellular may apply deposits or payments to any charges you owe us on any account. Interest will not be paid on deposits unless required by law.

Billing Practice

Your monthly Service fee will be billed in advance and your usage charges not covered by your monthly Service fee will be billed in arrears. Each partial minute of airtime will be rounded up and billed as a full minute. You may be charged for calls that are not completed but ring longer than 59 seconds. For completed calls, you will be billed from the time you push the "send" button until you terminate your call by pushing the "end" button on your phone. "Application charges" include the non-recurring and/or monthly subscription fees incurred when you purchase data applications. "Data network usage charges" are the charges for transferring data (i.e., downloading applications, accessing the Internet, etc.) rendered in units of kilobytes or megabytes. Each partial kilobyte of data transferred will be rounded up and billed

as a full kilobyte. Text, Picture and Video Messaging are billed per address/recipient. YOU MAY SEEK A CREDIT OR REFUND FOR ERRORS IN BILLING FOR UP TO 180 DAYS AFTER ISSUANCE TO YOU OF THE BILL ON WHICH THE ERROR IS CONTAINED BY CONTACTING U.S. CELLULAR AS PROVIDED ON YOUR BILL. YOU WILL HAVE WAIVED YOUR RIGHT TO DISPUTE THE BILL AND TO BRING, OR PARTICIPATE IN, ANY LEGAL ACTION RAISING SUCH DISPUTE IF YOU FAIL TO DISPUTE THE CHARGE ON YOUR BILL WITHIN 180 DAYS AFTER THE ISSUANCE OF THE BILL. WE MAY ALSO BACK BILL YOU FOR ANY ERROR THAT RESULTS IN AN UNDERBILLING TO YOU WITHIN 180 DAYS OF THE ISSUANCE OF THE BILL THAT SHOULD HAVE REFLECTED THE UNDERBILLED CHARGE.

Billing Out of Area Calls. Billing for some calls made/received by you outside of the home U.S. Cellular switch to which your account is assigned at the time your service is established ("Home Market") may occur after the close of your regular billing cycle. Typically this occurs when you make/receive calls late in your billing cycle outside your Home Market such as when you are roaming on another carrier's network or are making/receiving calls on a U.S. Cellular network other than your Home Market. When this occurs, the minutes used, and associated charges, will be applied against your monthly calling plan in the month that the usage appears on your bill rather than the month the calls actually occurred.

Changes to Relationship

We may amend the Agreement at any time by providing notice to you. If we make Material Changes to the Agreement that you do not agree with, you may cancel your Agreement without incurring an ETF by notifying us within 30 days after notice to you of the change. "Material Changes" shall be only those changes that result in an increase to the rates that we charge you for services under your Price Plan as specified in your Service Agreement. Changes to charges permitted to be collected by any governmental authority (such as for the Universal Service Fund) or which pass through the expense of taxes imposed on the Service or which relate to other Services for which you are under no term commitment as well as other non-monetary changes to the Terms and Conditions shall not constitute Material Changes to this Agreement. If you use the Service after the 30-day period, you agree to be bound by any Material Changes.
