SMOKING, ALCOHOL AND DRUG USE CESSATION PROGRAMS / EDUCATION / SUPPORT

Using alcohol, tobacco and other drugs during pregnancy, breastfeeding, and parenting can impact your health and your moods, your baby's health, the relationships you have with others and how much money you have available for food, housing and other important needs. You may be facing many challenges that make it hard to get information and help. To get the support you need talk to your WIC staff or contact the Well Badger Resource Center listed below.

YOU ARE NOT ALONE Many others know what it's like and can help you quit, give you tips, and support you along the way.
