SINCE THE LAST BUDGET:

The Solid Waste Department continued to implement new initiatives to help educate Winnebago County residents to improve overall recycling efforts (Apartment Recycling Guidelines, Waste Wizard tool and Betterbin app) in hopes of reducing waste disposed in landfills.

LOOKING AHEAD TO 2024:

The Solid Waste Department 2024 budget includes the following solid waste tipping fee increases: \$6.00/ton increase to the Out of County Rate (\$58.00/ton); \$4.00/ton increase to the Gate Rate (\$56.00/ton), \$4.00/ton increase to the Signing Municipality/RUG Rate (\$53.00/ton). These changes were implemented to match Outagamie County Landfill's proposed 2024 solid waste Out of County and Gate Rates. The Signing Municipality/RUG recycling tipping fee rate will remain at \$5.00/ton. Winnebago County as a whole will look to increase office recycling efforts (reduce waste) in 2024 with a few initiatives.

COUNTY EXECUTIVE CHANGES FROM DEPARTMENT REQUEST:

The county executive removed one (1) full-time Environmental Manager position from the department's request. This position has been vacant since December 2021.

COUNTY BOARD CHANGES FROM EXECUTIVE BUDGET:

Solid Waste's Adopted Budget reflects a \$4,101 reduction in the Worker's Compensation line in the fringe benefits of the labor category. An error was found in the calculation of these costs by the Administration Department after the Executive Budget was finalized. This was presented by the Finance Director as an Error Report. The County Board voted to pass the change.

DEPARTMENT STAFFING:

The changes to the Table of Organization of Classified Positions can be found in the Overview section. For the 2024 budget, one (1) full-time Environmental Manager position and two (2) full-time Solid Waste Associate positions will be eliminated from the Table of Organization of Classified Positions. One (1) full-time Solid Waste Associate position and two (2) full-time Solid Waste Specialist positions will be added to the Table of Organization of Classified Positions.

DEPARTMENT SUMMARY:

The Solid Waste Department operates as a proprietary-type activity (enterprise fund) and as such, does not have a direct effect on the tax levy. The department charges user (tipping) fees, which supports all operations. The 2024 net deficit is budgeted at (\$537,410) with the solid waste tipping fee increases described above. A schedule of significant changes follows.
