#### Cities of Appleton, Neenah, Menasha and Oshkosh

\*\*Note, our website will **ONLY** reflect delinquent balances for these municipalities if they are turned over after the normal collection period for the current year's taxes. If you are inputting the correct parcel and nothing is generating, it is possible nothing has been turned over.

\*\*Searching on the County's website, you will need to use the county format of the city parcel number. I've listed examples below to help with the conversions.

City of Appleton 31-8-1511-02-00 → 608-1511-02

City of Menasha 1-00523-00 → 701-0523

City of Neenah 08-0523-00-00 → 808-0523

City of Oshkosh 08-0523-01-00 → 908-0523-01

\*\*In all cases, we drop trailing zeroes but depending on the city, we add either 1 or 2 digits to the beginning. Do not use dashes in the search fields. If your parcel is 906-0529 you will enter 9060529.

## Troubleshooting

\*\*If you conduct a search and it says 'Search Complete', first check to see that you haven't provided too much information. The system operates on a 'Less is More' concept so only search by parcel or the address or the name. Do not search by parcel AND address or address AND name.

\*\*If searching a City of Appleton, Neenah, Menasha or Oshkosh property and you've double checked you're searching using the correct parcel number and nothing is generating a result, it's possible the county hasn't had a balance turned over from the City. The best way to check this is to bring up the parcel on the appropriate city's website and see if they've paid their bill in full there during normal collection time. The county's website will **only** reflect information for delinquent balances turned over from the city after their normal collection time.
