

# Extra FoodShare benefits are ending.

## This is what you need to know.

### What is changing?

FoodShare members have been getting extra benefits each month due to a federal program during the COVID-19 pandemic. **Starting March 1, 2023, members will only receive their regular FoodShare benefits loaded to the EBT QUEST card. There will not be a second payment later in the month.**

### What should I do?

Your benefit amount is based on many factors. It is important to make sure your information is up to date so you receive all the benefits you are eligible for.

#### Your Address

You may miss important updates if the Department of Health Services (DHS) does not have your current address.

#### Household Income

Did you lose work hours or have your pay cut?  
If you are earning less, you may qualify for more Foodshare benefits.

#### Your Expenses and Deductions

Are you paying more for childcare? If you are a senior or have a disability, do you pay more than \$35 in medical expenses per month? Did your rent, mortgage or property taxes increase? Providing proof of these expenses may help you qualify for more FoodShare. Learn more at: [dhs.wisconsin.gov/publications/p03315.pdf](https://dhs.wisconsin.gov/publications/p03315.pdf)
