

**Protect yourself  
with COVID-19  
vaccines at no  
cost to you.**

Updated 10/3/23

**The updated COVID-19 vaccine is now available, at no cost, if you're uninsured or your health insurance plan doesn't cover it.**

*Go to **vaccines.gov** and select 'Bridge Access Program' to find a pharmacy providing the COVID-19 vaccine at no cost.*

*Contact your healthcare provider to ask about free flu and RSV vaccines.*

Contact Winnebago County Public Health if you have questions or need help finding a free COVID-19 vaccine.
