Winnebago County Public Health Vending Machines

What are Public Health Vending Machines?

The Public Health Vending machines are a free community resource. Prevention kits such as gun locks, Narcan, Fentanyl testing strips, DETERRA drug deactivation, menstrual products, basic needs kits, and more are individually stocked in discreet brown boxes.

Who will use Public Health Vending Machines?

This resource is meant to give people access to items that will help create a stronger and healthier community for all. Everyone is encouraged to use these machines, including:

- Individuals who use substances
- Friends and Family of those who use substances
- Community members that want to be empowered to intervene in an emergency to prevent unnecessary deaths
- Community members that need access to basic needs items such as safe drug disposal bags or menstrual products
