 - [Consider wearing a mask if you are in contact with someone who is high risk.](#)

Sunnyview Expo COVID Testing and Vaccination Update

Beginning mid-April, WCHD will no longer be offering the community COVID-19 testing and vaccinations at Sunnyview Expo Center in Oshkosh. ***The last day for vaccination is Wednesday, April 12 and the last day for testing is Friday, April 14.***

Community members can continue to get vaccinated against COVID-19 on Tuesdays at the County Administration Building (112 Otter Ave, Oshkosh). Just walk in anytime on Tuesday between 8am and 4pm to get your first, second, additional, or booster dose.

You can still receive at-home rapid tests until the end of May through the [Say Yes Covid Test](#) program. You can also get [free test kits at these locations](#). Testing will also be available through healthcare providers and purchased in stores, pharmacies, and online. Additional testing locations and options are available on [WCHD's website](#).

Vaccinations can also be done through your healthcare provider. Additional vaccination clinics and locations in the area can be found at www.wcvaccine.org.

WINNEBAGO COUNTY CDC COMMUNITY LEVEL

**Winnebago County's
CDC Community Level is
LOW**

Community Recommendations:

- [Get tested](#) if you have symptoms or were exposed. Stay home if you are sick and waiting for results.
- [Test](#) before you go to a group gathering to help protect others.
- [Get vaccinated](#). Staying up to date on your COVID-19 vaccines is the best thing you can do, no matter the community level.
