

# DO YOU NEED A MAMMOGRAM OR PAP TEST BUT CAN'T AFFORD ONE?

***The Wisconsin Well Woman Program helps women who have little or no health insurance get screening for breast and cervical cancers.***

**Wisconsin Well Woman Program pays for services such as:**

- Clinical breast exams
- Human papillomavirus (HPV) tests
- Mammograms (breast cancer screening)
- Pap tests (cervical cancer screening)

**You may qualify if:**

- You are a woman 40-64
- You are a woman 35-39 with symptoms/concerns
- You do not have health insurance or your health insurance policy has a high deductible for screenings or tests
- Your income is within the program guidelines

***Early detection is the best protection!***
