Spirit Fund Dashboard

ARPA Strategy and Outcomes Commission

https://www.winnebagocountywi.gov/spiritfund

Why was the dashboard created?

> This interactive tool was created to allow county board members and the public to see the location and progress of project requests across Winnebago County.

What type of devices can I use to view the Spirit Fund Dashboard?

> The dashboard is designed for large-screen devices such as a tablet, laptop, or desktop computer. It is not intended for use on a smartphone.

What is the difference between County Government Project and Government Identified Project?

> County Government Project - Projects requested by Winnebago County Departments
>
> Government Identified Project – Projects requested by community partner agencies.

Where can I find more information about the ARPA Strategy and Outcomes Commission?

> Meeting videos are available on YouTube (https://www.youtube.com/playlist?list=PL18FZIIYoA4T3w5HV_GcMInfi0Me7jUv6).
>
> For meeting agendas and minutes before April 9, 2024, visit the Public Meeting calendar (https://www.co.winnebago.wi.us/county-clerk/meetings). For meetings after April 8, 2024, visit https://winnebagocowi.portal.civicclerk.com/

Where can I find more information about a specific project?

> Each project "details window" has requesting agencies and County Board resolution numbers listed.

What is the difference between an "In Progress" and "Complete" project?

> In Progress – The requesting agency or department has completed all necessary accountability documentation and funds have been delivered. The total funds delivered is shown in the upper left of the dashboard.
>
> Complete – Winnebago County has received notice from the requesting agency or department that the project has been completed.

How do I reset the dashboard settings, so it looks like it did when I started?

> To reset, click the circular reset button in the lower right corner.

What do the map symbols represent?
