STAY SAFE

Connect - Winnebago County Human Services

Connect's mission is to bridge gaps and foster connections, ensuring every resident has access to essential resources such as substance use, mental health, and housing. Connect is a safe place that empowers individuals in and out of the justice system to thrive and give back to their community. [Connect with Us.](#)

Public Health Harm Reduction Program:

FREE Narcan, LifePoint Syringe Service, and Fentanyl test strips are at Winnebago County Public Health.

LifePoint

The syringe services program is aimed at reducing the transmission of HIV, Hepatitis C, and other potential harms associated with injection drug use. Winnebago County Public Health is a satellite location for [Vivent Health's LifePoint program](#).

Location: David W. Albrecht Administration Building, 112 Otter Avenue, Oshkosh

Hours: Monday - Friday, 8 am - 4 pm, except for observed holidays.

Need Narcan?

Look for [local locations](#) or [state-wide](#).

Public Health Vending Machines

Free, 24/7 community resource for gun locks, Narcan, Fentanyl Testing Strips, DETERRA drug deactivation, menstrual products, basic needs kits, and more are individually stocked in discreet brown boxes.

David W. Albrecht Administration Building, 112 Otter Avenue, Oshkosh

Winnebago County Human Services Building, 211 North Commercial Street, Neenah

KAWN MTXIV

Never use alone!

If you are someone who uses opiates alone, please call 1-800-696-1996 or visit [neverusealone.com](https://www.neverusealone.com) for nationwide overdose prevention, detection, crisis response, and reversal lifeline services for people who use drugs while alone. Volunteer peer-run call center operators are available 24 hours a day, 7 days a week, 365 days a year. No stigma. No judgment. Just love!

Walk-In Mental Health Support

[ThedaCare Behavioral Health Walk-in Care](#) is an outpatient clinic for adults who have an immediate behavioral health need.

Walk in Care provides an assessment of needs, referral, and short-term treatment, as well as coordination of ongoing treatment.

Location: 333 N Green Bay Road Neenah, WI 54956

Hours: Monday - Friday, 8 am - 4 pm

I'M READY FOR RECOVERY

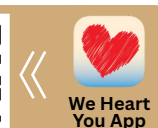

Now What?

Amazing! We are here to help! Follow the [visual map here](#). This tool was made to eliminate barriers for those seeking recovery support to help navigate the process of community services.

Connect with the Recovery Community!

Know someone struggling? You can reach out to:

- **We Heart You App** - Solutions Peer Response Team—real people who've been there. Download the We Heart You App or call 1-866-465-0010 to talk to someone who understands.
- **Recovery 180 App** - The collaboration between Apricity and WisHope offers a comprehensive statewide directory of recovery resources, allowing users to filter and locate nearby support no matter their location. Additionally, users can access recovery coaches via chat, phone, or video call directly through the app.

Other Substance Use Resources:

- **MyConnectionNEW** - They can help you, help others, and yourself with the [right tools and information provided on their website](#). Because at the end of the day, we can all do this. Sometimes, we just need a little help.
- **Wisconsin Department of Health Services** - For additional tools and resources, [visit here](#).
