### COVID-19 VACCINE CLINICS AND TESTING CLOSED DUE TO WEATHER

**OSHKOSH, WIS. (February 21, 2023)** – The Winnebago County Health Department's Walk-in Wednesday COVID-19 Vaccine Clinics, at the Oshkosh Public Library and Sunnyview Expo Center in Oshkosh, will be closed on Wednesday, February 22, due to the impending inclement weather. The COVID-19 testing site at Sunnyview Expo Center will also be closed on Wednesday and Thursday this week.

The COVID-19 vaccine continues to be the best tool to protect against infection, serious illness, hospitalization and death from COVID-19. The vaccine is currently approved for anyone six months and older, and boosters are recommended for everyone 5 years and. A complete list of vaccination clinic locations in the area can be found at [www.wcvaccine.org](http://www.wcvaccine.org) or by calling the Winnebago County Health Department's Public Health Hotline at 920-232-3026.

If you are feeling sick or have been in contact with someone with COVID-19, there are several ways to get tested for the virus. Contact your doctor or pharmacy to ask if they provide testing. If testing is not available, visit [www.winnebagohealth.org](http://www.winnebagohealth.org) to find a free community testing site. Free at-home collection kits are also available at <http://www.sayyescovidhometest.org>.

Testing will resume at Sunnyview Expo Center on Friday, February 24. Walk-in Wednesday Vaccine Clinics will resume on Wednesday, March 1. The clinic is open to anyone six months and older, and booster and additional doses will be available. For questions, please call the Winnebago County Health Department's Hotline at 920-232-3026 or visit [www.winnebagohealth.org](http://www.winnebagohealth.org).
